I. EXECUTIVE SUMMARY

A. Executive Summary: Our mission is to *inform, educate, entertain, and engage* and we've been striving to meet our mission in Unalaska for 39 years. Unalaska Community Broadcasting (KUCB) began as the media branch of the City of Unalaska, which managed a local access television station. We have since developed into a provider of news and information, which we distribute over television, radio, web, and social media. KUCB is seeking City of Unalaska Community Support Program funding to help us continue to provide crucial news and informational services to the community.

KUCB has a strong commitment to our mission and we constantly adjust our services to meet the needs of our community. This was exemplified during the COVID-19 pandemic when we added health updates, virtual arts and culture events, radio theatre, live public meetings, fundraisers, and distance delivery education. As we move into a new era in Unalaska of increased internet capabilities, we are working to reach our audience on new platforms and in new ways.

KUCB addresses the following community needs:

- Our news staff responds to the high volume of news in our community, and provides frequent online and over the air coverage.
- We are responsive to community concerns; producing public affairs programs when appropriate. These are often programs that allow community members to ask questions.
- We are a centralized information source for Unalaska, publicizing emergency, health, safety, weather, and community events information.
- We provide the only locally originated broadcast radio and television services in Unalaska.
- We offer training for youth and adult volunteers in audio and video production skills and opportunities to broadcast their projects.
- We maintain a library of Unalaska's audio and video history, for 39 years and counting.

By bringing important news and information to our community, our services unquestionably enhance the education, health, safety, and quality of life in Unalaska.

In FY24 Unalaska Community Broadcasting, with full support of the KUCB Board of Directors, requests \$115,500 from the City of Unalaska. Funds will be used on administrative and fundraising expenses. Specifically, city funds will pay a portion of the general manager salary, benefits, and payroll expenses; a portion of the wages for our arts and culture producers; janitorial, telephone, and insurance for our office facility in the Burma Road Chapel; fundraising and development overhead; and administrative costs of bookkeeping, postage, and office supplies.

We are asking for a \$6,500 increase over FY23. This represents a 6% increase in order to help offset inflation and cost of living increases.

II. ORGANIZATIONAL INFORMATION

- **B.** Organization Description: We strive to meet our mission to inform, educate, entertain, and engage by providing news and arts and culture programming for Unalaska and the Aleutian Region. Content production is a central part of what our staff does every day. KUCB is an integral partner in emergency alert procedures, and we participate in community-wide safety drills in order to make KUCB a central player in emergency preparedness. We provide immediate messaging in the case of a tsunami warning, extreme weather, breaking news events, and road and facilities closures. We see our role as a conduit, and we currently distribute information over the following platforms:
 - KUCB Channel 8 TV
 - KUCB 89.7 FM
 - KUCB.org
 - Social media including YouTube, Facebook, Twitter, and Instagram
 - New in 2023, we now podcast news programming over Spotify and Apple Podcasts
 - State-wide public media outlets including Alaska Public Media and 360North TV
 - Nationwide organizations including National Public Radio

In addition to producing local content, we provide Unalaska with syndicated programming over KUCB 89.7 FM, and our KSKA FM 91.1 translator.

- C. Organization History & Experience: Our organization got its start when the City of Unalaska decided to transfer media production out of the Parks, Culture, and Recreation department to a local nonprofit. In 1984, our founders created a 501 (c) 3 charitable organization known at the time as Unalaska Community Television. A radio repeater station had already been on the air since 1976, and local access television since 1978. UCTV launched a second radio signal in the form of an NPR translator station over FM 91.1 in 1991. In 1996, our name was changed to Unalaska Community Broadcasting to better reflect the broad range of services we provide. In 1998, our organization hired its first news reporter, and began to provide local news content. In 2009 we replaced KIAL with KUCB 89.7 FM, a full-powered FM station for Unalaska. The sound quality and signal strength of our radio service drastically improved with this upgrade. We launched our online presence in 2009 and since then we have provided on demand local news, and the most comprehensive community calendar in town, which is used by all non-profits and service organizations. Starting in 2023, KUCB newscasts are provided as podcasts over Spotify and Apple Podcasts. The continued development of service delivery exemplifies our ability to proactively adjust distribution of news and information using evolving platforms. We are responsive to community needs, and we meet our audience wherever they find information.
- **D.** Community Relevance: We are Unalaska's centralized information source, and in order to fill this vital role, we coordinate with every agency in Unalaska. We provide crucial information on local service providers, items for sale, and upcoming events. We work with Public Safety to publicize emergency alerts, and staff is on call 24 hours a day for this purpose.

We are the only media organization based in Unalaska, and because our services are received free of charge, they differ from those provided by other news agencies. We maintain a strong relationship with

the local cable company, and we provide them with our Channel 8 signal so that cable subscribers have access to local content. Starting in FY21, we increased collaboration with the region's newspaper and we now sell our news stories to the Bristol Bay Times, which brings additional financial stability to the station and expands our reach.

We are a well-respected statewide news organization. KUCB is a member of Alaska Public Media and they distribute our stories statewide. We also work with the Anchorage Daily News, sharing content and assisting ADN reporters with Aleutians coverage.

- E. Program/Service Delivery: KUCB has a long history of providing public media in Unalaska. Changes in technology have expanded available platforms for the news and information that our organization provides, and we monitor trends in order to reach our audience wherever they find information. A clear workflow allows us to manage a great deal of content with a small staff and we do as much as we possibly can with the resources available.
 - We are a part of a consortium of public media stations called CoastAlaska. They handle financial work including: accounts payable and receivable, reporting, and payroll. This partnership allows local staff to focus on content.
 - CoastAlaska also provides engineering and IT support. Engineers have remote access to our equipment and they make annual trips to Unalaska.
 - Our news reporters provide news and public affairs programming on all of our platforms (TV, radio, and the web). They write and research local news, produce newscasts for broadcast, update our online platforms, bring Unalaska's news to a statewide audience, and provide broadcasts of municipal meetings.
 - Multimedia producers create music and entertainment programming, develop content for web and social media, compile health and wellness information, organize live sports coverage, and contribute arts and culture reporting.
 - Staff and volunteers fall under the leadership of our General Manager, who also takes the lead on program development, fundraising, radio and television operations, volunteer training, and events.
 - KUCB has local DJs on the air seven days a week.
 - All staff and board members assist with fundraising and special events.

Staff members at KUCB are required to have a tremendous amount of schedule flexibility, a varied skill set, and the ability to multi-task. Through teamwork, extensive use of volunteers, and efficient staffing patterns, KUCB provides a remarkable amount of communications services and effectively fulfills our station mission.

Director/Staff/Volunteer Training: Our current Director, Lauren Adams, has been on staff since 2002. She worked in both the television and radio stations prior to being promoted to the position of General Manager in 2006. Hiring from within the organization provided institutional knowledge and training that has served KUCB well. Lauren actively pursues professional development opportunities. She's currently concluding a year-long program with the Poynter Institute called the Digital Transformation Project with the goal of improving KUCB's digital presence. In 2017, she joined the Foraker Group's Catalyst for Non-profit Excellence, a three-month program designed to develop leaders in the non-profit sector. She also attends three days of manager training every year through the statewide network of public radio

stations. She serves on the Alaska Public Radio Network journalism advisory council and the Alaska Rural Communications Service council. All of these organizations provide support and networking opportunities.

Everyone on KUCB's payroll is required to complete annual harassment prevention training, and this is provided online through a platform provided by the Corporation for Public Broadcasting.

Staff also trains to improve their skills in journalism and production. News staff is back to in-person training this year, with Alaska Press Club and the Alaska Center for Excellence in Journalism conference coming up in April. News staff works daily with editorial staff around the state. CoastAlaska provides a regional news director and Alaska Public Media holds weekly editorial meetings. We rely on statewide support to assist with challenging stories, and to edit content. Starting in FY22, we host a Report for America journalist who receives frequent training and assistance through the RFA program. In FY22 Kanesia McGlashan-Price, an arts and culture producer at KUCB, was included in the Alaska Native Filmmakers Intensive training. This program aims to help Alaska Native storytellers expand into digital media production.

- **F. Director & Staff Evaluation:** Evaluation of staff is conducted annually. The Board of Directors last evaluated the GM in February of 2022 and has this year's evaluation scheduled for February of 2023. The General Manager evaluates staff members annually, around their date of hire.
- **G. Governing Body/Board:** The KUCB Board sets goals and objectives for KUCB, reviews financial reports, reviews and sets policy on financial and personnel matters, and participates in fundraising and community outreach projects. The Board of Directors holds meetings on a monthly basis and conducts an annual self-evaluation. The Board performed a self-evaluation in April of 2021 and their next self-evaluation is scheduled to take place in April of 2022.

The board of directors is committed to training and education. They take advantage of community-wide training opportunities, and also work with broadcast-specific experts for board training. In FY23, KUCB board members attended three session taught by the Foraker Group. Every September our board recaps their roles and responsibilities and updates the organization's strategic plan.

Current Board Members:

Board Chair: Matt Lightner **Term Began:** January 2010

Vice Chair: Alysha Richardson Term Began: September 2013

Secretary/Treasurer: Lori Gregory

Term Began: June 2015

Board Member: Murray Buttner

Term Began: October 2020

Board Member: Thomas McLenigan

Term Began: September 2021

Board Member: Rose Sevilla **Term Began:** October 2013

Board Member: Brie McGrath **Term Began:** January 2023

I. Program Evaluation: Many of our goals are long-term directions for our organization. Therefore, the KUCB Board of Directors conducts careful review when financing, planning, and developing these goals. The board receives a written report from the General Manager before each board meeting, and the report details progress towards goals and objectives. The board reviews our full strategic plan annually.

We are fortunate to be a part of a larger consortium of stations because this allows us to have significant separation of duties. Financial reports are provided monthly by CoastAlaska accounting staff, including analysis of budget-to-actual variance reports, comparison of balance sheets to previous year, a cash flow report, and profit & loss statements for monthly and quarterly periods.

In an effort to evaluate our level of service to the community, the KUCB Board of Directors holds an annual Community Advisory Board meeting. The meeting brings together members of the public in order to receive formal communication from the community-at-large, and evaluate whether or not we are addressing the needs of our community.

The Board of Directors uses information gathered through all of these evaluation methods in order to augment goals and ultimately determine the best direction for the organization. Evaluation of progress made on goals also assists with the annual personnel evaluation of the General Manager.

III. PROPOSAL

J. Need: KUCB has received local grant funding since we split off from the City of Unalaska and became an independent nonprofit in 1984. The City has historically funded us in order to bring crucial news and information to the community. In the coming year, we will continue to rely on City of Unalaska funding.

Longtime operational grants also include federal funding (through the Corporation for Public Broadcasting) and state funding (through the Alaska Public Broadcasting Commission). Unfortunately, state funding was eliminated by the governor in 2019. Each year since then, funding is added back into the budget by the legislature and vetoed by Governor Dunleavy. We are hopeful that the funding will be restored in the future.

In the meantime, KUCB has diversified our funding stream. We have been very successful with new grants to fund reporting positions including ProPublica and Report for America. We have also increased cash income by selling news content and providing production work for hire. We've reduced our broadcasting costs down to the lowest possible levels.

City of Unalaska funding is essential to our organization's core services and in FY24, we plan to spend city funds on administrative and fundraising expenses.

K. Target Population: Since KUCB opened our doors in the 1980s, Unalaska has grown to become the 12th largest community in the state, and Dutch Harbor one of the top fishing ports in the nation. Unalaska is a booming port and hub community, and KUCB is an essential conduit of information. We're the source of emergency alerts, local news, weather, health information, classifieds listings, details on upcoming events, and more. We exist to serve our core audience: the community of Unalaska.

Unalaska's status as a regional hub and a busy fishing port has increased the relevance of our news content outside of the community. KUCB news stories are picked up several times a week on statewide programs, and are occasionally heard on National Public Radio as well. KUCB.org gets thousands of hits each week from individuals all over the world. Web metrics show that KUCB's breaking news stories can reach over 30,000 people in the first 24 hours. We are the boots on the ground in the case of local breaking news, and we take our job as the only media organization based in the Aleutian region very seriously.

Most visitors come to our website in search of news, but they also find other content including obituaries, event coverage, and school updates. Other popular features include the community calendar, classified listings, and job postings. Our website includes on-demand content such as recordings of our newscasts. KUCB.org also offers live web streaming which allows volunteers to share their radio shows with friends around the world, and for Raider fans to tune in for coverage of a high school sports events.

Our community is in the midst of big changes and development. In times like these the importance of local news and information only increases. We appreciate that the City of Unalaska values our role in the community and continues to fund the essential programming that we provide.

- L. Proposal Description/Proposed Project: We are applying for funding for administrative costs and fundraising overhead associated with operating public media stations in Unalaska. Without an administrative infrastructure, the services that our community relies on simply would not exist. Our community's rapid change and development increases the need for:
 - Local news content
 - Community calendar and public service messages
 - Health and safety information
 - Volunteer training
 - Government accountability and transparency through broadcast/streaming of municipal meetings

As our target population – the community of Unalaska – has changed and expanded, we have shown our ability to adjust to the trends. Our community now sits on the brink of fiber connectivity and high-speed internet and we recognize that the need for terrestrial broadcasts is reduced now that we have reliable internet access. However, the need for accurate information and a trusted news source is more essential than ever and we continue to adjust service delivery to meet KUCB's audience online.

M. Goals & Objectives: Unalaska Community Broadcasting's Board of Directors updated their strategic plan in 2020. The two goals below are a part of that plan and they build upon goals from previous years.

Goal 1: *Build the internal capacity of KUCB operations.*

• **Objective 1.1:** Purchase and install equipment for studio power backup and increased remote connectivity for a backup studio location.

Timeline: FY24

Impact: We currently have power backup at the transmitter location, but when our studio is offline we have dead air. We need backup power at the studio end, as well as the ability to broadcast from a secondary location. During FY23 we plan to secure funding for this project through FEMA funds distributed by the Corporation for Public Broadcasting. In FY24 we plan to move forward with the installation phase of this essential project.

• **Objective 1.2**: Evaluate distribution of KUCB video content and plan for the future of Channel 8 TV.

Timeline: FY24

Impact: With the arrival of fiber connectivity in Unalaska and the reduced use of cable television, our organization needs to explore new methods of distribution of video content and provide a Channel 8 feed online. We recently launched digital television and we would also like to explore the best way to make use of that signal.

• **Objective 1.3:** The KUCB board will hold a planning session in order to evaluate and update our organization's strategic plan.

Timeline: FY24

Impact: This last took place in 2020, and our organization is due for a strategic plan review, especially given the changes in data and internet speed in our community

Goal 2: More fully engage with our many communities so that more people feel "at home" with KUCB news and arts and culture programming.

