Jr. Lifeguard Class and Program

This course covers rescue techniques, first aid, aquatic safety, and emergency equipment. The lessons we teach Junior Lifeguards stay with them forever and go a long way if they wish to continue pursuing the life of a lifeguard. This year we would like to expand the Jr Lifeguard program by making it year-round. The first week will be the Jr Lifeguard class and, just like a real Lifeguard, they will have monthly in-services to practice the skills that they have learned! They will also be paired with a City of Unalaska Lifeguard that they will meet with one-on-one once a month to learn what it is like to be a lifeguard and how important they are to our community. Monthly in-services will be the last Thursday of every month from 3:30pm-5:30pm. Their monthly meeting with Lifeguards will be scheduled between the Lifeguard and parent. Jr. Lifeguards will get a Jr. LG hip-pack and t-shirt!

SHOW SYNOPSIS
THE LITTLE MERMAID

Conceived and Written by Jim Caron
Music and Lyrics by Michael McGill and Jim Caron

Deep in the salty waters of the Sassafras Sea, there lived a Little Mermaid. Her name was Celia. She lived for music. In fact, it was said that she had the loveliest scales in all of the Deep. Celia and her three sisters were allowed one visit to the World Above, each on their sixteenth birthday, to learn the secrets of life on dry land. Their discoveries included ferocious dragons, advancing armies and, of course, a handsome and resourceful Prince Charming. In a new version of the age-old tale, lots of music, plot surprises and humor await the audience.

Watercolor Workshop: Land & Seascapes

Join visiting artist and instructor Loren Eakins as he takes you through the steps and skills needed to create your own watercolor masterpiece. In his visits to Unalaska as an observer for the fishing industry; Loren has found great inspiration in the land and seascapes that surround us here in this beautiful place. Loren will teach you how to capture some of that beauty in your own watercolor painting. Materials for this class are provided, and no previous experience is necessary. Each stand-alone session lasts for 2.5 hours. Session 1: January 8 / Session 2: January 15

Unalaska Community Clean Up

May is our designated annual Community Clean Up month! Grab a friend and pick an area of the community that needs some major attention; your neighborhood, beaches, roadways. Yellow bags will be provided and a large map of the community will be displayed in the lobby of the Community Center showing areas of the community that have been cleaned. Each year, Unalaskan's remove tons of garbage from our roadways and beaches. In 2022 27,500 tons (1050 bags + debris) of garbage was picked up; that's the weight of two African Bush Bull Elephants. Let's see if we can top that number this year!

Any businesses/organizations/large groups who would like to participate, please contact Albert to coordinate an area and bag pick-up. Individuals may pick up yellow clean-up bags at the Community Center, Aquatics Center or the Unalaska Public Library.

A HUGE thank you to Matson for being our main event sponsor for the third year! With your participation in Community Clean up, you can enter into the Matson Clean Up Giveaway at: www.MatsonCleanupGiveaway.com/Unalaska

IMPORTANT NOTICE: This event is for removing litter and debris from roadways and beaches. Residential debris and industrial debris will NOT be picked up by PCR staff. PCR staff are unable to pick up items that may contain hazardous waste.

IMPORTANT NOTICE: Yellow bags are for the purpose of community clean-up efforts. Bags should not be taken for personal use. All unused bags can be returned to the PCR staff for further clean-up efforts.

IMPORTANT NOTICE: Individuals will only be permitted to take 3 bags each at a time. If you have a large group wanting to participate, please contact staff to arrange pickup of bulk clean-up bags.
