#### CITY OF UNALASKA UNALASKA, ALASKA

#### RESOLUTION 2022-41

A RESOLUTION OF THE UNALASKA CITY COUNCIL SUPPORTING FULL FUNDING FOR THE STATE OF ALASKA MUNICIPAL HARBOR FACILITY GRANT PROGRAM IN THE FISCAL YEAR 2024 STATE CAPITAL BUDGET IN THE AMOUNT OF \$8,236,815

WHEREAS, the majority of the public boat harbors in Alaska were constructed by the State during the 1960s and 1970s; and

WHEREAS, these harbor facilities represent critical transportation links and are the transportation hubs for waterfront commerce and economic development in Alaskan coastal communities; and

WHEREAS, the harbor facilities in Alaska are ports of refuge for ocean going vessels, and serve as essential transportation hubs to coastal Alaskan communities for supplies, trade in goods and services and connections to the world market for our exports and imports; and

WHEREAS, the State of Alaska over the past nearly 30 years has transferred ownership of most of these State-owned harbors, many of which were at or near the end of their service life at the time of transfer, to local municipalities; and

WHEREAS, the municipalities took over this important responsibility even though they knew that these same harbor facilities were in poor condition at the time of transfer due to the state's failure to keep up with deferred maintenance; and

WHEREAS, consequently, when local municipal harbormasters formulated their annual harbor facility budgets, they inherited a major financial burden that their local municipal governments could not afford; and

WHEREAS, in response to this financial burden, the Governor and the Alaska Legislature passed legislation in 2006, supported by the Alaska Association of Harbormasters and Port Administrators, to create the Municipal Harbor Facility Grant program (AS 29.60.800); and

WHEREAS, the Department of Transportation and Public Facilities utilizes a beneficial administrative process to review, score and rank applicants to the Municipal Harbor Facility Grant Program, since state funds may be limited; and

WHEREAS, for each harbor facility grant application, these municipalities have committed to invest 100% of the design and permitting costs and 50% of the construction cost; and

WHEREAS, the municipalities of the Sitka, Whittier, and Wrangell/Meyers Chuck have committed to contribute \$8,236,815 in local match funding for FY24 towards harbor projects of significant importance locally as required in the Harbor Facility Grant Program; and

WHEREAS, completion of these harbor facility projects is dependent on the 50% match from the State of Alaska's Municipal Harbor Facility Grant Program; and

WHEREAS, during the last fifteen years the Municipal Harbor Facility Grant Program has only been fully funded twice; and

WHEREAS, a survey done by the Alaska Municipal League of Alaska's ports and harbors found that from the respondents, the backlog of projects necessary to repair and replace former State-owned harbors has increased to at least \$500,000,000; and

WHEREAS, given that Alaska is a maritime state and that our harbors are foundational to both our way of life and the economy of this great State it is in the public's best interest to maintain this critical infrastructure by using State, Local and Federal funds to recapitalize the crucial harbor moorage infrastructure statewide.

NOW THEREFORE BE IT RESOLVED that Unalaska City Council urges full funding in the amount of \$8,236,815 by the Governor and the Alaska Legislature for the State of Alaska's Municipal Harbor Facility Grant Program in the Fiscal Year 2024 State Capital Budget in order to ensure enhanced safety and economic prosperity among Alaskan coastal communities.

PASSED AND ADOPTED by a duly constituted quorum of the Unalaska City Council on October 25, 2022.

Vincent M. Tutiakoff, Sr. Mayor

# **MEMORANDUM TO COUNCIL**

To:	Mayor and City Council Members
From:	Peggy McLaughlin, Port Director
Through:	Erin Reinders, City Manager
Date:	October 25, 2022
Re:	Resolution 2022-41: Supporting full funding for the State of Alaska Municipal
	Harbor Facility Grant Program in the Fiscal Year 2024 State Capital Budget in
	the amount of \$8,236,815

**SUMMARY**: This Resolution is a resolution of support. The Alaska Association of Harbormasters and Port Administrators is asking that its membership solicit support from their municipal councils and assemblies to accompany the AAHPA's request to the Alaska State Legislature to continue funding the Harbor Facilities Grant Program. This program is not only vital to provide necessary services to mariners, but also has a cascading benefit for the economy through construction services and revenue streams for municipalities through harbor facility enhancements. This resolution, if passed, will become part of the packet of support provided to the Alaska State Legislature.