• **Objective 2.1:** Ensure the voices and experiences of community members are reflected in KUCB's content for the foreseeable future and beyond.

Timeline: FY24

Impact: In FY22, staff moved forward with a source audit, a report on the make-up of the sources we use for news stories and the guests we have on air. The completion of source audits will be complete by the end of FY23 and this year we are actively working to diversify our sources by including more:

- Female and non-binary voices
- Voices from the general public
- Voices of people who identify as Alaska Native
- Voices of people who identify as Asian, who make up approximately 35% of our community, according to the 2021 census. As well as voices of Black, Latinx, and other underrepresented groups who make up the community

In the coming fiscal year, we want to see continued growth in all of these voices with an increased focus on youth and elder voices so that we are crossing a variety of age groups.

• **Objective 2.2:** Within a year we will have Unangam Tunuu fully incorporated and heard every day on the radio.

Timeline: FY24

Impact: In FY23, our goal was to focus on incorporating Unangam Tunuu and other Alaska Native languages in our programming and we did this through the addition of a video and online cooking show produced in collaboration with the Qawalangin Tribe. In FY24 we will build on this by holding language training for our full staff, and working in partnership with the Tribe to build additional language-based programming for KUCB. This objective is grounded in our desire to provide recognition of where are, and to honor the traditional stewards of the land where we are located.

Goal 3: Develop programs that help meet KUCB's core purpose to inform, educate, entertain, and engage.

• **Objective 3.1:** Finalize our plan for a 40th anniversary event and multimedia exhibition at the Museum of the Aleutians. This includes securing funding and compiling content.

Timeline: FY24

Impact: The collaborative exhibit will open in October of 2024. In FY24 we will finalize plans for the event, secure funding, and compile archival and new content for display. The exhibit will allow us additional outreach and awareness locally, and give the community better access to our digital archives.

N. Other Resources: KUCB benefits greatly from in-kind contributions. Annual rent of office and studio space in the Burma Road Chapel that is donated by the City of Unalaska. We also receive over 1,500 hours of volunteer time each year. Volunteers are trained to do the work of paid staff, with activities including producing radio shows and running cameras. Other volunteers give their time to UCB on fundraisers and special events.

Collaborations with local non-profits, the Unalaska City School District, the Qawalangin Tribe, and the City of Unalaska are always an integral part of our station's mission. Working together provides

programming for us, but it also results in successful outreach and sometimes fundraising income, for our partners. We are committed to continued community coordination as a station resource.

Our organization also collaborates closely with public media organizations around the state. We share content with other radio stations on a daily basis to fill out our newscasts and supplement our music programming. We are a part of a consortium of other public media stations called CoastAlaska and they provide administrative and engineering support to KUCB. The goal of station collaboration is to allow local staff to focus attention on quality programming and fundraising. Local funds continue to maintain KUCB, and the services that we provide here in Unalaska.

O. Program Budget Narrative:

Expenditures - Personnel

General Manager: This position leads our organization through supervision of staff, programming, engineering, capital project planning, fundraising, and administration of grants. Our General Manager has been employed by Unalaska Community Broadcasting since 2002, and in this position since 2006.

Multimedia Producers: Our producers use audio, video, and photography to create content for all of our platforms, including radio, TV, web, and social media. This includes arts and culture coverage, public service messages, updates to our community calendar, health programming, and weather forecasts.

News Reporters: Our reporters generate news and public affairs content for all of our platforms. They produce newscasts, and manage the Local News section of our website.

Intern: Each year we hire an intern to work at KUCB. We fund the position with an annual grant from the Alaska Broadcasters Association.

Employee Benefits: KUCB covers 90% of medical and dental insurance for all full-time employees. We also offer a retirement program for salaried full-time employees with a 4% employer match.

Payroll Expenses: This cost includes all mandatory employer taxes and workers compensation.

Expenditures – Programming & Production

Contract Labor – Production: We hire sportscasters to provide game play-by-plays when our local sports teams are on the road. We use volunteers or trade when possible. These funds also go to translations of our elections coverage and essential public service messages.

Production Costs: This covers public records requests, court document fees, and transcriptions.

Production Training/Travel: This expense covers travel for news coverage and training of production staff. Travel funds allow for our reporters to attend annual training in Anchorage. The cost of travel and lodging continues to rise, and we use travel trade when possible.

Music Library: We purchase new music on a weekly basis for our ever-expanding library.

Affiliation Fees: This line covers our network affiliation with Alaska Public Media as an annual licensing fee for the music we use in video and podcast productions.

Program Acquisition: These funds are used to pay for individual shows, allowing us to bring public radio programs to Unalaska. Our CPB grant restricts a portion of their funding for acquisition of public radio programming and we spend it on shows from National Public Radio, Native Voice One, and the Public Radio Exchange.

Expenditures – Technical

Interconnection: This covers use of a satellite to bring public radio content to Unalaska.

Contract Labor Technical: This line covers annual support contracts with our TV and radio automation system vendors, and allows us to access technical support professionals.

Technical Training & Travel: CoastAlaska engineers and IT staff come to Unalaska at least once a year for routine maintenance, projects, and troubleshooting. Their work is covered through our affiliation with CoastAlaska, but we budget a small amount to cover travel and lodging.

Computer Hardware: New computers and peripherals are shown here. We do our best to purchase hardware when we have additional project-based grant funding, but this line allows for emergency replacement or unplanned expansion.

Computer Software: This line covers virus protection subscriptions, use of Adobe audio and video editing software, and assorted administrative applications.

Internet Services: Our commitment to increased new media services requires a robust internet package. Internet costs also include hosting and maintenance of our website and our web stream.

Broadcast Equipment Purchase: Our budget allows for minimal equipment purchases for upgrades and replacements. Bigger projects are dependent on equipment grants.

Broadcast Equipment Maintenance: This covers repairs and maintenance of station equipment.

Expenditures – Development

Premiums: This line covers premiums for station pledge drives, such as sweatshirts and stickers. We saw a huge increase in the cost of premiums in FY23 and have increased this line significantly.

Special Events Expense: This cost covers event-related expenses such as event promotion, printing, and event supplies. We also purchase golf balls and equipment for our annual golf tournament.

Bulk Mail Postage: This line covers membership mailings and renewal notices.

Expenditures - Facilities

Rent: The City of Unalaska donates rental of studio and office space in the Burma Road Chapel. The City provided the rent value of the Burma Road Chapel, and it seems well below market value.

Automobile: We recently had a vehicle donated to the station and we use it for temporary and oncall employees as well as visiting engineers. Funds cover maintenance and licensing.

Janitorial: Our custodial contractor cleans our office and studio facilities twice a month.

Telephone: This cost covers office phone lines and long-distance land lines, and cellular service for on-call employees. This cost also covers live sports feeds that come in over a long-distance or teleconference connection.

Utilities: This cost includes electricity expenses to power our transmitters on Haystack Hill, and cable TV service to monitor our station.

Insurance: This cost covers General Liability Insurance and Directors & Officers Insurance.

Expenditures – Administration

Office Supplies: Office supplies include pens, pencils, paper, and ink.

Administrative Travel: This cost covers three trips for our General Manager to two CoastAlaska meetings and one conference.

Postage: This expense covers postage for day-to-day administrative operations.

Dues & Subscriptions: This covers dues to membership organizations including Alaska Broadcasters Association, the Alaska Press Club, and an annual fee to SoundExchange for music licensing. Our CoastAlaska membership fees are also included. CoastAlaska provides us with accounting, bookkeeping, human resources, grants management, financial oversight, audit and tax work, engineering, and newsroom support.

Board Expense: This covers one trip for one board member to a CoastAlaska meeting.

Legal: We work with an FCC attorney for filings of license renewals and other important documents.

Revenues – Fees for Services

Production Income: KUCB offers audio and video production services locally.

Rental Income: KUCB rents out equipment and rack space to businesses and individuals.

Sales Income: KUCB sells leftover premiums and obsolete equipment.

Revenues - Grants

City of Unalaska Community Support Grant: The Community Support Program is central to continued success KUCB. In FY24, City of Unalaska funds will be spent on the administrative expenses of operating public media in Unalaska. We are asking for an increase in the amount of \$6,500 to help offset inflation and cost of living increases.

Alaska Public Broadcasting Commission: We historically received funding from the State of Alaska. Unfortunately, it was vetoed by the governor in 2019. Since then, we apply for the funds annually and they are approved by the House and Senate before being line-item vetoed by the governor. We are hopeful that funding will be restored in the future.

Corporation for Public Broadcasting Community Service Grant: Each year, KUCB applies for a federal radio operations grant from the Corporation for Public Broadcasting. Funds are restricted to radio, and 26% of the grant funding has to be spent on public radio programming.

Other Grants: The Alaska Broadcasters Association offers \$1,000 to stations for intern stipends. This year we will also receive a grant through Report for America for hosting an RFA reporter. We actively seek other small grants throughout the year.

Revenues - Fundraising

Membership: We hold two membership drives each year and also participate in the Pick Click Give program.

Contributions: We receive cash donations outside of our membership drive program from businesses and individuals.

Underwriting: We offer local businesses the opportunity to sponsor programming. This line also includes the Channel 8 Community Bulletin Board, and our advertising monitor at the Tom Madsen Airport.

Special Events: Our biggest fundraising event is the Aleutian Tundra Golf Classic we also hold smaller events such as auctions, karaoke events, and film festivals.

Gaming: Our gaming permit allows us to sell pull-tabs, games of skill, and raffles. As other nonprofits have increased their gaming efforts we've stepped back on gaming but we make work to bring this back as an income source in the future.

Revenues - In Kind

In Kind Rent: The City of Unalaska provides us with studio and office space free of charge.

P. Financial Management: KUCB uses discrete accounting to code City of Unalaska funds — both revenues and expenses— so that we can carefully track funds within our accounting system. This allows us to spend the City grant as specified in our application and to accurately report on it. We are now part of a consortium of Alaska public media stations called CoastAlaska. They provide a team of administrative support personnel including a certified public accountant. CoastAlaska staff reports directly to the board every month with details on all of our accounts, and our progress meeting budget goals. They also reconcile all of our bank accounts on monthly basis. Separation of duties ensures financial accountability. CoastAlaska contracts with an independent auditor each year, and they review our books as well as our financial procedures. In order to assure financial accountability and transparency with our funders and our community, we post annual financial reports on our website.

IV. GOALS ANALYSIS/CHANGES FROM PREVIOUS YEAR'S PROGRAM

Q. Goals & Objectives: We have made progress on goals and objectives in FY23, and currently plan to expand the scope of some of our FY23 projects and extend them into FY24. We have also added several new objectives for the coming year.

GOAL 1. In FY22, our first goal was to build the internal capacity of KUCB operations. The main objective was to install digital transmission equipment but unfortunately supply chain issues meant that no transmitters that fit our specifications were available until early in FY23. That project is now complete and we were able to move on to the objective listed in our FY23 grant application: planning for backup power and increased remote connectivity. We are enthusiastically anticipating the release of funds from FEMA through the Corporation of Public Broadcasting, and we believe that the CPB will accept our grant application in the spring of 2023, fulfilling this objective. With this hurdle behind us, we will work with engineers to purchase backup power for our studio facility and install it by the end of FY24.

We have added two objectives for FY24: evaluation of video distribution and the role of Channel 8 television in the community, and the evaluation and update of our strategic plan. These objectives dovetail nicely, since the board of directors will ultimately choose the direction and focus of the organization and our services.

GOAL 2. Our second goal of FY23 was to *engage more fully with KUCB's many* "*communities.*" This goal is one of inclusion and diversity, in order to ensure that the voices and experiences of our community members are reflected in our content and events. The three objectives for FY23 were to:

- Expand coverage and contact with underserved and underrepresented communities within the service area. At midyear FY23 we continue to track the demographics of the sources we use for news stories and the guests. We are actively working to diversify our sources and evaluating progress on a quarterly basis. In FY24 we will additionally focus on diversity across age range, including more youth and elder voices.
- Focus on incorporating Unangam Tunuu and other Alaska Native languages in our programming. In FY23, our goal was to focus on incorporating Unangam Tunuu and other Alaska Native languages in our programming and we did this through the addition of a cooking show produced in collaboration with the Qawalangin Tribe. In FY24 we will build on this this important work by holding language training for our full staff, and working in partnership with the Tribe to build additional language-based programming for KUCB.
- Make an active recruitment effort resulting in a more diverse and inclusive board of directors. This objective will be complete by the end of FY23.

In our FY24 grant application, we have changed the wording of Goal 2 from *engage more fully* with KUCB's many communities to *engage with our many communities so that more people feel "at home" with KUCB*. We believe that this new wording shows our dedication to the long term: we are encouraging our audience to build relationships with KUCB that will last a lifetime.

GOAL 3. Develop programs that help meet KUCB's core purpose to inform, educate, entertain, and engage. In FY23 we started planning a multi-media exhibition in collaboration with the Museum of the Aleutians. We will continue this work in the coming year.

R. Significant Changes from Previous Year: Change is a constant part of operations at KUCB. We pay close attention to technological trends and the ways that our audience consumes media, and we continually develop our platforms in order to stay relevant and accessible. No longer just a radio and television station, we increasingly meet our audience online and through social media. We strive to connect Unalaskans with each other, the rest of Alaska, and beyond. For instance, in FY23 we changed the way that our recorded newscasts are delivered and we now distribute over Spotify and Apple Podcasts.

Our organization also changes due to funding opportunities and this has become more essential since total elimination of funding to public radio from the State of Alaska in FY20. In FY22, we began a partnership with Report for America. RFA placed a reporter at KUCB and they pay a portion of his salary for two years now. They will continue to fund reporter Theo Greenly for as long as he works for KUCB, and they will also fund a portion of another reporter's salary in the coming fiscal year.

We will continue to look for funding opportunities in order to provide essential news and information to our community.

City of Unalaska Community Support Program Attention: Grant Review Committee PO Box 610 Unalaska, Ak 99685

Dear Committee Members,

I am writing to express my support for the FY23 Community Support Grant Proposal submitted to the City of Unalaska by KUCB.

Alaska Public Media, the Alaska Public Radio Network and all of its member stations depend on the high-quality reporting contributed by KUCB on breaking news in your region, on fisheries and other important issues arising in Unalaska and the Bering Sea. As the only news provider based in Unalaska, KUCB is a crucial part of our system- and an important window on your community that is open to all Alaskans.

AKPM and APRN have worked with KUCB staff for more than two decades. We have a strong working relationship with KUCB and we whole-heartedly support their grant application to the City of Unalaska. We hope you will give this application your full consideration.

Please let me know if I can answer any questions for you.

