City Facilities Closed to the Public with Minimal Staff

In an effort to prevent the spread of the coronavirus and to ensure the health and wellbeing of our employees, all city departments will be operating with minimal staff starting Friday, March 20. All City buildings, with the exception of the lobby at Public Safety, are closed to the public. Employees will be working in each department, with staggered and modified shifts, to ensure social distancing while continuing to deliver critical city services.

Every attempt will be made to conduct business via telephone and email. Please leave voice mail messages as appropriate. Use the following numbers to contact our departments:

Fire & EMS: 581-5330 (non-emergency)

PCR: 581-1297

Ports: 581-1254

Public Safety: 581-1233 (non-emergency)

Public Works & Utilities: 581-1260

Utility and other payments can be dropped in the secure 24-hour drop box at City Hall, 43 Raven Way (no cash please). The drop box is located inside the main entry doors to City Hall, in the space between the exterior doors and the interior doors. Payments can also be made by calling City Hall, and taxes can be paid online at www.officialpayments.com.

We appreciate your patience and cooperation, and all efforts to control this public health pandemic. Please continue to practice 6-foot social distancing and other personal preventative measures.
