BUSINESS RESPONSIBILITY: As state mandates and capacity restrictions are lifted, businesses have a responsibility to their employees and customers to do what they can to prevent the spread of coronavirus. The State of Alaska has provided advisory documents in conjunction with combined Phases III and IV of the Reopen Alaska Responsibly Plan. These documents provide best practices and recommendations for social distancing, hygiene, staffing, operations, cleaning and disinfecting. These documents were emailed directly to many local businesses, and are accessible on the State website at <https://covid19.alaska.gov/reopen/>.

INDIVIDUAL RESPONSIBILITY: As businesses in Unalaska reopen, individual responsibility becomes even more important to protect ourselves, our families and our community. Individual actions matter! Let's all work together to stay healthy and our keep our community strong and keep it open. Continue practicing these important protective measures:

- Wash hands often
- Cover all coughs and sneezes
- Stay six feet away from others
- Wear face coverings around others
- Keep social circles small; avoid crowds
- Sanitize frequently touched surfaces
- Stay home when sick
- Call the clinic (581-1202) if you have symptoms of COVID-19 (fever, cough, shortness of breath, chills, loss of taste or smell, fatigue, muscle or joint aches, sore throat)

Be smart. Be responsible. Be caring. Then we can all be safe and well.