Thank you,

Lori Townsend

RE: Letter of support for Unalaska Community Broadcasting

Mayor Vince Tutiakoff, Members of the City Council, and Review Committee,

On behalf of the Museum of the Aleutians board and staff, I would like to offer this letter of support for Unalaska Community Broadcasting's application for the City of Unalaska Community Support Grant. UCB plays a vital role in this community, providing an essential service in relaying news and emergency information, as well as community programming. They are also an important archival resource of community history.

The Museum of the Aleutians collaborates regularly with Unalaska Community Broadcasting (UCB) as we work together to enhance each other's programs. They provide vital content to help us create interactive multi-media elements for special exhibits and we have partnered for multiple events including exhibitions. The enhance our collections work as well by providing equipment to access out dated audio and video files.

We are grateful for their enthusiasm and creativity in bringing Museum programs to the digital / television and radio market. We are looking forward to many more collaborations, including an exhibition to celebrate their 40th anniversary!

The Museum of the Aleutians fully supports UCB's request for funding.

Sincerely,

Virginia Hatfield

Virginia Hatfield Executive Director

City of Unalaska P.O. Box 610 Unalaska, AK 99685

30 January 2023

Dear Mayor Vince Tutiakoff, Members of the Unalaska City Council, and Review Committee,

The Ounalashka Corporation is writing in strong support of the KUCB's application for the City of Unalaska Community Support Grant.

With the mission to inform, educate, entertain and engage, KUCB has continued to do exactly that throughout the years. The local radio station keeps our community up to date on housing opportunities, job postings, provides updates through weather events, continuously plays great music and much more. The Ounalashka Corporation greatly appreciates KUCB for keeping the community close and connected. With the last few years, most in isolation, they continued to provide their services to help people feel less isolated.

Please support KUCB by accepting and approving their grant request.

mrk

Sincerely,

Denise Rankin, Senior Vice President

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors CoastAlaska, Inc.

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of CoastAlaska, Inc. (CoastAlaska or the Organization), a not-for-profit organization, which comprise the statements of financial position as of June 30, 2022 and 2021 and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's

report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing
 an opinion on the effectiveness of the Organization's internal control. Accordingly, no such
 opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedule of Activity by Member for the years ended June 30, 2022 and 2021 appearing on pages 21-26 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO THE FINANCIAL STATEMENTS

Years Ended June 30, 2022 and 2021

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

On July 1, 1998 five non-profit Alaska corporations, which operate five noncommercial public radio stations and one noncommercial public television station in Southeast Alaska, formed CoastAlaska, Inc. (CoastAlaska or the Organization), a not-for-profit corporation, that was organized to develop and promote the funding, conduct, and collaboration of public radio broadcasting within Southeast Alaska and to assist and facilitate the administration, business management, marketing and cooperation of its member stations in the most effective and efficient means possible. The current members of CoastAlaska include CoastAlaska (KSTK), Raven Radio Foundation, Inc. (KCAW), Narrows Broadcasting Corporation (KFSK), Rainbird Community Broadcasting (KRBD), Unalaska Community Broadcasting, Inc. (KUCB), and KTOO Music and Arts LLC (KTOO FM). CoastAlaska operates under a Compact Agreement entered into on July 1, 1998.

During fiscal 1999, the members of CoastAlaska, as contemplated under the Compact, contributed all current assets, except certain excluded cash balances, and transferred all current liabilities to CoastAlaska. Each member retained respective ownership of all real and personal property of the stations and continue to remain obligated for any mortgage debt related to that property. In addition, the members retain ownership of their respective Federal Communications Commission (FCC) licenses, permits or other privileges, and maintain responsibility for programming, editorial practices, and local production.

On May 12, 2018, KSTK was acquired by CoastAlaska through the purchase of KSTK's intangible property and the donation of KSTK's net property and equipment was made to CoastAlaska.

On July 1, 2020, CCBI withdrew from the Compact Agreement of CoastAlaska and reorganized under KTOO Public Media for the purpose of operating television programming, production, and broadcasting in Juneau, Alaska. KTOO Music and Arts, LLC, was created as a subsidiary of KTOO Public Media, which is treated as a disregarded entity for tax purposes, for the purpose of operating radio programming and production in Juneau, Alaska.

On July 1, 2020, KTOO Music and Arts, LLC, joined the CoastAlaska compact and contributed all revenue and expenses to CoastAlaska. Effective July 1, 2020, KTOO Music and Arts, LLC, is the name of the Juneau based member in the CoastAlaska Compact Agreement.

Annually, the members develop operating budgets for their stations, which are submitted to the CoastAlaska Board of Directors for review and approval. Budgets are prepared to assure the continued vitality of all the member stations. Each station's budget includes provisions for the maintenance, repair and replacement of real and personal property held by the stations and payment of the station's obligations under long-term debt agreements.

All operating revenues received or raised are contributed to CoastAlaska. All operating expenses are the responsibility of and are paid by CoastAlaska. CoastAlaska's Board of Directors has an Executive Director who is responsible for the administration of the Compact, the stations' budgets, and on-going management of CoastAlaska. However, each member's Board of Directors retains control over all local personnel decisions, including hiring, firing and discipline.

NOTES TO THE FINANCIAL STATEMENTS

CoastAlaska's Executive Director maintains a central office staff, which provides the following services to CoastAlaska and its members:

- Financial reporting, budgeting, monitoring, compliance with the budget and other regulatory requirements and all daily accounting functions
- Development of membership and underwriting support, and pledge fulfillment
- Engineering and engineering development
- Payroll and benefits administration
- Personnel and human resources administration
- Other administrative and financial operations

Each member of CoastAlaska has the right to nominate two of CoastAlaska's Board of Directors. A member can withdraw at any time, with six months notice, and the Compact will remain in effect as long as two or more stations remain members.

CoastAlaska also performs support services for other public radio stations, who are not members of CoastAlaska, around the state. Services provided include certain accounting, membership, and grant reporting activities.

CoastAlaska program services, as presented in the Statements of Functional Expenses, are as follows:

Programming and Production

CoastAlaska stations and regional services provide quality non-commercial news and locally valued programming. CoastAlaska programming features local voices, fact-based journalism, community service and emergency alerting.

Technical Services

CoastAlaska technical products are radio broadcast signals, as well as digital content on the web. CoastAlaska stations produce eight FM broadcast services.

Basis of Accounting

The financial statements of CoastAlaska have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

As discussed above and described in the Compact, all activity of each of the member stations of CoastAlaska, excluding the recording of real and personal property and related debt amounts, is contributed to, and recorded in the financial statements of CoastAlaska. The accounting treatment for real and personal property and related debt amounts is discussed in the "Real and Personal Property and Depreciation" note below.

CoastAlaska follows the guidance of FASB ASC 958-605 *Revenue Recognition* to determine whether its federal, state, or other grant programs are contributions or exchange transactions for purposes of presentation in the accompanying financial statements.

All expenditures related to grants received from state or federal agencies, and associated support derived from these grants, by member stations are recorded in their respective financial statements and passed through to CoastAlaska and are then recorded in these financial statements. Each member station remains responsible for the conduct of their respective federal and state grants in accordance with laws and regulations and the provisions of the grant agreements.

NOTES TO THE FINANCIAL STATEMENTS

Basis of Presentation

The financial statements of the Organization have been prepared in accordance with U.S. generally accepted accounting principles (US GAAP), which require the Organization to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization of by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

Classification of Transactions

All revenues are reported as increases in net assets without donor restrictions in the statements of activities unless the donor specified the use of the related resources for a particular purpose or in a future period. The Organization also classifies donor restricted amounts as unrestricted if it satisfied the restriction in the same fiscal year in which the support was received. All expenses and net losses are reported as decreases in net assets without donor restrictions.

Revenue Recognition

Contributions of Cash and Financial Assets

The Organization may receive contributions of cash and financial assets that have conditions (e.g., meeting specific performance-related barriers, revocable features). For conditional contributions, the Organization recognizes revenue only after the conditions are substantially met. Should the Organization substantially meet the conditions in the same period that the contribution is received, and barring any further donor-imposed restrictions, the Organization has elected to recognize the revenue in net assets without donor restrictions.

Contributions of Nonfinancial Assets

Donated services are recognized as contributions of nonfinancial assets in accordance with FASB ASC 958-605-25-16, if the services (a) create or enhance non-financial assets or (b) require specialized skills, are performed by people possessing those skills, and would otherwise be purchased by the Organization. Contributed equipment are recorded as a contribution at estimated fair value on the date of donation and are reported as an increase in unrestricted net assets unless the donor has restricted the donated asset to a specific purpose. Assets, if any, donated with explicit restrictions regarding their use are reported as contributions with donor restrictions.

Membership

Membership contributions are considered available for the Organization's general operations unless specifically restricted by the donor. The value that individuals receive from their membership contributions is determined to be nominal. Amounts received that are restricted by the donor for use in future periods or for specific purposes are reported as restricted support

NOTES TO THE FINANCIAL STATEMENTS

increasing net assets subject to donor restrictions. Contributions received with restrictions that are met in the same reporting period and conditional contributions for which the conditions and restrictions are met in the same period are reported as support increasing net assets free of donor restrictions.

Grant Revenue

Grants or contracts awarded to the Organization from government, the Corporation for Public Broadcasting, and other organizations are generally considered nonreciprocal transactions restricted by the awarding agency for certain purposes and are accounted for as conditional contributions. Revenue is recognized when qualified expenditures are incurred and conditions under the grant agreement are met. Grant receivables are recorded for unreimbursed expenses incurred for the purposes specified by the awarding agency. Funding received in advance of incurring allowable expenses are recorded as a refundable advance.

Underwriting Income

Revenue from program underwriting is recognized when the Organization satisfies a performance obligation by transferring a promised service for a customer. Revenue from program underwriting is recorded on a pro rata basis for the period covered and is recognized over time when the related program is aired. Payment received in advance of the satisfaction of performance obligations for underwriting revenues are reported as deferred revenue in the statement of financial position. Management evaluates underwriting receivables for collectability on a periodic basis. No allowance for uncollectible accounts has been recorded in the financial statements as management has determined all accounts to be collectable.

Rental, Special Events and Other Income

Revenue from rented radio tower space, special events, and merchandise sales are recorded when earned. Revenue from rentals are recognized over the period of the tenant lease term on a monthly basis and in the amount stipulated by the tenant lease. Special event and other income revenues are recognized at a point in time as the performance obligation of the special event or sales is performed for the amount of the contract. Payments received in advance of the satisfaction of performance obligations for rental, special events, and other income are reported as deferred revenue in the statement of financial position. Management evaluates receivables from rental, special events and other income for collectability on a periodic basis. No allowance for uncollectible accounts has been recorded in the financial statements.

Engineering Fees, Station Service Fees, and Statewide Programming

Revenue from engineering fees, station service fees, and statewide programming are recorded when earned. Revenue is recognized at a point in time as the performance obligation of the engineering services, station services, and statewide programming performed for the amount of the contract. Payments received in advance of the satisfaction of performance obligations for engineering fees, station service fees, and statewide programming are reported as deferred revenue in the statement of financial position. Management evaluates receivables from engineering fees, station service fees, and statewide programming for collectability on a periodic basis. No allowance for uncollectible accounts has been recorded in the financial statements.

Royalties, Production Income

Revenue from royalties and television production is recognized over time as the performance obligation is performed for the amount of the contract and is recorded when earned. Payments received in advance of the satisfaction of performance obligations for royalties and production income are reported as deferred revenue in the statement of financial position. Management

NOTES TO THE FINANCIAL STATEMENTS

evaluates receivables from royalties and production income for collectability on a periodic basis. No allowance for uncollectible accounts has been recorded in the financial statements.

Broadcast Income

Broadcast income consists of an operating grant to broadcast the State of Alaska Legislature and considered a nonreciprocal transaction restricted by the awarding agency for certain purposes and are accounted for as conditional contributions. Revenue is recognized when qualified expenditures are incurred and conditions under the grant agreement are met.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investments

Generally accepted accounting principles require that nonprofit organizations report certain investments at fair market value. Accordingly, CoastAlaska accounts for its marketable equity securities, money market funds, government and agency securities, corporate bonds, and mutual funds at fair value. Investments include stocks and mutual funds holding debt securities. Investments also include money market funds that are designated for unspecified reserves. Unrealized gains and losses are included in the change in net assets. Information about the fair value of investments and the unrealized gains and losses is discussed in Note 5 and Note 6.

Fair Value Measurements

CoastAlaska reports its investments in accordance with FASB ASC 820 *Fair Value Measurement and Disclosure.* FASB ASC 820 provides a framework for measuring fair value and requires that an entity determine fair value based on exit price from the principal market for the asset or liability being measured.

Real and Personal Property and Depreciation

Property and equipment of the member stations continues to be recorded in the financial statements of the respective members. Expenditures incurred by CoastAlaska for repairs and maintenance of the member stations' property and equipment are charged to operating expense as incurred. Expenditures incurred by CoastAlaska on behalf of the members' stations for property and equipment acquisitions, major renewals and betterments are recorded as contributions to the member stations as incurred. According to the terms and conditions of the National Telecommunications and Information Administration grants, which were received in years prior to 1995, the federal government retains a priority reversionary interest for ten years in equipment purchased with grant proceeds. Expenditures in excess of \$1,000 for land, buildings, and equipment with a useful life of at least three years are capitalized.

Cash

For the purpose of the statements of cash flows, CoastAlaska considers all cash in checking, savings, and money market accounts, excluding those classified as investments, to be cash.

Income Taxes

CoastAlaska is exempt from federal income taxes under Section 501(a) of the Internal Revenue Code. The organization applied for and received a group exemption to include all member stations and the Legacy Foundation as subordinates under its tax-exempt status under Section 501(c)(3) of the U.S. Internal Revenue Code. However, income from certain activities not directly related to CoastAlaska's tax-exempt purpose is subject to taxation as unrelated business income. There was no required provision for income taxes for fiscal years ended June 30, 2022

NOTES TO THE FINANCIAL STATEMENTS

and 2021. CoastAlaska follows the provisions of FASB ASC 740 *Income Taxes* and management believes that it has appropriate support for any tax positions taken. CoastAlaska's federal income tax returns (Form 990) are subject to possible examination by the Internal Revenue Service until the expiration of the related statutes of limitations on those tax returns, which, in general, have a three-year statute of limitations.

Functional Allocation of Expenses

The costs of providing CoastAlaska' various programs and other activities have been summarized on a functional basis. Accordingly, certain costs have been allocated among the programs and supporting services benefitted. Expenses that can be identified with a specific program or support service are charged directly to that program or support service. Expenses for program services are segregated from management and general expenses. Costs common to multiple functions have been allocated among the various functions benefitted using a reasonable allocation method that is consistently applied, as follows:

 Occupancy costs are allocated to function based on each function's proportionate share of total salaries and related expenses.