**PREVIOUS COUNCIL ACTION:** A Resolution of Support for the Harbor Facilities Grant Program is requested annually from the Unalaska City Council. The last resolution passed was Resolution 2022-82 on December 28, 2021.

**BACKGROUND**: In 2006, the State of Alaska established the Harbor Facility Grant Program to help fund the maintenance and replacement of aging harbor facilities, with an emphasis on facilities that were turned over to municipalities by the State.

**DISCUSSION**: The Harbor Facility Grant Program was established to support municipalities with repair, maintenance and replacement of aging harbor facilities. The harbor facilities that take priority are the facilities that were previously owned by the State of Alaska, but were turned over to municipalities. However, all harbor facilities are eligible to apply to this program.

This grant program represents no less than a 100% match to the State's contribution or 50% of the project and the municipality must fund all design and permitting, as well as uplands development. This program has been instrumental to the economic development of the State by providing safe and secure mooring locations for mariners that navigate in and around some 33,000 miles of coastline.

Unalaska benefited from this program in 2015 through the State contribution of \$1,570,000 for the replacement of the Discovery Float at Robert Storrs Harbor. We intend to reapply for this grant program in the future for the replacement and upgrades to Robert Storrs A and B Floats.

This program has allowed communities to build revenue streams through the development of harbor facilities which, without the State's contribution, would have been abandoned or demolished.

By passing this resolution, the City of Unalaska will be supporting not only the Harbor Facility Grant Program, but all other coastal communities that provide mariners, maritime industries and the State of Alaska with vital services.

The Alaska Association of Harbormasters and Port Administrators stands unified in seeking ongoing funding from the State of Alaska through this program, and we are asking our local councils and assemblies to support the Association in its endeavors to receive funding for this necessary infrastructure.

### ALTERNATIVES:

- 1) Council could fully support Resolution 2022-41; or
- 2) Council could choose to not support Resolution 2022-41 as written; or
- 3) Council could offer up another Resolution in lieu of the resolution prepared by the Alaska Association of Harbormasters and Port Administrators.

**<u>FINANCIAL IMPLICATIONS</u>**: This Resolution implies no financial obligation to the City of Unalaska.

**LEGAL**: Not applicable.

**STAFF RECOMMENDATION:** Staff recommends adopting Resolution 2022-41.

**PROPOSED MOTION:** This is a consent agenda item and will be included in the motion to adopt the consent agenda. If the item is moved to the regular agenda for discussion, the proposed motion is: I move to adopt Resolution 2022-41.

<u>CITY MANAGER'S COMMENTS</u>: I recommend approving this resolution as a show of support for the many necessary harbor improvement projects around the State, including those in Unalaska.

# **MEMORANDUM TO COUNCIL**

To: Mayor and City Council Members

From: Chris Hladick, City Manager

Date: October 25, 2022

Re: <u>Ordinance 2022-19</u>: Amending Title 3, Personnel, to add a longevity bonus, make executives eligible for the longevity bonus, provide latitude to the City Manager to hire above the midpoint of the wage range, and to increase moving expenses available to new employees

**SUMMARY:** This ordinance amends a few provisions of Title 3, Personnel, in order to (1) add a longevity bonus for unrepresented employees, including department directors; (2) to increase moving expenses available to new employees; and (3) to provide the city manager latitude to hire new employees above the midpoint of the range. A companion budget amendment, Ordinance 2022-20, is also being presented this evening to fund the longevity bonus and provide a 10% wage increase for unrepresented employees. Staff recommends approval.

**PREVIOUS COUNCIL ACTION:** The most recent amendments to Title 3 were:

- Ordinance 2021-18, adopted December 14, 2021, amended 3.44.06 to add Juneteenth National Independence Day as an annual floating city holiday beginning calendar year 2022 and making minor descriptive edits
- Ordinance 2020-01, adopted March 10, 2020, amended chapters 3.44.020, and 3.44.030 (C) and (D), clarifying overtime approval requirements and specifying employees receiving overtime compensation for working on holidays
- Ordinance 2019-10, adopted September 10, 2019, is the most significant amendment to Title 3 in recent years, and amended chapters 3.04, 3.08, 3.12, 3.16, 3.20, 3.24, 3.28, 3.32, 3.36, 3.40, 3.44, 3.48, 3.52, 3.56, and 3.60 and adopted a new chapter 3.22.

