Dear Marc,

I received your letter regarding planning a visit to Unalaska. According to our local mandates, here is some information that you should take into consideration for your decision to visit Unalaska.

- **Traveler Quarantine.** A person traveling into the City of Unalaska (“the city”) by vessel or airplane, from another community or port, must self-quarantine for 14 days upon arriving at their destination and monitor for symptoms of illness. During travel and following the quarantine period, adherence to CDC guidance, State of Alaska mandates, and local orders and resolutions is required. This includes appropriate social distancing measures and adherence to face-covering requirements. People traveling for critical business purposes are required to follow all State of Alaska health mandates including complying with their approved state plans.
- Anyone who is required to self-quarantine must adhere to the following: **1)** You may leave your designated quarantine location for **i.** medical emergencies or seek medical care; **ii.** to travel in your personal vehicle or vessel, individually or with members of your household, without contacting others, so long as you go directly from the quarantine location to the vehicle or vessel and directly back to the quarantine location; and **iii.** to participate in outdoor recreational activities (i.e. fishing, hiking) individually or with members of your household, without contacting others, so long as you go directly from the quarantine location to the recreational activity and directly back to the quarantine location. **2)** Do not visit any public spaces, including, but not limited to stores, pools, meeting rooms, fitness centers, or restaurants. **3)** Do not allow visitors in or out of your designated quarantine location other than a physician, healthcare provider, or individual authorized to enter the designated quarantine location by Unified Command. **4)** Comply with all rules or protocols related to your quarantine as set forth by your hotel or rented lodging. **5)** If you are required to self-quarantine and there are other individuals in your residence, hotel room, or rented lodging, you are required to comply with social distancing guidelines, sanitize regularly touched surfaces, and follow CDC best practices for hand washing.