Contributions Receivable

Contributions receivable are recorded at their estimated net realizable value at the time the associated pledge was made. CoastAlaska had contributions receivable of \$210,433 and \$208,994 at June 30, 2022 and 2021. CoastAlaska writes off uncollected pledges in excess of 180 days and management feels it is not necessary to record allowances for pledges less than 180 days.

Recently Adopted Accounting Pronouncements

Not-For-Profit Entities (Topic 958)

In September 2020, the FASB issued ASU No. 2020-07, *Not-For-Profit Entities (Topic 958)*. The amendments in this update will supersede much of the existing authoritative guidance for contributed nonfinancial assets. This guidance requires presentation of contributed nonfinancial assets as a separate line item in the statement of activities and additional disclosures regarding the contributed nonfinancial assets. The amendments of the update will be applied on a retrospective basis and are effective for annual periods beginning after June 15, 2021, with early application permitted. The Organization adopted ASU 2020-07 in its fiscal year ending June 30, 2022. The adoption of the standard had no impact on net assets for the year ended June 30, 2022 or 2021, respectively.

Upcoming Accounting Pronouncements

Management is evaluating the impact of the recent accounting pronouncements listed below on the Organization's financial position, results of operations, or cash flows, the impact of adoption has not been fully determined. Other accounting standards that have been issued or proposed by FASB, or other standards-setting bodies, not listed below, will also be evaluated prior to their effective date.

Leases (Topic 842)

In February 2016, the FASB issued ASU No. 2016-02, *Leases (Topic 842)*. The amendments in this update will supersede much of the existing authoritative guidance for leases. This guidance requires lessees to recognize right-of-use assets and liabilities on their balance sheet for all leases with terms longer than twelve months. In June of 2020, FASB issued ASU 2020-05, *Effective Dates for Certain Entities*, that deferred the effective date for the Organization until annual periods beginning after December 15, 2021, with early application permitted. The

NOTES TO THE FINANCIAL STATEMENTS

Organization plans to adopt ASU 2016-02 as amended by 2020-05, in its fiscal year ending June 30, 2023.

<u>Reclassification</u>

Certain amounts presented for the prior year have been reclassified to conform to the current year presentation.

<u>Subsequent Events</u>

CoastAlaska's management has evaluated subsequent events through the date of the Independent Auditor's Report, which is commensurate with the date the financial statements were available to be issued.

NOTE 2 – LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditures without donor or other restriction limiting their use, within one year of June 30, 2022:

Financial assets, at year-end*

Cash	\$ 2,824,335

Designated for future station use (232,489)

Financial assets available to meet cash needs for general expenditures within one year \$\\\\$4,686,543

^{*}Total assets, less nonfinancial assets (Property and equipment, net; Prepaid expenses)

NOTES TO THE FINANCIAL STATEMENTS

NOTE 3 – CONTRIBUTIONS OF NONFINANCIAL ASSETS

For the years ended June 30, contributions of nonfinancial assets recognized within the statements of activities included:

	2022 2021						
Advertising	\$	51,030	\$	62,068			
IT services		24,898		20,524			
Space rent		22,620		22,620			
Utilities		8,500		8,500			
Admin support		8,211		39,497			
Program support		5,096		-			
Equipment		4,291		54,879			
Storage space		1,700		1,700			
Supplies		160		572			
Professional services		38		60			
Staff lodging		-		2,600			
Building repair and maintenance				780			
	\$	126,544	\$	213,800			

The Organization recognized contributions of nonfinancial assets within revenue, including advertising, IT services, space rent, utilities, admin support, program support, equipment, storage space, supplies, professional services, staff lodging, and building repair and maintenance. Unless otherwise noted, contributions of nonfinancial assets did not have donor-imposed restrictions.

Advertising consists of media sponsorships provided by local organizations on behalf of the Organization. The Organization estimated fair value on the basis of values that would be received for selling advertising to clients.

IT services are internet services, DSL and IPL address, and software maintenance provided to support the Organization's technical activities. Services are valued and are reported at the estimated fair value in the financial statements based on current rates for similar services.

Space rent consists of studio and office space provided by a local government on behalf of the Organization. The Organization estimated fair value on the basis of values that would be received for renting a similar space.

Utilities are provided by a local government to support the Organization's activities. Services are valued and are reported at the estimated fair value in the financial statements based on current rates for similar services.

Admin support is composed of miscellaneous items such as coffee, catered food, office supplies, air freight fees, travel vouchers, bottled water service, and attorney fees as well as Alaska Public Broadcasting support and decorative plants that were used for general and administrative activities. The Organization estimated the fair value on the basis of estimates of wholesale values that would be received for selling similar products.

NOTES TO THE FINANCIAL STATEMENTS

Program support consists of prizes and sponsorships of various programs. The Organization estimated the fair value on the basis of estimates of wholesale values that would be paid to purchase similar services or products.

Equipment consists of a transponder that the Organization was allowed to use in 2021, translator space, and travel and lodging for persons performing equipment repair. The Organization estimated the fair value on the basis of estimates of wholesale values that would be paid to purchase similar services.

Storage space consists of use of storage space. Services are valued and are reported at the estimated fair value in the financial statements based on current rates for similar storage rental services.

Supplies are janitorial supplies received from a local company. Services are valued and are reported at the estimated fair value on the basis of estimates of wholesale values that would be paid to purchase similar items.

Professional services are sports broadcasting services that are used to support program activities. Services are valued and are reported at the estimated fair value in the financial statements based on current rates for similar services.

Staff lodging is lodging provided to an intern in 2021. The Organization estimated the fair value on the basis of estimates of wholesale values that would be paid to purchase similar lodging.

Building repair and maintenance are various services received from organizations or companies that includes composting services. Services are valued and are reported at the estimated fair value in the financial statements based on current rates for similar services.

NOTE 4 – PROPERTY AND EQUIPMENT

Major classifications of property and equipment in total for CoastAlaska at June 30, 2022 and 2021 are summarized below:

	 2022	2021	
Held by CoastAlaska:			
Building and improvements	\$ 347,402	\$ 347,402	
Broadcasting, production and programming equipment	437,113	437,113	
Office fixtures and equipment	22,135	22,135	
Land	 9,000	 9,000	
	815,650	815,650	
Less accumulated depreciation, CoastAlaska	(661,699)	 (633,536)	
Total held by CoastAlaska	\$ 153,951	\$ 182,114	

Depreciation expense was \$28,163 and \$26,272 for CoastAlaska for the fiscal years ending June 30, 2022 and 2021, respectively, and is included in Other expenses on the Statements of Functional Expenses.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 5 – INVESTMENTS

Total	\$ (278,170)	\$ 184,810

NOTES TO THE FINANCIAL STATEMENTS

NOTE 6 – FAIR VALUE MEASUREMENT

FASB ASC 820 defines fair value as the exchange price that would be received on the measurement date to sell an asset or the price paid to transfer a liability in the principle or most advantageous market available to the entity in an orderly transaction between market participants. FASB ASC 820 also establishes a three-level fair value hierarchy that describes the inputs that are used to measure assets as liabilities. The three levels include Level 1 (quoted prices in active markets for identical assets), Level 2 (significant other observable inputs), and Level 3 (significant unobservable inputs).

Fair values of assets measured on a recurring basis at June 30, 2022 are as follows:

	Fair		Level		Level	Level
Investments:		Value	1		 2	 3
Equity Securities	\$	537,469	\$	537,469	\$ -	\$ -
Money Market Funds		377,011		377,011	-	-
Mutual Funds		547,255		547,255	-	-
Corporate Bonds		119,878		119,878	-	-
Government and Agency Securities		41,259		41,259	 _	
Total	\$	1,622,872	\$	1,622,872	\$ 	\$

Fair values of assets measured on a recurring basis at June 30, 2021 are as follows:

	Fair		Level		Level	Level
Investments:	 Value	1		2		3
Equity Securities	\$ 616,955	\$	616,955	\$	-	\$ -
Money Market Funds	298,346		298,346		-	-
Mutual Funds	39,314		39,314		-	-
Corporate Bonds	115,885		115,885		-	-
Government and Agency Securities	 89,059		89,059		-	 -
Total	\$ 1,159,559	\$	1,159,559	\$	-	\$

NOTE 7 – PAYCHECK PROTECTION PROGRAM LOAN

On April 21, 2020, CoastAlaska received loan proceeds in the amount of \$719,060 under the Paycheck Protection Program (PPP). The PPP, established as part of the Coronavirus Aid, Relief and Economic Security Act (CARES Act), provides for loans to qualifying businesses for amounts up to 2.5 times of the average monthly payroll expenses of the qualifying business. The loans and accrued interest are forgivable as long as the borrower uses the loan proceeds for eligible purposes, including payroll, benefits, rent and utilities, and maintains its payroll levels. The amount of loan forgiveness may be reduced if the borrower reduced the number of employees or the average paid hours of employees or reduced the annual salary or hourly wages of any employee by more than 25 percent during the Covered Period.

The Organization accounted for the PPP loan using the Debt Model of FASB ASC 470. Under FASB ASC 405-20, Liabilities: Extinguishments of Liabilities, specifically FASB ASC 405-20-40-1b, extinguishment of debt may not take place until the debtor has been legally released as the

NOTES TO THE FINANCIAL STATEMENTS

primary obligor. The full balance of the PPP loan in the amount of \$719,060 was officially forgiven on August 5, 2021, and was recognized as a gain on the extinguishment of debt in the statements of activities during fiscal year 2022.

NOTE 8 – REFUNDABLE ADVANCES

CoastAlaska receives various operating and capital grants that contain certain conditions from the awarding agencies. Funds received in advance of the conditions being met are recorded as refundable advances and are subsequently recognized as grant revenue when donor conditions are met. Refundable advances consisted of \$1,608,629 and \$1,967,195 of operating grants and \$18,000 and \$35,000 of capital grants as of June 30, 2022 and 2021, respectfully.

NOTE 9 – NET ASSETS WITHOUT DONOR RESTRICTIONS - DESIGNATED

CoastAlaska has received donations from supporters of KCAW totaling \$232,486 and \$232,489 as of June 30, 2022 and 2021, respectively, that the Board of Directors has set as designated for future use by KCAW station management through the setup of a legacy foundation at a future date to be determined.

NOTE 10 – RETIREMENT BENEFITS EXPENSE

On January 1, 1999, CoastAlaska became the plan sponsor for a retirement plan designed under the provisions of section 403(b) of the Internal Revenue Code. CoastAlaska's contribution to the plan is a discretionary amount of 4% of each employee's salary in both 2022 and 2021. There is no required employer matching contribution. The contribution is paid as accrued.

Plan participants employed prior to January 1, 2009 are 100% vested in all salary deferral and employer discretionary contributions upon entering the plan. Effective on January 1, 2009, new employees are eligible for employer discretionary contributions after one-year of service. Once eligible, employer discretionary contributions, if any, are fully vested.

Retirement benefits expense was \$61,963 and \$57,575 for fiscal 2022 and 2021, respectively.

NOTE 11 – CONCENTRATIONS OF CREDIT RISK AND CONTINGENCIES

Grants and Contracts

Expenditures made pursuant to the grants and contracts of member stations may be subject to additional audits by government agencies or their representatives. Certain grant amounts of member stations reflected in the financial statements of CoastAlaska have not been audited by the grantor agencies. Accordingly, adjustments of amounts received from grants and contracts could result if the grants and contracts are audited by such agencies.

Excess Cash Balances

CoastAlaska has concentrated its credit risk for cash by maintaining deposits in financial institutions, which may at times exceed amounts covered by insurance provided by the United States Federal Deposit Insurance Corporation (FDIC). CoastAlaska has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk to cash.

NOTES TO THE FINANCIAL STATEMENTS

Business Disruption

Due to the government mandated restrictions and economic uncertainties created by the Coronavirus pandemic, CoastAlaska was subject to temporarily reduced operations during the 4th quarter of fiscal year 2020 which resulted in reduced revenues from program service revenue. CoastAlaska has since resumed normal operations. There is a risk that government mandated restrictions on CoastAlaska's operational capacity due to the Coronavirus will occur in fiscal year 2023 resulting in reduced revenues. Management believes that this risk is minimal.

NOTE 12 – SEPARATION OF CCBI FROM THE COMPACT

On July 1, 2020, CCBI withdrew from the Compact Agreement of CoastAlaska and reorganized under KTOO Public Media for the purpose of operating television programming, production, and broadcasting in Juneau, Alaska. KTOO Music and Arts, LLC was created as a subsidiary of KTOO Public Media, which is treated as a disregarded entity for tax purposes, for the purpose of operating radio programming and production in Juneau, Alaska.

As part of the agreement for the withdrawal of CCBI from the CoastAlaska Compact Agreement, CoastAlaska contributed net assets and liabilities of \$312,236 and \$578,857 to KTOO Public Media during fiscal years 2022 and 2021, respectively.

NOTE 13 – ADMITTANCE OF KTOO MUSIC AND ARTS TO THE COMPACT

On July 1, 2020 KTOO Music and Arts, LLC, joined the CoastAlaska compact and contributed all revenue and expenses to CoastAlaska. Effective July 1, 2020, KTOO Music and Arts, LLC, is the name of the Juneau based member in the CoastAlaska Compact Agreement.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Raven Radio Foundation, Inc.

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Raven Radio Foundation, Inc. (the Corporation), a not-for-profit corporation, which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Raven Radio Foundation, Inc. as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Raven Radio Foundation, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Raven Radio Foundation Inc.'s ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an

auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern for a reasonable period of time

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Activity by Member for the years ended June 30, 2022 and 2021, appearing on pages 21-26, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

RAVEN RADIO FOUNDATION, INC. NOTES TO THE FINANCIAL STATEMENTS

Years Ended June 30, 2022 and 2021

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and CoastAlaska, Inc.

Raven Radio Foundation, Inc. (the Corporation) is a not-for-profit Alaskan corporation, which operates a noncommercial public FM radio station (KCAW-FM in Sitka, Alaska), as described below.

On July 1, 1998 the Corporation joined with four other noncommercial public radio stations and one noncommercial public television station in Southeast Alaska to form CoastAlaska Inc. (CoastAlaska), a non-profit corporation, that was organized to develop and promote the funding, conduct, and collaboration of public radio broadcasting within Southeast Alaska and to assist and facilitate the administration, business management, marketing and cooperation of its member stations in the most effective and efficient means possible. The current members of CoastAlaska include CoastAlaska (KSTK), Raven Radio Foundation, Inc. (KCAW), Narrows Broadcasting Corporation (KFSK), Rainbird Community Broadcasting (KRBD), Unalaska Community Broadcasting, Inc. (KUCB), and KTOO Music and Arts LLC (KTOO FM). CoastAlaska operates under a Compact Agreement entered into on July 1, 1998.

