MEMORANDUM TO COUNCIL

To: Mayor and City Council Members
From: Bil Homka, Director, Planning Department
Through: Chris Hladick, City Manager
Date: July 26, 2022
Re: Ordinance 2022-13: Approving a Zoning Amendment from Unzoned Tidelands to Developable Tidelands District for 1.156 acres adjacent to Tract A, ATS 1360 Tidelands Area

SUMMARY: The City Planning Commission passed their Resolution 2022-07 at a regularly scheduled meeting on June 16, 2022. The Planning Commission resolution recommends City Council approve a zone change request for the property described above. The applicant is the City of Unalaska and this zoning action is a required element of the State of Alaska's tideland acquisition/transfer process. The City needs the additional tideland to provide room to redesign the small boat harbor.

PREVIOUS COUNCIL ACTION: Resolution 2021-81 supporting the City's application to acquire tide and submerged land from the State of Alaska Department of Natural Resources for the expansion and remodel of the Robert Storrs Small Boat Harbor was adopted on December 28, 2021.

BACKGROUND: The City committed to improving the Bobby Storrs Small Boat Harbor (BSS) as part of the Carl E. Moses (CEM) harbor project about a decade ago. The CEM has been a successful project and the City has the BSS on its Capital & Major Maintenance Plan (CMMP). The project is due to happen in FY23 and the Planning Department is working with the Ports Department to acquire the land necessary to facilitate additional dock space, new dock layout, new parking layout, and new restroom facilities.

DISCUSSION: The BSS improvement project involves coordinating with the State of Alaska to acquire additional tidelands and working with UniSea to trade some property at the shoreline. The new tideland area will enable a new, more efficient dock space layout. The property along the shoreline owned by UniSea will be exchanged with land the City owns to facilitate better parking and create more room to construct restrooms. The land UniSea will receive will be more practical for the company's Harborview Bar & Grille, operated by its hospitality division. Figure 1 illustrates the project concept and land reutilization areas in the tideland and along the shore/uplands areas.

The existing docks at BSS will be replaced. They were not designed for the current space, but were relocated/repurposed from another area in the City. Sometime in 2018 a portion of the A float needed to be removed due to damage and risk of sinking. There are multiple deficiencies in the existing dock facility. Structural elements are at risk of failure in the near future.

This project was specifically added to the Comprehensive Plan because of its importance to the community. Additional tideland was not needed when the project was first considered, however changes were made to the plan to meet current and future needs of the small boat harbor.

As part of the City's application to acquire the tidelands from the State of Alaska, City Council approved Resolution 2021-81 to acquire tide and submerged land from the State of Alaska. The

resolution was an application requirement. The State of Alaska's Department of Natural Resources Division of Mining, Land and Water is currently reviewing the application.

ALTERNATIVES: Section 8.12.190 (D) (2) outlines potential Council actions as follows: The City Council may accept the recommendation of the Planning Commission or approve a modification to the recommendation of the Planning Commission. City Council can also reject the Planning Commission's recommendation.

FINANCIAL IMPLICATIONS: None at this time

LEGAL: The Zone Amendment request is proceeding in accordance with City Code. City council must hold two readings of the proposed ordinance and a public hearing prior to taking any action on the zone change request. This matter is not an emergency.

STAFF RECOMMENDATION: Staff recommends the Council accept the Planning Commission's recommendation and adopt Ordinance 2022-13, rezoning the property from Unzoned Tidelands to Developable Tidelands District.

PROPOSED MOTION: I move to schedule Ordinance 2022-13 for public hearing and second reading on August 9, 2022.

CITY MANAGER COMMENTS: I support staff's recommendation.
