**The total reported by State DHSS for Unalaska doesn't match the cumulative positive persons tested locally because some of those individuals may have previously tested positive before arriving in Unalaska, so were not counted as an additional positive person by the State; or because of other intricacies in how the State tracks cases.*

NEW LOCAL MANDATE TO PROTECT THE PUBLIC HEALTH: On September 8 the Unalaska City Council adopted a new local COVID-19 mandate, effective at noon today and expiring at noon on September 23, 2020. There were no substantive changes made from the prior order. Here is a short summary of the major elements of the local mandate:

- **Face Coverings** - Customers and visitors of businesses and organizations must wear a covering over their nose and mouth.
- **14 Day Traveler Self Quarantine** - Anyone traveling into the City by vessel or airplane must self-quarantine and monitor for symptoms, with limited exceptions. The rules for quarantine are set out in the mandate. The 14 Day Quarantine must be observed, whether or not the traveler has received a negative test for COVID-19.
- **Community and Workforce Protective Plans** - Business that are required to submit community and workforce protective plans to the State of Alaska must submit those plans to the City if their employees are traveling here.
- **Protective Protocols** - All business open to the public in Unalaska / Dutch Harbor must post their basic measures to protect the public health on the doors to the business.

PANDEMIC ELECTRONIC BENEFIT TRANSFER (P-EBT) FOR CHILDREN: This program is additional money for to all Alaskan families with school age children who received free and reduced-price school meals, or attended a school where meals are free during March, April and May of 2020. Up to \$458 for each eligible child. P-EBT benefits are available to households regardless of immigrant status, and benefits will not count in a public charge test. If you are already receiving SNAP benefits, P-EBT benefits can be automatically loaded onto your SNAP card. If you don't receive SNAP benefits, but otherwise qualify for P-EBT will be required to opt in to SNAP. Application deadlines have been extended until September 30th but the Department of Public Assistance recommends that applications be submitted by September 15th to ensure timely processing of applications.