During fiscal 1999, the members of CoastAlaska, as contemplated under the Compact, contributed all current assets, except certain excluded cash balances, and transferred all current liabilities to CoastAlaska. Each member retained respective ownership of all real and personal property of the stations and continues to remain obligated for any mortgage debt related to that property. In addition, the members retain ownership of their respective Federal Communications Commission (FCC) licenses, permits or other privileges, and maintain responsibility for programming, editorial practices, and local production.

On May 12, 2018, KSTK was acquired by CoastAlaska through the purchase of KSTK's intangible property and the donation of KSTK's net property and equipment was made to CoastAlaska.

On July 1, 2020, CCBI withdrew from the Compact Agreement of CoastAlaska and reorganized under KTOO Public Media for the purpose of operating television programming, production, and broadcasting in Juneau, Alaska. KTOO Music and Arts, LLC was created as a subsidiary of KTOO Public Media, which is treated as a disregarded entity for tax purposes, for the purpose of operating radio programming and production in Juneau, Alaska.

On July 1, 2020, KTOO Music and Arts, LLC joined the CoastAlaska compact and contributed all revenue and expenses to CoastAlaska. Effective July 1, 2020, KTOO Music and Arts, LLC is the name of the Juneau based member in the CoastAlaska Compact Agreement.

Annually, the members develop operating budgets for their stations, which are submitted to the CoastAlaska Board of Directors for review and approval. Budgets are prepared to assure the continued vitality of all the member stations. Each stations' budget includes provisions for the maintenance, repair and replacement of real and personal property held by the stations and payment of the stations' obligations under long-term debt agreements.

All operating revenues received or raised are contributed to CoastAlaska. All operating expenses are the responsibility of and are paid by CoastAlaska. CoastAlaska's Board of Directors has an Executive Director who is responsible for the administration of the Compact, the stations'

RAVEN RADIO FOUNDATION, INC. NOTES TO THE FINANCIAL STATEMENTS

budgets, and on-going management of CoastAlaska. However, each member's Board of Directors retains control over all local personnel decisions, including hiring, firing and discipline. CoastAlaska's Executive Director maintains a central office staff, which provides the following services to CoastAlaska and its members:

- Financial reporting, budgeting, monitoring, compliance with the budget and other regulatory requirements and all daily accounting functions
- Development of membership and underwriting support, and pledge fulfillment
- Engineering and engineering development
- Payroll and benefits administration
- Personnel and human resources administration
- Other administrative and financial operations

Each member of CoastAlaska has the right to nominate two of CoastAlaska's Board of Directors. A member can withdraw at any time, with six months notice, and the Compact will remain in effect as long as two or more stations remain members.

CoastAlaska also performs support services for other public radio stations, who are not members of CoastAlaska, around the state. Services provided include certain accounting, membership, and grant reporting activities.

Basis of Accounting

The financial statements of the Corporation have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

As discussed above and described in the Compact, all activity of each of the member stations of CoastAlaska, excluding the recording of real and personal property and related debt amounts, is contributed to, and recorded in the financial statements of CoastAlaska. The accounting treatment for real and personal property and related debt amounts is discussed in the "Real and Personal Property and Depreciation" note below.

The Corporation follows the guidance of FASB ASC 958-605 *Revenue Recognition* to determine whether its federal, state, or other grant programs are contributions or exchange transactions for purposes of presentation in the accompanying financial statements.

Support received from CoastAlaska for the maintenance, repair and replacement of real and personal property held by the stations and payment of the stations' obligations under long-term debt agreements is recorded when the associated costs or payments are incurred or payable. All support and revenue derived from the operation of the Corporation's radio station are contributed to and recorded by CoastAlaska.

All expenditures related to grants received from state or federal agencies and associated revenues derived from these grants are recorded in the financial statements are recorded in the Corporation's financial statements and passed through to, and recorded in, the financial statements of CoastAlaska. The Corporation remains responsible for the conduct of its federal and state grants in accordance with laws and regulations and the provisions of the grant agreements.

NOTES TO THE FINANCIAL STATEMENTS

Basis of Presentation

The financial statements of the Corporation have been prepared in accordance with U.S. generally accepted accounting principles (US GAAP), which require the Corporation to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions may be expended for any purpose in performing the primary objectives of the Corporation. These net assets may be used at the discretion of the Corporation's management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Corporation of by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

Classification of Transactions

All revenues are reported as increases in net assets without donor restrictions in the statements of activities unless the donor specified the use of the related resources for a particular purpose or in a future period. The Corporation also classifies donor restricted amounts as unrestricted if it satisfied the restriction in the same fiscal year in which the support was received. All expenses and net losses are reported as decreases in net assets without donor restrictions.

Revenue Recognition

Contributions of Cash and Financial Assets

The Corporation may receive contributions of cash and financial assets that have conditions (e.g., meeting specific performance-related barriers, revocable features). For conditional contributions, the Corporation recognizes revenue only after the conditions are substantially met. Should the Corporation substantially meet the conditions in the same period that the contribution is received, and barring any further donor-imposed restrictions, the Corporation has elected to recognize the revenue in net assets without donor restrictions.

Contributions of Nonfinancial Assets

Donated services are recognized as contributions of nonfinancial assets in accordance with FASB ASC 958-605-25-16, if the services (a) create or enhance non-financial assets or (b) require specialized skills, are performed by people possessing those skills, and would otherwise be purchased by the Corporation. Contributed equipment are recorded as a contribution at estimated fair value on the date of donation and are reported as an increase in unrestricted net assets unless the donor has restricted the donated asset to a specific purpose. Assets, if any, donated with explicit restrictions regarding their use are reported as contributions with donor restrictions.

Membership

Membership contributions are considered available for the Corporation's general operations unless specifically restricted by the donor. The value that individuals receive from their

NOTES TO THE FINANCIAL STATEMENTS

membership contributions is determined to be nominal. Amounts received that are restricted by the donor for use in future periods or for specific purposes are reported as restricted support increasing net assets subject to donor restrictions. Contributions received with restrictions that are met in the same reporting period and conditional contributions for which the conditions and restrictions are met in the same period are reported as support increasing net assets free of donor restrictions.

Grant Revenue

Grants or contracts awarded to the Corporation from government, the Corporation for Public Broadcasting, and other organizations are generally considered nonreciprocal transactions restricted by the awarding agency for certain purposes and are accounted for as conditional contributions. Revenue is recognized when qualified expenditures are incurred and conditions under the grant agreement are met.

Underwriting Income

Revenue from program underwriting is recognized when the Corporation satisfies a performance obligation by transferring a promised service for a customer. Revenue from program underwriting is recorded on a pro rata basis for the period covered and is recognized over time when the related program is aired. Payment received in advance of the satisfaction of performance obligations for underwriting revenues are reported as deferred revenue in the statement of financial position. Management evaluates underwriting receivables for collectability on a periodic basis. No allowance for uncollectible accounts has been recorded in the financial statements as management has determined all accounts to be collectable.

Rental, Special Events and Other Income

Revenue from rented radio tower space, special events, and merchandise sales are recorded when earned. Revenue from rentals are recognized over the period of the tenant lease term on a monthly basis and in the amount stipulated by the tenant lease. Special event and other income revenues are recognized at a point in time as the performance obligation of the special event or sales is performed for the amount of the contract. Payments received in advance of the satisfaction of performance obligations for rental, special events, and other income are reported as deferred revenue in the statement of financial position. Management evaluates receivables from rental, special events and other income for collectability on a periodic basis. No allowance for uncollectible accounts has been recorded in the financial statements.

Royalties and Production Income

Revenue from royalties and television production is recognized over time as the performance obligation is performed for the amount of the contract and is recorded when earned. Payments received in advance of the satisfaction of performance obligations for royalties and production income are reported as deferred revenue in the statement of financial position. Management evaluates receivables from royalties and production income for collectability on a periodic basis. No allowance for uncollectible accounts has been recorded in the financial statements.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTES TO THE FINANCIAL STATEMENTS

Real and Personal Property and Depreciation

Property and equipment are recorded at cost or, in the case of donated property, at their estimated fair value at date of receipt. Depreciation is calculated by the straight-line method over the estimated useful lives of the assets, which range from five to twenty-five years. Expenditures for repairs and maintenance are charged to operating expense as incurred; major renewals and betterments are capitalized. Payments by CoastAlaska for repairs and maintenance of the Corporation's property and equipment are recognized as revenue when the amounts are to be paid by CoastAlaska. Expenditures incurred by CoastAlaska on behalf of the Corporation for property and equipment acquisitions, major renewals and betterments are recorded as contributions by the Corporation as incurred. Expenditures in excess of \$1,000 for land, buildings, and equipment with a useful life of at least three years are capitalized.

Cash

For the purpose of the statements of cash flows, the Corporation considers all cash in checking, savings, and money market accounts to be cash.

Income Taxes

The Corporation is exempt from federal income taxes under Section 501(c)(3) of the U.S. Internal Revenue Code. However, income from certain activities not directly related to the Corporation's tax-exempt purpose is subject to taxation as unrelated business income. In addition, the Corporation qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as a Corporation that is not a private foundation under section 509(a)(2). There was no required provision for income taxes for fiscal years ended June 30, 2022 and 2021. The Corporation qualifies under a group exemption due to their affiliation with CoastAlaska through the Compact Agreement. CoastAlaska follows the provisions of FASB ASC 740 *Income Taxes*, and management believes that it has appropriate support for any tax positions taken. CoastAlaska's federal income tax returns (Form 990) are subject to possible examination by the Internal Revenue Service until the expiration of the related statutes of limitations on those tax returns, which, in general, have a three-year statute of limitations.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities. The Corporation's expenses are administrative in nature as their expenses are a contribution of revenues passed on to CoastAlaska and the depreciation expense of its property and equipment.

Recently Adopted Accounting Pronouncements

Not-For-Profit Entities (Topic 958)

In September 2020, the FASB issued ASU No. 2020-07, *Not-For-Profit Entities (Topic 958)*. The amendments in this update will supersede much of the existing authoritative guidance for contributed nonfinancial assets. This guidance requires presentation of contributed nonfinancial assets as a separate line item in the statement of activities and additional disclosures regarding the contributed nonfinancial assets. The amendments of the update will be applied on a retrospective basis and are effective for annual periods beginning after June 15, 2021, with early application permitted. The Corporation adopted ASU 2020-07 in its fiscal year ending June 30, 2022. The adoption of the standard had no impact on net assets for the years ended June 30, 2022 or 2021, respectively.

NOTES TO THE FINANCIAL STATEMENTS

Upcoming Accounting Pronouncements

Management is evaluating the impact of the recent accounting pronouncements listed below on the Corporation's financial position, results of operations, or cash flows, the impact of adoption has not been fully determined. Other accounting standards that have been issued or proposed by FASB, or other standards-setting bodies, not listed below, will also be evaluated prior to their effective date.

Leases (Topic 842)

In February 2016, the FASB issued ASU No. 2016-02, *Leases (Topic 842)*. The amendments in this update will supersede much of the existing authoritative guidance for leases. This guidance requires lessees to recognize right-of-use assets and liabilities on their balance sheet for all leases with terms longer than twelve months. In June of 2020, FASB issued ASU 2020-05, *Effective Dates for Certain Entities*, that deferred the effective date for the Corporation until annual periods beginning after December 15, 2021, with early application permitted. The Corporation plans to adopt ASU 2016-02 as amended by 2020-05, in its fiscal year ending June 30, 2023.

Reclassifications

Certain prior year balances have been reclassified to conform to the current year presentation.

Subsequent Events

The Corporation's management has evaluated subsequent events through the date of the Independent Auditor's Report, which is commensurate with the date the financial statements were available to be issued.

NOTE 2 – CONTRIBUTIONS OF NONFINANCIAL ASSETS

For the years ended June 30, contributions of nonfinancial assets recognized within the statements of activities included:

	2	2022	 2021
Equipment	\$	656	\$ 9,241
Admin support		-	4,293
Advertising		-	2,184
IT services			246
	\$	656	\$ 15,964

The Corporation recognized contributions of nonfinancial assets within revenue, including equipment, admin support, advertising, and IT services. Unless otherwise noted, contributions of nonfinancial assets did not have donor-imposed restrictions.

Equipment consists of a transponder that the Corporation was allowed to use in 2021 and travel for persons repairing equipment. The Corporation estimated the fair value on the basis of estimates of wholesale values that would be paid to purchase similar services.

NOTES TO THE FINANCIAL STATEMENTS

Admin support is composed of miscellaneous items used for general and administrative activities. The Corporation estimated the fair value on the basis of estimates of wholesale values that would be received for selling similar products.

Advertising consists of media sponsorships provided by a local corporation on behalf of the Corporation. The Corporation estimated fair value on the basis of values that would be received for selling advertising to clients.

IT services consists of software maintenance provided to support the Corporation's technical activities. Services are valued and are reported at the estimated fair value in the financial statements based on current rates for similar services.

NOTE 3 – PROPERTY AND EQUIPMENT

Major classifications of property and equipment at June 30, 2022 and 2021 are summarized below:

	2022			2021		
Land	\$	497,312	\$	497,312		
Building and improvements		837,965		837,965		
Broadcasting, production and programming						
equipment		484,973		484,973		
Office fixtures and equipment		10,538		10,538		
Less accumulated depreciation		1,830,788 (982,679)		1,830,788 (945,432)		
	\$	848,109	\$	885,356		

Depreciation expense was \$37,247 and \$41,762 for fiscal years ended June 30, 2022 and 2021, respectively.

NOTE 4 – CONTINGENCIES

Grants and Contracts

Expenditures made pursuant to the grants and contracts may be subject to additional audits by government agencies or their representatives. Certain grant amounts of the Corporation reflected in the financial statements of the Corporation have not been audited by the grantor agencies. Accordingly, adjustments of amounts received from grants and contracts could result if the grants and contracts are audited by such agencies.

Business Disruption

Due to the government mandated restrictions and economic uncertainties created by the Coronavirus pandemic, the Corporation was subject to temporarily reduced operations during the 4th quarter of fiscal year 2020 which resulted in reduced revenues from program service revenue. The Corporation has since resumed normal operations. There is a risk that government mandated restrictions on the Corporation's operational capacity due to the Coronavirus will occur in fiscal year 2023 resulting in reduced revenues. Management believes that this risk is minimal.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Narrows Broadcasting Corporation

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Narrows Broadcasting Corporation (the Corporation), a not-for-profit corporation, which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Narrows Broadcasting Corporation as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Corporation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an

auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control—related matters that we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Activity by Member for the years ended June 30, 2022 and 2021, appearing on pages 21-26, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NARROWS BROADCASTING CORPORATION NOTES TO THE FINANCIAL STATEMENTS

Years Ended June 30, 2022 and 2021

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and CoastAlaska, Inc.