**BACKGROUND**: Earlier this year Council approved collective bargaining agreements with three units of IUOE Local 302. Changes to wages and benefits for our unrepresented Title 3 employees have, in the past, followed the IUOE 302 CBAs. The longevity bonus is proposed for unrepresented employees because of a similar benefit provided to PSEA and IUOE 302 employees. Also proposed is a 10% wage increase, which is funded in the accompanying budget amendment, Ordinance 2022-20.

Increasing moving expense and allowing the hiring wage to be above midpoint are proposed to assist with recruitment of new employees. In addition, the ability to hire above midpoint will offset not adjusting the wage scale at this time. There are many positions that have proved challenging to fill, and it is increasingly difficult to attract people to move to Unalaska for City jobs when there are no candidates available locally.

A comprehensive rewrite and reorganization of Title 3 is in process, but these changes are needed immediately.

### DISCUSSION:

### SECTION 2 3.60.140 LONGEVITY BONUS

This section of the ordinance adds a longevity bonus for all unrepresented city employees: \$2,000 on the 3<sup>rd</sup> anniversary; \$4,000 on the 5<sup>th</sup> anniversary; \$10,000 on the 10<sup>th</sup> anniversary; and \$2,000 annually on each subsequent employment anniversary. Part-time employees will be provided a longevity bonus based on the full-time equivalent of their position. Current employees who are between anniversary years will be paid the bonus consistent with the anniversary they most recently achieved. Employees who have had multiple periods of employment with the city will not be allowed to add those years together for calculation of the longevity bonus. Their most recent appointment period will be used to determine eligibility for the bonus. The longevity bonus is to reward non-represented employees for their years of service at important milestone years. This will also bring parity with the PSEA and IUOE 302 CBAs.

#### SECTION 3 3.56.030 COMPENSATION

This section makes executives (department directors) eligible for the longevity bonus, as are all other unrepresented employees.

#### SECTION 4 3.40.050(A) HIRING WAGE RANGE

This section of the ordinance amends and reorganizes the paragraph related to the hiring wage range. The pay range matrix is not changing at this time and the ability to hire above midpoint for non-executive, non-represented employees will allow us to be competitive in the marketplace with our starting salaries.

#### SECTION 5 3.60.060(A) MOVING EXPENSES FOR NEW EMPLOYEES

Paragraph (A) increases the moving expense from a cap of \$5,000, to \$10,000, and states that the HR Manager and the hiring Department Director determine the amount of the moving expense based upon the candidate's needs. This increase is required to meet the increases in shipping, mailing and other variables related to the movement of household goods and vehicles to Unalaska.

Paragraph (B) requires repayment of moving expenses should the employee voluntarily leave employment before a year. The amendment prorates the repayment based on the number of months of employment. Proration provides a fair and more standard method of moving expense repayment.

**<u>ALTERNATIVES</u>**: Council may choose to adopt the ordinance as presented, or to make amendments before adoption. Council may also choose not to proceed with this amendment to code, in which case unrepresented employees will continue unequal pay and benefits as compared to their represented coworkers.

**<u>FINANCIAL IMPLICATIONS</u>**: The financial implications for the longevity bonus are covered in the accompanying budget amendment. There is no a way to accurately project increased moving

expenses for FY23 at this time. We don't know how many employees may be hired from offisland, or the amount of a particular employee's moving expense need. If the additional moving expenses cannot be absorbed within a departmental operating budget, a future budget amendment may be necessary.

**LEGAL**: This ordinance has been reviewed and edited by the City Attorney.

**STAFF RECOMMENDATION:** Staff recommends approval.

**PROPOSED MOTION:** I move to introduce Ordinance 2022-19 and schedule it for public hearing and second reading at Council's first meeting in November.

<u>CITY MANAGER COMMENTS</u>: I recommend approval. These changes mimic what has been done in other city contracts, so it's only fair to include these in Title 3.

ATTACHMENTS: None.

## **MEMORANDUM TO COUNCIL**

To:	Mayor and City Council Members
From:	Clay Darnell, Interim Finance Director
Through:	Chris Hladick, Interim City Manager
Date:	October 25, 2022
Re:	Ordinance 2022-20: Creating Budget Amendment #3 to the Fiscal Year 2023
	Budget to fund increases in wages, fringe benefits and associated State of Alaska
	PERS contributions for unrepresented employees

**SUMMARY:** This budget amendment funds a 10% wage increase and the addition of a longevity bonus for unrepresented Title 3 employees. The total cost to the City for this implementation is \$589,406. The cost to each department is itemized on the spreadsheets attached to the Budget Amendment.

**PREVIOUS COUNCIL ACTION:** Council annually adopts the City's operating budget, which includes funding for wages, merit increases and the employee benefit package.

