## MEMORANDUM TO COUNCIL

---

---

To: Mayor and City Council Members  
From: Clay Darnell, Interim Finance Director  
Through: Chris Hladick, Interim City Manager  
Date: February 14, 2023  
Re: Resolution 2023-07: Approving the Council's Goals for the FY24 Budget

---

---

**SUMMARY:** This memo provides information regarding recommended FY24 Budget Goals. The FY24 Budget Goals are attached to the resolution and will be utilized to help direct the preparation of the budget once approved. Resolution 2023-07 formally adopts these budget goals. Staff recommends approval.

**PREVIOUS COUNCIL ACTION:** The City Council has reviewed budget goals at the beginning of each budget cycle since about 2002. The City Council considered the FY24 Budget goals during a work session at the January 27, 2023 Council meeting.

**BACKGROUND:** Much of what we do as a municipal government is legislatively or code driven. City staff will continue seek ways to perform our services to the community more efficiently, in an effort to reduce costs and increase our effectiveness.

**DISCUSSION:** The City Council Goals for the FY24 Budget are attached. Staff addressed the following key points on various issues impacting the budget goals on January 27:

***Personnel:*** In FY23, Council authorized a total of 171.96 full time equivalent (FTE) employees, which does not include the Natural Resource Analyst and the Building Inspector that were identified as authorized but unfunded positions.

Administration will have a more detailed discussion with the Council during the budget presentation regarding approval for any proposed new positions.

***General Fund Surplus/Deficit:*** Staff will work to develop a budget in which the General Fund will operate without a deficit. To accomplish this, and other related Council Budget Goals, Directors are working to limit increases to no more than 5%.

***Proprietary Funds:*** Staff will continue to review operating expenditures so as to budget and operate at a break-even point. However, increased revenue is most likely the only way proprietary fund budgets will operate without a deficit in the near term. City owned housing is used as an incentive for recruitment and retention, therefore, while we conservatively budget operations and renovations, a gap in funding will continue. In addition, the cost to operate the airport continues to increase faster than the revenue gains.

***Operating Expenses:*** Although the goal is set at a maximum increase of 5% for non-personnel expenses, the Directors will prepare their proposed budgets understanding any non-personnel increases will have to be justified and evaluated to ensure that the level and quality of services to the public is maintained or improved. Certain departments may request one-time increases in order to purchase items that do not qualify as a capital purchase, but would otherwise not be purchased at their existing operating budget levels.

As described in the previous goal, this will be the fourth year in a row where staff has been charged with reducing costs wherever possible, while at the same time striving to maintain the level of service the community has come to know and expect. Staff has been able to do so while also experiencing an overall rise in prices of goods and services. The 5% increase in this goal is related to inflation. Generally speaking, our operating budgets have not, and are not this year, fully accounting for inflation.

**Capital Projects:** The CMMP is currently being developed. A presentation of the initial draft projects, with a special focus on FY24, was provided to Council at the January 27 meeting. Projects proposed for FY24 are focused on maintaining our current infrastructure and continuing currently funded projects. The draft CMMP will be discussed again at a future Council meeting.

**Revenues:** Projected FY24 General Fund revenues were presented on January 24, 2023. Council considers the property tax millage rate annually as part of the budget process. Projected revenues for the Proprietary Funds will be presented along with the draft budget later in the budgeting process.

**Debt Service:** As Council is aware, the City has incurred debt in the Ports Fund for the UMC, Positions 3 and 4 Project.

**ALTERNATIVES:** Various alternatives exist. As Staff traverses the budget process we will seek ways to perform our work more efficiently in an effort to reduce costs and increase our effectiveness.

**FINANCIAL IMPLICATIONS:** Financial implications will be brought forward during the budget presentations.

**LEGAL:** None.

**STAFF RECOMMENDATION:** Staff recommends approval of the FY24 Budget Goals through Resolution 2023-07.

**PROPOSED MOTION:** I move to adopt Resolution 2023-07.

**CITY MANAGER COMMENTS:** I support Staff's Recommendation.