Narrows Broadcasting Corporation (the Corporation) is a not-for-profit Alaskan corporation, which operates a noncommercial public FM radio station (KFSK-FM in Petersburg, Alaska), as described below.

On July 1, 1998 the Corporation joined with four other noncommercial public radio stations and one noncommercial public television station in Southeast Alaska to form CoastAlaska Inc. (CoastAlaska), a non-profit corporation, that was organized to develop and promote the funding, conduct, and collaboration of public radio broadcasting within Southeast Alaska and to assist and facilitate the administration, business management, marketing and cooperation of its member stations in the most effective and efficient means possible. The current members of CoastAlaska include CoastAlaska (KSTK), Raven Radio Foundation, Inc. (KCAW), Narrows Broadcasting Corporation (KFSK), Rainbird Community Broadcasting (KRBD), Unalaska Community Broadcasting, Inc. (KUCB), and KTOO Music and Arts, LLC (KTOO FM). CoastAlaska operates under a Compact Agreement entered into on July 1, 1998.

During fiscal 1999, the members of CoastAlaska, as contemplated under the Compact, contributed all current assets, except certain excluded cash balances, and transferred all current liabilities to CoastAlaska. Each member retained respective ownership of all real and personal property of the stations and continues to remain obligated for any mortgage debt related to that property. In addition, the members retain ownership of their respective Federal Communications Commission (FCC) licenses, permits or other privileges, and maintain responsibility for programming, editorial practices, and local production.

On May 12, 2018, KSTK was acquired by CoastAlaska through the purchase of KSTK's intangible property and the donation of KSTK's net property and equipment was made to CoastAlaska.

On July 1, 2020, CCBI withdrew from the Compact Agreement of CoastAlaska and reorganized under KTOO Public Media for the purpose of operating television programming, production, and broadcasting in Juneau, Alaska. KTOO Music and Arts, LLC was created as a subsidiary of KTOO Public Media, which is treated as a disregarded entity for tax purposes, for the purpose of operating radio programming and production in Juneau, Alaska.

On July 1, 2020, KTOO Music and Arts, LLC joined the CoastAlaska compact and contributed all revenue and expenses to CoastAlaska. Effective July 1, 2020, KTOO Music and Arts, LLC is the name of the Juneau based member in the CoastAlaska Compact Agreement.

Annually, the members develop operating budgets for their stations, which are submitted to the CoastAlaska Board of Directors for review and approval. Budgets are prepared to assure the continued vitality of all the member stations. Each station's budget includes provisions for the maintenance, repair and replacement of real and personal property held by the stations and payment of the stations' obligations under long-term debt agreements.

All operating revenues received or raised are contributed to CoastAlaska. All operating expenses are the responsibility of and are paid by CoastAlaska. CoastAlaska's Board of Directors has an Executive Director who is responsible for the administration of the Compact, the stations'

budgets, and on-going management of CoastAlaska. However, each member's Board of Directors retains control over all local personnel decisions, including hiring, firing and discipline. CoastAlaska's Executive Director maintains a central office staff, which provides the following services to CoastAlaska and its members:

- Financial reporting, budgeting, monitoring, compliance with the budget and other regulatory requirements and all daily accounting functions
- Development of membership and underwriting support, and pledge fulfillment
- Engineering and engineering development
- Payroll and benefits administration
- Personnel and human resources administration
- Other administrative and financial operations

Each member of CoastAlaska has the right to nominate two of CoastAlaska's Board of Directors. A member can withdraw at any time, with six months notice, and the Compact will remain in effect as long as two or more stations remain members.

CoastAlaska also performs support services for other public radio stations, who are not members of CoastAlaska, around the state. Services provided include certain accounting, membership, and grant reporting activities.

Basis of Accounting

The financial statements of the Corporation have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

As discussed above and described in the Compact, all activity of each of the member stations of CoastAlaska, excluding the recording of real and personal property and related debt amounts, is contributed to, and recorded in the financial statements of CoastAlaska. The accounting treatment for real and personal property and related debt amounts is discussed in the "Real and Personal Property and Depreciation" note below.

The Corporation follows the guidance of FASB ASC 958-605 *Revenue Recognition* to determine whether its federal, state, or other grant programs are contributions or exchange transactions for purposes of presentation in the accompanying financial statements.

Support received from CoastAlaska for the maintenance, repair and replacement of real and personal property held by the stations and payment of the stations' obligations under long-term debt agreements is recorded when the associated costs or payments are incurred or payable. All support and revenue derived from the operation of the Corporation's radio station are contributed to and recorded by CoastAlaska.

All expenditures related to grants received from state or federal agencies and associated revenues derived from these grants are recorded in the financial statements are recorded in the Corporation's financial statements and passed through to, and recorded in, the financial statements of CoastAlaska. The Corporation remains responsible for the conduct of its federal and state grants in accordance with laws and regulations and the provisions of the grant agreements.

Basis of Presentation

The financial statements of the Corporation have been prepared in accordance with U.S. generally accepted accounting principles (US GAAP), which require the Corporation to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions may be expended for any purpose in performing the primary objectives of the Corporation. These net assets may be used at the discretion of the Corporation's management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Corporation of by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

Classification of Transactions

All revenues are reported as increases in net assets without donor restrictions in the statements of activities unless the donor specified the use of the related resources for a particular purpose or in a future period. The Corporation also classifies donor restricted amounts as unrestricted if it satisfied the restriction in the same fiscal year in which the support was received. All expenses and net losses are reported as decreases in net assets without donor restrictions.

Revenue Recognition

Contributions of Cash and Financial Assets

The Corporation may receive contributions of cash and financial assets that have conditions (e.g., meeting specific performance-related barriers, revocable features). For conditional contributions, the Corporation recognizes revenue only after the conditions are substantially met. Should the Corporation substantially meet the conditions in the same period that the contribution is received, and barring any further donor-imposed restrictions, the Corporation has elected to recognize the revenue in net assets without donor restrictions.

Contributions of Nonfinancial Assets

Donated services are recognized as contributions of nonfinancial assets in accordance with FASB ASC 958-605-25-16, if the services (a) create or enhance non-financial assets or (b) require specialized skills, are performed by people possessing those skills, and would otherwise be purchased by the Corporation. Contributed equipment are recorded as a contribution at estimated fair value on the date of donation and are reported as an increase in unrestricted net assets unless the donor has restricted the donated asset to a specific purpose. Assets, if any, donated with explicit restrictions regarding their use are reported as contributions with donor restrictions.

Membership

Membership contributions are considered available for the Corporation's general operations unless specifically restricted by the donor. The value that individuals receive from their

membership contributions is determined to be nominal. Amounts received that are restricted by the donor for use in future periods or for specific purposes are reported as restricted support increasing net assets subject to donor restrictions. Contributions received with restrictions that are met in the same reporting period and conditional contributions for which the conditions and restrictions are met in the same period are reported as support increasing net assets free of donor restrictions.

Underwriting Income

Revenue from program underwriting is recognized when the Corporation satisfies a performance obligation by transferring a promised service for a customer. Revenue from program underwriting is recorded on a pro rata basis for the period covered and is recognized over time when the related program is aired. Unearned underwriting revenues are reported as deferred revenue in the statement of financial position. Management evaluates underwriting receivables for collectability on a periodic basis. No allowance for uncollectible accounts has been recorded in the financial statements as management has determined all accounts to be collectable.

Rental, Special Events and Other Income

Revenue from rented radio tower space, special events, and merchandise sales are recorded when earned. Revenue from rentals is recognized over the period of the tenant lease term on a monthly basis and in the amount stipulated by the tenant lease. Special event and other income revenues are recognized at a point in time as the performance obligation of the special event or sales is performed for the amount of the contract. Unearned revenues are reported as deferred revenue in the statement of financial position. Management evaluates receivables from rental, special events and other income for collectability on a periodic basis. No allowance for uncollectible accounts has been recorded in the financial statements.

Royalties and Production Income

Revenue from royalties and television production is recognized at a point in time as the performance obligation is performed for the amount of the contract and is recorded when earned. Unearned revenues are reported as deferred revenue in the statement of financial position. Management evaluates receivables from royalties and production income for collectability on a periodic basis. No allowance for uncollectible accounts has been recorded in the financial statements.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Real and Personal Property and Depreciation

Property and equipment are recorded at cost or, in the case of donated property, at their estimated fair value at date of receipt. Depreciation is calculated by the straight-line method over the estimated useful lives of the assets, which range from four to twenty-five years. Expenditures for repairs and maintenance are charged to operating expense as incurred; major renewals and betterments are capitalized. Payments by CoastAlaska for repairs and maintenance of the Corporation's property and equipment are recognized as revenue when the amounts are to be paid by CoastAlaska. Expenditures incurred by CoastAlaska on behalf of the Corporation for property and equipment acquisitions, major renewals and betterments are recorded as

contributions by the Corporation as incurred. Expenditures in excess of \$1,000 for land, buildings, and equipment with a useful life of at least three years are capitalized.

Cash

For the purpose of the statements of cash flows, the Corporation considers all cash in checking, savings, and money market accounts to be cash.

Income Taxes

The Corporation is exempt from federal income taxes under Section 501(c)(3) of the U.S. Internal Revenue Code. However, income from certain activities not directly related to the Corporation's tax-exempt purpose is subject to taxation as unrelated business income. In addition, the Corporation qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as a Corporation that is not a private foundation under section 509(a)(2). There was no required provision for income taxes for fiscal years ended June 30, 2022 and 2021. The Corporation qualifies under a group exemption due to their affiliation with CoastAlaska through the Compact Agreement. CoastAlaska follows the provisions of FASB ASC 740 *Income Taxes*, and management believes that it has appropriate support for any tax positions taken. CoastAlaska's federal income tax returns (Form 990) are subject to possible examination by the Internal Revenue Service until the expiration of the related statutes of limitations on those tax returns, which, in general, have a three-year statute of limitations.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities. The Corporation's expenses are administrative in nature as their expenses are a contribution of revenues passed on to CoastAlaska and the depreciation expense of its property and equipment.

Recently Adopted Accounting Pronouncements

Not-For-Profit Entities (Topic 958)

In September 2020, the FASB issued ASU No. 2020-07, *Not-For-Profit Entities* (Topic 958). The amendments in this update will supersede much of the existing authoritative guidance for contributed nonfinancial assets. This guidance requires presentation of contributed nonfinancial assets as a separate line item in the statement of activities and additional disclosures regarding the contributed nonfinancial assets. The amendments of the update will be applied on a retrospective basis and are effective for annual periods beginning after June 15, 2021, with early application permitted. The Corporation adopted ASU 2020-07 in its fiscal year ending June 30, 2022. The adoption of the standard had no impact on net assets for the years ended June 30, 2022 or 2021, respectively.

Upcoming Accounting Pronouncements

Management is evaluating the impact of the recent accounting pronouncements listed below on the Corporation's financial position, results of operations, or cash flows, the impact of adoption has not been fully determined. Other accounting standards that have been issued or proposed by FASB, or other standards-setting bodies, not listed below, will also be evaluated prior to their effective date.

Leases (Topic 842)

In February 2016, the FASB issued ASU No. 2016-02, *Leases* (Topic 842). The amendments in this update will supersede much of the existing authoritative guidance for leases. This guidance

requires lessees to recognize right-of-use assets and liabilities on their balance sheet for all leases with terms longer than twelve months. In June of 2020, FASB issued ASU 2020-05, *Effective Dates for Certain Entities*, that deferred the effective date for the Corporation until annual periods beginning after December 15, 2021, with early application permitted. The Corporation plans to adopt ASU 2016-02 as amended by 2020-05, in its fiscal year ending June 30, 2023.

Reclassifications

Certain prior year balances have been reclassified to conform to the current year presentation.

Subsequent Events

The Corporation's management has evaluated subsequent events through the date of the Independent Auditor's Report, which is commensurate with the date the financial statements were available to be issued.

NOTE 2 – CONTRIBUTIONS OF NONFINANCIAL ASSETS

For the years ended June 30, contributions of nonfinancial assets recognized within the statements of activities included:

	 2022	 2021
Program support	\$ 5,096	\$ -
Equipment	2,900	10,925
Admin support	2,100	4,293
Storage space	1,700	1,700
Advertising	670	3,520
Professional services	_	60
	\$ 12,466	\$ 20,498

The Corporation recognized contributions of nonfinancial assets within revenue, including program support, equipment, admin support, storage space, advertising, and professional services. Unless otherwise noted, contributions of nonfinancial assets did not have donor-imposed restrictions.

Program support consists of prizes and sponsorships of various programs. The Corporation estimated the fair value on the basis of estimates of wholesale values that would be paid to purchase similar services or products.

Equipment consists of a transponder that the Corporation was allowed to use in 2021, translator space, and lodging for persons performing equipment repair. The Corporation estimated the fair value on the basis of estimates of wholesale values that would be paid to purchase similar services.

Admin support is composed of miscellaneous supplies such as catered food and office supplies that are used for general and administrative activities. The Corporation estimated the fair value on the basis of estimates of wholesale values that would be received for purchasing similar products.

Storage space consists of use of storage space. Services are valued and are reported at the estimated fair value in the financial statements based on current rates for similar storage rental services.

Advertising consists of media sponsorships provided by a local corporation on behalf of the Corporation. The Corporation estimated fair value on the basis of values that would be received for selling advertising to clients.

Professional services are sport broadcasting services provided to support the Corporation's program activities. Services are valued and are reported at the estimated fair value in the financial statements based on current rates for similar services.

NOTE 3 – PROPERTY AND EQUIPMENT

Major classifications of property and equipment at June 30, 2022 and 2021 are summarized below:

	 2022	 2021
Land	\$ 25,000	\$ 25,000
Building and improvements	543,816	543,816
Broadcasting, production and programming		
equipment	559,717	559,717
Office fixtures and equipment	 19,810	19,810
Less accumulated depreciation	1,148,343 (900,672)	1,148,343 (876,154)
	\$ 247,671	\$ 272,189

Depreciation expense was \$24,518 and \$29,294 for fiscal years ended June 30, 2022 and 2021, respectively.

NOTE 4 – CONTINGENCIES

Grants and Contracts

Expenditures made pursuant to the grants and contracts may be subject to additional audits by government agencies or their representatives. Certain grant amounts of the Corporation reflected in the financial statements of the Corporation have not been audited by the grantor agencies. Accordingly, adjustments of amounts received from grants and contracts could result if the grants and contracts are audited by such agencies.

