### LIBRARY EXPANSION

The library is under construction in 2022! We will soon have an expanded space with a larger children's room, large gathering/program space, new study rooms, a separate teen space, fireplace, and increased seating.

During construction, we will be open for regular library hours in our temporary location at Burma Road Chapel, 28 East Broadway. We have limited collections and seating in this temporary space, but patrons have access to all of our other services while we are here.

We estimate that construction will be complete on the expanded library in Spring 2023. We thank everyone in the Unalaska community for your patience and support during this exciting time!
