NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL:

1. **Governor Mandates.** Everyone in the City must follow all health mandates issued by Governor Dunleavy, the Alaska Department of Health and Social Services (DHSS), and the Centers for Disease Control (CDC).

2. **CDC Guidance.** It is strongly recommended, in accordance with CDC guidance, that certain individuals within the City should take even greater precautions:

- a. Anyone particularly at-risk from COVID-19 should reduce exposure by staying at home, not physically going to work, and not doing their own shopping if possible. People particularly at risk of complications from COVID-19 include those 60 years and older and individuals of any age with a serious underlying medical condition. Household members of those who are at elevated risk should implement these more stringent guidelines as well, to the extent possible.
- b. Anyone more likely to be contagious with COVID-19 should not leave home except to obtain medical care or to get fresh air. People who are more likely to be contagious include individuals exhibiting symptoms of COVID-19, including coughing, shortness of breath, and fever.

3. Social Distancing. Everyone currently in the City of Unalaska (the "City") has the personal responsibility to limit the number of contacts with individuals outside their household. Limited activity outside of the residence is recommended. When leaving their residence, individuals should continue to follow state mandates and maintain social distancing of at least six feet from any person outside their household, whenever possible. Individuals are also encouraged to practice recommended hygiene, including regular hand washing.

4. Face Coverings. All customers and visitors of businesses and organizations that are open and operating must wear face masks covering their nose and mouth to provide additional protection for employees and customers. The face coverings need not be medical-grade masks or N95 respirators, but can be cloth face coverings. Face masks may be temporarily removed as necessary and incidental to utilizing the business or service.

A cloth face covering is a material that covers the nose and mouth. It can be secured to the head with ties or straps or simply wrapped around the lower face. It can be made of a variety of materials, such as cotton, silk, or linen. A cloth face covering may be factory-made or sewn by hand, or can be improvised from household items such as scarfs, T-shirts, sweatshirts or towels.

A business owner or operator may refuse admission or service to any individual who fails to wear face coverings as required by this resolution.

5. Traveler Quarantine. A person traveling into the City of Unalaska by vessel or airplane must self-quarantine for 14 days upon arriving at their destination and monitor for symptoms of illness. During travel and following the quarantine period, adherence to CDC guidance, State of Alaska mandates, and local orders or resolutions is required. This includes appropriate social distancing measures and adherence to face covering requirements. People traveling for critical business purposes are required to follow all State of Alaska health mandates including complying with their approved state plans.

- a. Critical workforce employees must self-quarantine immediately upon arrival unless their employer has filed the required protocol with the City as required at paragraph 6.

6. Essential Services/Critical Infrastructure State Protocols. Businesses identified as “essential services” or as “critical infrastructure” and operating in the City shall submit all protocols or plans required by State of Alaska Health Mandates to the Unalaska Department of Public Safety. These plans are to be submitted as soon as possible after filing these protocols or plans with the State of Alaska and regardless of whether the State review of those protocols or plans has been completed. Businesses shall also provide the City confirmation of the State’s approval of its plan or protocol no more than three days after receiving such approval. In the event a business plan or protocol requires amendment or is rejected by the State, the business submitting that plan or protocol must notify the City no more than 48 hours after receiving the State’s notification of deficiency. Such businesses shall submit their plans, protocols, or relevant notifications to the City of Unalaska by email to COVID19PLANS@ci.unalaska.ak.us.