Business Disruption

Due to the government mandated restrictions and economic uncertainties created by the Coronavirus pandemic, the Corporation was subject to temporarily reduced operations during the 4th quarter of fiscal year 2020 which resulted in reduced revenues from program service revenue. The Corporation has since resumed normal operations. There is a risk that government mandated restrictions on the Corporation's operational capacity due to the Coronavirus will occur in fiscal year 2023 resulting in reduced revenues. Management believes that this risk is minimal.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Rainbird Community Broadcasting Corporation

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Rainbird Community Broadcasting Corporation (the Corporation, a not-for-profit corporation, which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Corporation as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Corporation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rainbird Community Broadcasting Corporation's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but

is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control—related matters that we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Activity by Member for the years ended June 30, 2022 and 2021, appearing on pages 21-26, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and CoastAlaska, Inc.

Rainbird Community Broadcasting Corporation (the Corporation) is a not-for-profit Alaskan corporation, which operates a noncommercial public FM radio station (KRBD-FM in Ketchikan, Alaska), as described below.

On July 1, 1998 the Corporation joined with four other noncommercial public radio stations and one noncommercial public television station in Southeast Alaska to form CoastAlaska Inc. (CoastAlaska), a non-profit corporation, that was organized to develop and promote the funding, conduct, and collaboration of public radio broadcasting within Southeast Alaska and to assist and facilitate the administration, business management, marketing and cooperation of its member stations in the most effective and efficient means possible. The current members of CoastAlaska include CoastAlaska (KSTK), Raven Radio Foundation, Inc. (KCAW), Narrows Broadcasting Corporation (KFSK), Rainbird Community Broadcasting (KRBD), Unalaska Community Broadcasting, Inc. (KUCB), and KTOO Music & Arts LLC (KTOO FM). CoastAlaska operates under a Compact Agreement entered into on July 1, 1998.

During fiscal 1999, the members of CoastAlaska, as contemplated under the Compact, contributed all current assets, except certain excluded cash balances, and transferred all current liabilities to CoastAlaska. Each member retained respective ownership of all real and personal property of the stations and continues to remain obligated for any mortgage debt related to that property. In addition, the members retain ownership of their respective Federal Communications Commission (FCC) licenses, permits or other privileges, and maintain responsibility for programming, editorial practices, and local production.

On May 12, 2018, KSTK was acquired by CoastAlaska through the purchase of KSTK's intangible property and the donation of KSTK's net property and equipment was made to CoastAlaska.

On July 1, 2020, CCBI withdrew from the Compact Agreement of CoastAlaska and reorganized under KTOO Public Media for the purpose of operating television programming, production, and broadcasting in Juneau, Alaska. KTOO Music & Arts, LLC was created as a subsidiary of KTOO Public Media, which is treated as a disregarded entity for tax purposes, for the purpose of operating radio programming and production in Juneau, Alaska.

On July 1, 2020, KTOO Music & Arts joined the CoastAlaska compact and contributed all revenue and expenses to CoastAlaska. Effective July 1, 2020, KTOO Music & Arts, LLC is the name of the Juneau based member in the CoastAlaska Compact Agreement.

Annually, the members develop operating budgets for their stations, which are submitted to the CoastAlaska Board of Directors for review and approval. Budgets are prepared to assure the continued vitality of all the member stations. Each station's budget includes provisions for the maintenance, repair and replacement of real and personal property held by the stations and payment of the stations' obligations under long-term debt agreements.

All operating revenues received or raised are contributed to CoastAlaska. All operating expenses are the responsibility of and are paid by CoastAlaska. CoastAlaska's Board of Directors has an Executive Director who is responsible for the administration of the Compact, the stations'

budgets, and on-going management of CoastAlaska. However, each member's Board of Directors retains control over all local personnel decisions, including hiring, firing and discipline. CoastAlaska's Executive Director maintains a central office staff, which provides the following services to CoastAlaska and its members:

- Financial reporting, budgeting, monitoring, compliance with the budget and other regulatory requirements and all daily accounting functions
- Development of membership and underwriting support, and pledge fulfillment
- Engineering and engineering development
- Payroll and benefits administration
- Personnel and human resources administration
- Other administrative and financial operations

Each member of CoastAlaska has the right to nominate two of CoastAlaska's Board of Directors. A member can withdraw at any time, with six months notice, and the Compact will remain in effect as long as two or more stations remain members.

CoastAlaska also performs support services for other public radio stations, who are not members of CoastAlaska, around the state. Services provided include certain accounting, membership, and grant reporting activities.

Basis of Accounting

The financial statements of the Corporation have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

As discussed above and described in the Compact, all activity of each of the member stations of CoastAlaska, excluding the recording of real and personal property and related debt amounts, is contributed to, and recorded in the financial statements of CoastAlaska. The accounting treatment for real and personal property and related debt amounts is discussed in the "Real and Personal Property and Depreciation" note below.

The Corporation follows the guidance of FASB ASC 958-605 *Revenue Recognition* to determine whether its federal, state, or other grant programs are contributions or exchange transactions for purposes of presentation in the accompanying financial statements.

Support received from CoastAlaska for the maintenance, repair and replacement of real and personal property held by the stations and payment of the stations' obligations under long-term debt agreements is recorded when the associated costs or payments are incurred or payable. All support and revenue derived from the operation of the Corporation's radio station are contributed to and recorded by CoastAlaska.

All expenditures related to grants received from state or federal agencies and associated revenues derived from these grants are recorded in the financial statements are recorded in the Corporation's financial statements and passed through to, and recorded in, the financial statements of CoastAlaska. The Corporation remains responsible for the conduct of its federal and state grants in accordance with laws and regulations and the provisions of the grant agreements.

Basis of Presentation

The financial statements of the Corporation have been prepared in accordance with U.S. generally accepted accounting principles (US GAAP), which require the Corporation to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions may be expended for any purpose in performing the primary objectives of the Corporation. These net assets may be used at the discretion of the Corporation's management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Corporation of by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

Classification of Transactions

All revenues are reported as increases in net assets without donor restrictions in the statements of activities unless the donor specified the use of the related resources for a particular purpose or in a future period. The Corporation also classifies donor restricted amounts as unrestricted if it satisfied the restriction in the same fiscal year in which the support was received. All expenses and net losses are reported as decreases in net assets without donor restrictions.

Revenue Recognition

Contributions of Cash and Financial Assets

The Corporation may receive contributions of cash and financial assets that have conditions (e.g., meeting specific performance-related barriers, revocable features). For conditional contributions, the Corporation recognizes revenue only after the conditions are substantially met. Should the Corporation substantially meet the conditions in the same period that the contribution is received, and barring any further donor-imposed restrictions, the Corporation has elected to recognize the revenue in net assets without donor restrictions.

Contributions of Nonfinancial Assets

Donated services are recognized as contributions of nonfinancial assets in accordance with FASB ASC 958-605-25-16, if the services (a) create or enhance non-financial assets or (b) require specialized skills, are performed by people possessing those skills, and would otherwise be purchased by the Corporation. Contributed equipment are recorded as a contribution at estimated fair value on the date of donation and are reported as an increase in unrestricted net assets unless the donor has restricted the donated asset to a specific purpose. Assets, if any, donated with explicit restrictions regarding their use are reported as contributions with donor restrictions.

Membership

Membership contributions are considered available for the Corporation's general operations unless specifically restricted by the donor. The value that individuals receive from their

membership contributions is determined to be nominal. Amounts received that are restricted by the donor for use in future periods or for specific purposes are reported as restricted support increasing net assets subject to donor restrictions. Contributions received with restrictions that are met in the same reporting period and conditional contributions for which the conditions and restrictions are met in the same period are reported as support increasing net assets free of donor restrictions.

Grant Revenue

Grants or contracts awarded to the Corporation from government, the Corporation for Public Broadcasting, and other organizations are generally considered nonreciprocal transactions restricted by the awarding agency for certain purposes and are accounted for as conditional contributions. Revenue is recognized when qualified expenditures are incurred and conditions under the grant agreement are met.

Underwriting Income

Revenue from program underwriting is recognized when the Corporation satisfies a performance obligation by transferring a promised service for a customer. Revenue from program underwriting is recorded on a pro rata basis for the period covered and is recognized over time when the related program is aired. Payment received in advance of the satisfaction of performance obligations for underwriting revenues are reported as deferred revenue in the statement of financial position. Management evaluates underwriting receivables for collectability on a periodic basis. No allowance for uncollectible accounts has been recorded in the financial statements as management has determined all accounts to be collectable.

Rental, Special Events and Other Income

Revenue from rented radio tower space, special events, and merchandise sales are recorded when earned. Revenue from rentals is recognized over the period of the tenant lease term on a monthly basis and in the amount stipulated by the tenant lease. Special event and other income revenues are recognized at a point in time as the performance obligation of the special event or sales is performed for the amount of the contract. Payments received in advance of the satisfaction of performance obligations for rental, special events, and other income are reported as deferred revenue in the statement of financial position. Management evaluates receivables from rental, special events and other income for collectability on a periodic basis. No allowance for uncollectible accounts has been recorded in the financial statements.

Royalties and Production Income

Revenue from royalties and television production is recognized over time as the performance obligation is performed for the amount of the contract and is recorded when earned. Payments received in advance of the satisfaction of performance obligations for royalties and production income are reported as deferred revenue in the statement of financial position. Management evaluates receivables from royalties and production income for collectability on a periodic basis. No allowance for uncollectible accounts has been recorded in the financial statements.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Real and Personal Property and Depreciation

Property and equipment are recorded at cost or, in the case of donated property, at their estimated fair value at date of receipt. Depreciation is calculated by the straight-line method over the estimated useful lives of the assets, which range from four to twenty-five years. Expenditures for repairs and maintenance are charged to operating expense as incurred; major renewals and betterments are capitalized. Payments by CoastAlaska for repairs and maintenance of the Corporation's property and equipment are recognized as revenue when the amounts are to be paid by CoastAlaska. Expenditures incurred by CoastAlaska on behalf of the Corporation for property and equipment acquisitions, major renewals and betterments are recorded as contributions by the Corporation as incurred. Expenditures in excess of \$1,000 for land, buildings, and equipment with a useful life of at least three years are capitalized.

Cash

For the purpose of the statements of cash flows, the Corporation considers all cash in checking, savings, and money market accounts to be cash.

Income Taxes

The Corporation is exempt from federal income taxes under Section 501(c)(3) of the U.S. Internal Revenue Code. However, income from certain activities not directly related to the Corporation's tax-exempt purpose is subject to taxation as unrelated business income. In addition, the Corporation qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as a Corporation that is not a private foundation under section 509(a)(2). There was no required provision for income taxes for fiscal years ended June 30, 2022 and 2021. The Corporation qualifies under a group exemption due to their affiliation with CoastAlaska through the Compact Agreement. CoastAlaska follows the provisions of FASB ASC 740 *Income Taxes*, and management believes that it has appropriate support for any tax positions taken. CoastAlaska's federal income tax returns (Form 990) are subject to possible examination by the Internal Revenue Service until the expiration of the related statutes of limitations on those tax returns, which, in general, have a three-year statute of limitations.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities. The Corporation's expenses are administrative in nature as their expenses are a contribution of revenues passed on to CoastAlaska and the depreciation expense of its property and equipment.

Recently Adopted Accounting Pronouncements

Not-For-Profit Entities (Topic 958)

In September 2020, the FASB issued ASU No. 2020-07, *Not-For-Profit Entities (Topic 958)*. The amendments in this update will supersede much of the existing authoritative guidance for contributed nonfinancial assets. This guidance requires presentation of contributed nonfinancial assets as a separate line item in the statement of activities and additional disclosures regarding the contributed nonfinancial assets. The amendments of the update will be applied on a retrospective basis and are effective for annual periods beginning after June 15, 2021, with early application permitted. The Corporation adopted ASU 2020-07 in its fiscal year ending June 30, 2022. The adoption of the standard had no impact on net assets for the years ended June 30, 2022 or 2021, respectively.

<u>Upcoming Accounting Pronouncements</u>

Management is evaluating the impact of the recent accounting pronouncements listed below on the Corporation's financial position, results of operations, or cash flows, the impact of adoption has not been fully determined. Other accounting standards that have been issued or proposed by FASB, or other standards-setting bodies, not listed below, will also be evaluated prior to their effective date.

Leases (Topic 842)

In February 2016, the FASB issued ASU No. 2016-02, *Leases (Topic 842)*. The amendments in this update will supersede much of the existing authoritative guidance for leases. This guidance requires lessees to recognize right-of-use assets and liabilities on their balance sheet for all leases with terms longer than twelve months. In June of 2020, FASB issued ASU 2020-05 *Effective Dates for Certain Entities* that deferred the effective date for the Corporation until annual periods beginning after December 15, 2021, with early application permitted. The Corporation plans to adopt ASU 2016-02 as amended by 2020-05, in its fiscal year ending June 30, 2023.

<u>Reclassifications</u>

Certain prior year balances have been reclassified to conform to the current year presentation.

Subsequent Events

The Corporation's management has evaluated subsequent events through the date of the Independent Auditor's Report, which is commensurate with the date the financial statements were available to be issued.

NOTE 2 – CONTRIBUTIONS OF NONFINANCIAL ASSETS

For the years ended June 30, contributions of nonfinancial assets recognized within the statements of activities included:

	2022	2021
Advertising	\$ 19,434	\$ 19,068
Admin support	3,229	7,171
Equipment	735	9,140
Supplies	160	572
Staff Lodging	-	 2,600
	\$ 23,558	\$ 38,551

The Corporation recognized contributions of nonfinancial assets within revenue, including advertising, admin support, equipment, supplies, and staff lodging. Unless otherwise noted, contributions of nonfinancial assets did not have donor-imposed restrictions.

Advertising consists of media sponsorships provided by a local corporation on behalf of the Corporation. The Corporation estimated fair value on the basis of values that would be received for selling advertising to clients.

Admin support is composed of miscellaneous items such as coffee and bottled water service that are used for general and administrative activities. The Corporation estimated the fair value on the basis of estimates of wholesale values that would be received for purchasing similar products.

Equipment consists of a transponder that the Corporation was allowed to use in 2021 and lodging for persons performing equipment repair. The Corporation estimated the fair value on the basis of estimates of wholesale values that would be paid to purchase similar services.

Supplies are janitorial supplies received from a local company. Services are valued and are reported at the estimated fair value on the basis of estimates of wholesale values that would be paid to purchase similar items.

Staff lodging is lodging provided to an intern in 2021. The Corporation estimated the fair value on the basis of estimates of wholesale values that would be paid to purchase similar lodging.

