- A phrase was added to paragraph 5 so that folks taking trips on their boats would not be considered to have left the community and then be required to quarantine for 14 days upon return; and
- The rules for the 14 day traveler quarantine in paragraph 5(d) have been expanded to allow for individuals in quarantine to get out and take a drive or participate in outdoor activities, so long as they go directly between their quarantine location and their vessel or vehicle, and have no contact with persons outside their household.

The new local order is Resolution 2020-41, and is available by email on request to the City Clerk, or on the City Website at <https://www.ci.unalaska.ak.us/citymanager/page/local-mandates>.

CITY COUNCIL MEETING FRIDAY: The Unalaska City Council will hold a Special Meeting at 6pm Friday, June 26, 2020 to continue discussion of the CARES Act Funding received by the City, and specifically grants for local businesses and nonprofit organizations.
