Coronavirus COVID-19

LOCAL RISK FACTOR: **Medium**

COVID WINTER READINESS CHECKLIST: As we head into winter this year, with decreased sunlight and more time spent indoors, it is advisable to make a plan to stay healthy and happy – especially since COVID-19 is still with us. Here are some items you might consider:

- Make a plan to stay active, both physically and mentally – *the City's Community Center, Aquatic Center, Sauna and Library are open and serving customers!*
- Eat a healthy diet and get plenty of Vitamin D
- Stay connected virtually with your friends and family
- Take time to relax
- Pay attention to indoor air quality, including the filters on your air handling system
- Plan for quarantine or isolation if you or a family member is positive for COVID-19
- Check on elders and neighbors
- Avoid the 3 C's – Closed spaces, Crowded places, and Close contact with other people
- Do the 3 W's – Wear a mask, Wash your hands, and Watch your space