In 2013, the City commissioned a comprehensive Compensation and Benefits Analysis, the result of which was an update of the classification and pay range matrix, and Council amended Title 3 by Ordinance 2013-16 on December 17, 2013.

In 2019, Council adopted Ordinances 2019-10, updating provisions of Title 3, which included a 4.5% cost of living adjustment to the pay range matrix. An accompanying ordinance (2019-11) was also adopted to fund increased pay and benefits (along with funding for IUOE 302 CBA changes). These ordinances were adopted on September 10, 2019.

**<u>BACKGROUND</u>**: Title 3 compliments the CBAs for most employees, but Title 3 is the only governing document for unrepresented employees.

Unalaska Municipal Code Section 3.40.020 states that the City Manager shall periodically, but not less often than every four years, review the pay plan and make a report to City Council with a recommendation regarding the necessary changes to keep the pay plan current. The pay range matrix was last updated in 2019.

City staff performed an internal review of the current Title 3 compensation and benefit levels for unrepresented employees, particularly in light of the recent IUOE 302 CBAs. The City Manager proposes a 10% wage increase for current employees, the addition of a longevity bonus, as well as commissioning a comprehensive compensation and benefits analysis in order to advise of any changes needed to the pay range matrix.

**DISCUSSION**: The cost of \$589,406 fully implements the 10% wage increase and the longevity bonus for unrepresented employees for FY23. The longevity bonus is covered in the Title 3 ordinance change (Ordinance 2022-19). These changes are effective July 1, 2022.

**<u>ALTERNATIVES</u>**: Council could choose to amend, or not to fund the salary and benefit increases.

**FINANCIAL IMPLICATIONS**: The cost to the City is \$589,406. The cost to each department is itemized on the attached Budget Amendment Spreadsheet.

**LEGAL**: Staff consulted the City Attorney during the development of the accompanying changes to Title 3. There was no legal consultation regarding the budget amendment.

**STAFF RECOMMENDATION:** Staff recommends approval.

**PROPOSED MOTION:** I move to introduce Ordinance 2022-20, and schedule it for public hearing and second reading at Council's first meeting in November.

<u>CITY MANAGER COMMENTS</u>: I recommend approval of the increase to be fair across the board. However, the city needs to do a compensation study in the near future to address internal concerns and external forces effecting hiring and retention.

A RESOLUTION OF THE UNALASKA CITY COUNCIL TO THE NATIONAL OCEANIC & ATMOSPHERIC ADMINISTRATION IN SUPPORT OF THE EXCLUDING COMMERICAL FISHERIES MANAGEMENT FROM THE OBJECTIVES IN THE POTENTIAL ESTABLISHMENT OF THE HEART OF THE OCEAN MARINE SANCTUARY OFF THE COAST OF ST. PAUL ISLAND IN THE BERING SEA

WHEREAS, the City of Unalaska, location of the International Port of Dutch Harbor, has for 25 years been the nation's number one commercial fishing port in terms of volume of the catch (700-800 million pounds landed annually), and the number two port in terms of value of landings during the same period (\$200 million ex-vessel value range annually); and

WHEREAS the Bering Sea Pollock fishery is the nation's largest fishery, with annual harvests of more than 3 billion pounds, and is the nation's most valued fishery, with annual ex-vessel value of over \$400 million, and a first wholesale value of \$1.2 billion; and

WHEREAS, commercial fishing is the only industry in Unalaska and the onshore and offshore fisheries are of critical importance to Unalaska's harvesters, processors and support sector businesses, which supply the revenue and employment that is the economic engine for the entire community; and

WHEREAS, without knowing the proposed location or the number of square miles that could be included in the proposed marine sanctuary, it is very troubling and of great concern for Unalaska and the commercial fishing industry we depend upon for our economic livelihood; and

WHEREAS, Unalaska is a remote Island community, population 4,200, located in the middle of the Aleutian Islands, 800 miles west of Anchorage and not connected to the road system; all travel off Island by is by air or sea; and

WHEREAS, it is of critical importance to Unalaska and to other fishery dependent communities in the Bering Sea region that establishment of a marine sanctuary be fully vetted by the rules and procedures under the Magnuson Stevens Act (MSA); and

WHEREAS, the MSA based management process allows stakeholder input through hearings and deliberations by the North Pacific Fishery Management Council, which works in concert with the State of Alaska, with guidance and expertise from National Marine Fisheries Service; and

WHEREAS, the City of Unalaska requests NOAA's support in excluding commercial fisheries management from the outlined objectives of any marine sanctuary management plan should it advance to a proposed or final designation.

