PROTECT YOURSELF; PROTECT OTHERS: Please continue to follow protective measures.

- Stay home except to work in certain critical jobs, to get groceries & supplies, receive medical care and to get fresh air & exercise without contacting others
- Wear a covering over nose and mouth when visiting a business that is serving the public
- Wash your hands often with soap and water for at least 20 seconds
- Use 60% alcohol content hand sanitizer when soap and water are not available
- Do not touch your eyes, nose and mouth with unwashed hands
- Stay six feet away from other people (talking, laughing, coughing & sneezing spread infection)
- Cover your mouth and nose with tissue when you cough or sneeze; throw the tissue away; and then wash your hands
- Clean and disinfect frequently touched surfaces
- Avoid contact with people who are sick
- Stay home when you are sick, except to get medical care; all household members should self-quarantine and minimize contact with others
- If symptomatic
 - Always wear a mask when around others, including visiting the clinic
 - Call the clinic before coming in (581-1202)
