**The total reported by State DHSS for Unalaska doesn't match the cumulative positive persons tested locally because some of those individuals may have previously tested positive before arriving in Unalaska, so were not counted as an additional positive person by the State; or because of other intricacies in how the State tracks cases.*

F/V ISLAND ENTERPRISE: The F/V Island Enterprise has departed Unalaska is now on its way to Seward. After its arrival on Wednesday, one initial positive case on board was identified by the IFHS Clinic. Additional positives were identified through the company's internal testing program.

F/T ARAHO: An outbreak has been identified on the F/T Araho with 20 positive cases on board from their crew of 40. Coordination of care and plans for the vessel are being developed.