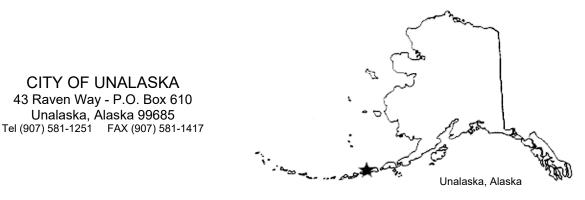

NOW THEREFORE BE IT RESOLVED that the Unalaska City Council does not support the formation of the Heart of the Ocean Marine Sanctuary off the coast of St. Paul Island unless it excludes commercial fisheries management from the outlined objectives of any marine sanctuary management plan.

PASSED AND ADOPTED by a duly constituted quorum of the Unalaska City Council on October 25, 2022.

Vincent M. Tutiakoff, Sr. Mayor

ATTEST:

Marjie Veeder, CMC City Clerk

October 25, 2022

The Honorable Rick W. Spinrad, Administrator National Oceanic and Atmospheric Administration (NOAA) Undersecretary for Oceans & Atmosphere 1401 Constitution Ave N.W. Washington, DC 20230

Dear Undersecretary Spinrad:

The Unalaska City Council is writing to express our great concern and trepidation as NOAA considers the establishment of the Heart of the Ocean Marine Sanctuary off the coast of St. Paul Island in the Bering Sea.

The City of Unalaska, location of the International Port of Dutch Harbor, has for 25 years been the nation's number one commercial fishing port in terms of volume of the catch (700-800 million pounds landed annually), and the number two port in terms of value of landings during the same period (\$200 million exvessel value range annually).

The Eastern Bering Sea Pollock fishery is the nation's largest fishery, with annual harvests of more than 3 billion pounds, and is the nation's most valued fishery, with annual ex-vessel value of over \$400 million, and a first wholesale value of \$1.2 billion.

This critically important fishery is of the utmost importance to Bering Sea fishery dependent communities, the State of Alaska and the Nation. Without knowing the proposed location or the number of square miles that could be included in the proposed sanctuary, it is very troubling and of great concern for Unalaska. Both the onshore and offshore commercial fisheries are of critical importance to Unalaska harvesters and processors, and are the economic engine for the entire community.

The fisheries of the Bering Sea not only support the harvesters and processors located in the community, but also the at-sea processors that use Unalaska as their base of support for shipping millions of pounds of finished product through the International Port of Dutch Harbor, which is one of the busiest shipping ports in the Alaska.

Unalaska has a whole host of support sector businesses that depend on the commercial fishing industry for their livelihood. This includes marine repair and supply facilities, fuel suppliers, shipping companies, grocery stores, restaurants, school teachers, longshoreman, and City and State employees. Commercial fishing is the only industry in Unalaska and is of critical importance to Unalaska's harvesters, processors and support sector businesses, which supply the revenue and employment that is the economic engine for the entire community.

The success of this thriving community is due to the sustainably managed fisheries of the Bering Sea. We believe in the fishery management process that is in place, and do not want it changed. It is of critical

October 25, 2022 The Honorable Rick Spinrad Undersecretary for Oceans & Atmosphere NOAA Page 2

importance to Unalaska and to other fishery dependent communities in the Bering Sea region that establishment of a marine sanctuary be fully vetted by the rules and procedures under the Magnuson-Stevens Act (MSA) which is a transparent and science-based process that allows stakeholder input through hearings and deliberations through the North Pacific Fishery Management Council (NPFMC). The NPFMC is regarded as one of the nation's best fishery management councils and works in concert with the State of Alaska, with guidance and expert review from National Marine Fisheries Service. We realize that other activities and elements fall under the purview of the National Ocean Service, but request your support in excluding commercial fisheries management from the outlined objectives of any marine sanctuary management plan, should it advance to a proposed or final designation.

In closing, the City of Unalaska requests your support in excluding commercial fisheries management from the outlined objectives of any marine sanctuary management plan. The City of Unalaska also aligns our comments with those you have received from the Qawalangin Tribe of Unalaska, which will be properly consulted in the sanctuary development process, and the Ounalashka Corporation, the Native Village Corporation for Unalaska.

Thank you for consideration of our comments on this extremely critical issue.

Sincerely,

CITY OF UNALASKA