NOTE 3 - PROPERTY AND EQUIPMENT

Major classifications of property and equipment at June 30, 2022 and 2021 are summarized below:

	 2022	 2021
Land	\$ 130,900	\$ 130,900
Building and improvements	573,948	573,948
Broadcasting, production and programming		
equipment	560,306	560,306
Office fixtures and equipment	 9,700	 9,700
Less accumulated depreciation	1,274,854 (825,937)	 1,274,854 (796,029)
	\$ 448,917	\$ 478,825

Depreciation expense was \$29,908 and \$32,800 for fiscal years ended June 30, 2022 and 2021, respectively.

NOTE 4 – CONTINGENCIES

Grants and Contracts

Expenditures made pursuant to the grants and contracts may be subject to additional audits by government agencies or their representatives. Certain grant amounts of the Corporation reflected in the financial statements of the Corporation have not been audited by the grantor agencies. Accordingly, adjustments of amounts received from grants and contracts could result if the grants and contracts are audited by such agencies.

Business Disruption

Due to the government mandated restrictions and economic uncertainties created by the Coronavirus pandemic, the Corporation was subject to temporarily reduced operations during the 4th quarter of fiscal year 2020 which resulted in reduced revenues from program service

revenue. The Corporation has since resumed normal operations. There is a risk that government mandated restrictions on the Corporation's operational capacity due to the Coronavirus will occur in fiscal year 2023 resulting in reduced revenues. Management believes that this risk is minimal.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Unalaska Community Broadcasting, Inc.

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Unalaska Community Broadcasting, Inc. (the Corporation), a not-for-profit corporation, which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Corporation as of June, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Corporation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an

auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control—related matters that we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Activity by Member for the years ended June 30, 2022 and 2021 appearing on pages 21-26, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and CoastAlaska, Inc.

Unalaska Community Broadcasting. Inc. (the Corporation or KUCB) is a not-for-profit Alaskan corporation, which operates a noncommercial public FM radio station (KUCB-FM in Unalaska, Alaska), as described below.

On July 1, 1998 the Corporation joined with four other noncommercial public radio stations and one noncommercial public television station in Southeast Alaska to form CoastAlaska Inc. (CoastAlaska), a non-profit corporation, that was organized to develop and promote the funding, conduct, and collaboration of public radio broadcasting within Southeast Alaska and to assist and facilitate the administration, business management, marketing and cooperation of its member stations in the most effective and efficient means possible. The current members of CoastAlaska include CoastAlaska (KSTK), Raven Radio Foundation, Inc. (KCAW), Narrows Broadcasting Corporation (KFSK), Rainbird Community Broadcasting (KRBD), Unalaska Community Broadcasting, Inc. (KUCB), and KTOO Music and Arts, LLC (KTOO FM). CoastAlaska operates under a Compact Agreement entered into on July 1, 1998.

During fiscal 1999, the members of CoastAlaska, as contemplated under the Compact, contributed all current assets, except certain excluded cash balances, and transferred all current liabilities to CoastAlaska. Each member retained respective ownership of all real and personal property of the stations and continues to remain obligated for any mortgage debt related to that property. In addition, the members retain ownership of their respective Federal Communications Commission (FCC) licenses, permits or other privileges, and maintain responsibility for programming, editorial practices, and local production.

On May 12, 2018, KSTK was acquired by CoastAlaska through the purchase of KSTK's intangible property and the donation of KSTK's net property and equipment was made to CoastAlaska.

On July 1, 2020, CCBI withdrew from the Compact Agreement of CoastAlaska and reorganized under KTOO Public Media for the purpose of operating television programming, production, and broadcasting in Juneau, Alaska. KTOO Music and Arts, LLC was created as a subsidiary of KTOO Public Media, which is treated as a disregarded entity for tax purposes, for the purpose of operating radio programming and production in Juneau, Alaska.

On July 1, 2020, KTOO Music and Arts, LLC joined the CoastAlaska compact and contributed all revenue and expenses to CoastAlaska. Effective July 1, 2020, KTOO Music and Arts, LLC is the name of the Juneau based member in the CoastAlaska Compact Agreement.

Annually, the members develop operating budgets for their stations, which are submitted to the CoastAlaska Board of Directors for review and approval. Budgets are prepared to assure the continued vitality of all the member stations. Each station's budget includes provisions for the maintenance, repair and replacement of real and personal property held by the stations and payment of the stations' obligations under long-term debt agreements.

All operating revenues received or raised are contributed to CoastAlaska. All operating expenses are the responsibility of and are paid by CoastAlaska. CoastAlaska's Board of Directors has an Executive Director who is responsible for the administration of the Compact, the stations' budgets, and on-going management of CoastAlaska. However, each member's Board of Directors retains control over all local personnel decisions, including hiring, firing and discipline.

UNALASKA COMMUNITY BROADCASTING, INC. NOTES TO THE FINANCIAL STATEMENTS

CoastAlaska's Executive Director maintains a central office staff, which provides the following services to CoastAlaska and its members:

- Financial reporting, budgeting, monitoring, compliance with the budget and other regulatory requirements and all daily accounting functions
- Development of membership and underwriting support, and pledge fulfillment
- Engineering and engineering development
- Payroll and benefits administration
- Personnel and human resources administration
- Other administrative and financial operations

Each member of CoastAlaska has the right to nominate two of CoastAlaska's Board of Directors. A member can withdraw at any time and the Compact will remain in effect as long as two or more stations remain members.

CoastAlaska also performs support services for other public radio stations, who are not members of CoastAlaska, around the state. Services provided include certain accounting, membership, and grant reporting activities.

Basis of Accounting

The financial statements of the Corporation have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

As discussed above and described in the Compact, all activity of each of the member stations of CoastAlaska, excluding the recording of real and personal property and related debt amounts, is contributed to, and recorded in the financial statements of CoastAlaska. The accounting treatment for real and personal property and related debt amounts is discussed in the "Real and Personal Property and Depreciation" note below.

The Corporation follows the guidance of FASB ASC 958-605 *Revenue Recognition* to determine whether its federal, state, or other grant programs are contributions or exchange transactions for purposes of presentation in the accompanying financial statements.

Support received from CoastAlaska for the maintenance, repair and replacement of real and personal property held by the stations and payment of the stations' obligations under long-term debt agreements is recorded when the associated costs or payments are incurred or payable. All support and revenue derived from the operation of the Corporation's radio station are contributed to and recorded by CoastAlaska.

All expenditures related to grants received from state or federal agencies and associated revenues derived from these grants are recorded in the financial statements are recorded in the Corporation's financial statements and passed through to, and recorded in, the financial statements of CoastAlaska. The Corporation remains responsible for the conduct of its federal and state grants in accordance with laws and regulations and the provisions of the grant agreements.

NOTES TO THE FINANCIAL STATEMENTS

Basis of Presentation

The financial statements of the Corporation have been prepared in accordance with U.S. generally accepted accounting principles (US GAAP), which require the Corporation to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions may be expended for any purpose in performing the primary objectives of the Corporation. These net assets may be used at the discretion of the Corporation's management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Corporation of by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

Classification of Transactions

All revenues are reported as increases in net assets without donor restrictions in the statements of activities unless the donor specified the use of the related resources for a particular purpose or in a future period. The Corporation also classifies donor restricted amounts as unrestricted if it satisfied the restriction in the same fiscal year in which the support was received. All expenses and net losses are reported as decreases in net assets without donor restrictions.

Revenue Recognition

Contribution of Cash and Financial Assets

The Corporation may receive contributions of cash and financial assets that have conditions (e.g., meeting specific performance-related barriers, revocable features). For conditional contributions, the Corporation recognizes revenue only after the conditions are substantially met. Should the Corporation substantially meet the conditions in the same period that the contribution is received, and barring any further donor-imposed restrictions, the Corporation has elected to recognize the revenue in net assets without donor restrictions.

Contributions of Nonfinancial Assets

Donated services are recognized as contributions of nonfinancial assets in accordance with FASB ASC 958-605-25-16, if the services (a) create or enhance non-financial assets or (b) require specialized skills, are performed by people possessing those skills, and would otherwise be purchased by the Corporation. Contributed equipment are recorded as a contribution at estimated fair value on the date of donation and are reported as an increase in unrestricted net assets unless the donor has restricted the donated asset to a specific purpose. Assets, if any, donated with explicit restrictions regarding their use are reported as contributions with donor restrictions.

Membership

Membership contributions are considered available for the Corporation's general operations unless specifically restricted by the donor. The value that individuals receive from their membership contributions is determined to be nominal. Amounts received that are restricted by the donor for use in future periods or for specific purposes are reported as restricted support

NOTES TO THE FINANCIAL STATEMENTS

increasing net assets subject to donor restrictions. Contributions received with restrictions that are met in the same reporting period and conditional contributions for which the conditions and restrictions are met in the same period are reported as support increasing net assets free of donor restrictions.

Grant Revenue

Grants or contracts awarded to the Corporation from government, the Corporation for Public Broadcasting, and other organizations are generally considered nonreciprocal transactions restricted by the awarding agency for certain purposes and are accounted for as conditional contributions. Revenue is recognized when qualified expenditures are incurred and conditions under the grant agreement are met.

Underwriting Income

Revenue from program underwriting is recognized when the Corporation satisfies a performance obligation by transferring a promised service for a customer. Revenue from program underwriting is recorded on a pro rata basis for the period covered and is recognized over time when the related program is aired. Payment received in advance of the satisfaction of performance obligations for underwriting revenues are reported as deferred revenue in the statement of financial position. Management evaluates underwriting receivables for collectability on a periodic basis. No allowance for uncollectible accounts has been recorded in the financial statements as management has determined all accounts to be collectable.

Rental, Special Events and Other Income

Revenue from rented radio tower space, special events, and merchandise sales are recorded when earned. Revenue from rentals is recognized over the period of the tenant lease term on a monthly basis and in the amount stipulated by the tenant lease. Special event and other income revenues are recognized at a point in time as the performance obligation of the special event or sales is performed for the amount of the contract. Payments received in advance of the satisfaction of performance obligations for rental, special events, and other income are reported as deferred revenue in the statement of financial position. Management evaluates receivables from rental, special events and other income for collectability on a periodic basis. No allowance for uncollectible accounts has been recorded in the financial statements.

Royalties and Production Income

Revenue from royalties and television production is recognized over time as the performance obligation is performed for the amount of the contract and is recorded when earned. Payments received in advance of the satisfaction of performance obligations for royalties and production income are reported as deferred revenue in the statement of financial position. Management evaluates receivables from royalties and production income for collectability on a periodic basis. No allowance for uncollectible accounts has been recorded in the financial statements.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Real and Personal Property and Depreciation

Property and equipment are recorded at cost or, in the case of donated property, at their estimated fair value at date of receipt. Depreciation is calculated by the straight-line method over the estimated useful lives of the assets, which range from four to twenty-five years. Expenditures for repairs and maintenance are charged to operating expense as incurred; major

NOTES TO THE FINANCIAL STATEMENTS

renewals and betterments are capitalized. Payments by CoastAlaska for repairs and maintenance of the Corporation's property and equipment are recognized as revenue when the amounts are to be paid by CoastAlaska. Expenditures incurred by CoastAlaska on behalf of the Corporation for property and equipment acquisitions, major renewals and betterments are recorded as contributions by the Corporation as incurred. Expenditures in excess of \$1,000 for land, buildings, and equipment with a useful life of at least three years are capitalized.

Cash

For the purpose of the statements of cash flows, the Corporation considers all cash in checking, savings, and money market accounts to be cash.

Income Taxes

The Corporation is exempt from federal income taxes under Section 501(c)(3) of the U.S. Internal Revenue Code. However, income from certain activities not directly related to the Corporation's tax-exempt purpose is subject to taxation as unrelated business income. In addition, the Corporation qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as a Corporation that is not a private foundation under section 509(a)(2). There was no required provision for income taxes for fiscal year ended June 30, 2022. The Corporation qualifies under a group exemption due to their affiliation with CoastAlaska through the Compact Agreement. CoastAlaska follows the provisions of FASB ASC 740 *Income Taxes*, and management believes that it has appropriate support for any tax positions taken. CoastAlaska's federal income tax returns (Form 990) are subject to possible examination by the Internal Revenue Service until the expiration of the related statutes of limitations on those tax returns, which, in general, have a three-year statute of limitations.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities. The Corporation's expenses are administrative in nature as their expenses are a contribution of revenues passed on to CoastAlaska and the depreciation expense of its property and equipment.

Recently Adopted Accounting Pronouncements

Not-For-Profit Entities (Topic 958)

In September 2020, the FASB issued ASU No. 2020-07, *Not-For-Profit Entities (Topic 958)*. The amendments in this update will supersede much of the existing authoritative guidance for contributed nonfinancial assets. This guidance requires presentation of contributed nonfinancial assets as a separate line item in the statement of activities and additional disclosures regarding the contributed nonfinancial assets. The amendments of the update will be applied on a retrospective basis and are effective for annual periods beginning after June 15, 2021, with early application permitted. The Corporation adopted ASU 2020-07 in its fiscal year ending June 30, 2022. The adoption of the standard had no impact on net assets for the years ended June 30, 2022 or 2021, respectively.

Upcoming Accounting Pronouncements

Management is evaluating the impact of the recent accounting pronouncements listed below on the Corporation's financial position, results of operations, or cash flows, the impact of adoption has not been fully determined. Other accounting standards that have been issued or proposed by FASB, or other standards-setting bodies, not listed below, will also be evaluated prior to their effective date.

NOTES TO THE FINANCIAL STATEMENTS

Leases (Topic 842)

In February 2016, the FASB issued ASU No. 2016-02, *Leases (Topic 842)*. The amendments in this update will supersede much of the existing authoritative guidance for leases. This guidance requires lessees to recognize right-of-use assets and liabilities on their balance sheet for all leases with terms longer than twelve months. In June of 2020, FASB issued ASU 2020-05 *Effective Dates for Certain Entities* that deferred the effective date for the Corporation until annual periods beginning after December 15, 2021, with early application permitted. The Corporation plans to adopt ASU 2016-02 as amended by 2020-05, in its fiscal year ending June 30, 2023.

Reclassifications

Certain prior year balances have been reclassified to conform to the current year presentation.

Subsequent Events

The Corporation's management has evaluated subsequent events through the date of the Independent Auditor's Report, which is commensurate with the date the financial statements were available to be issued.

NOTE 2 – CONTRIBUTIONS OF NONFINANCIAL ASSETS

For the years ended June 30, contributions of nonfinancial assets recognized within the statements of activities included:

	 2022	 2021
Space rent	\$ 22,620	\$ 22,620
Admin support	-	14,357
Equipment	 	8,524
	\$ 22,620	\$ 45,501

The Corporation recognized contributions of nonfinancial assets within revenue, including space rent, admin support, and equipment. Unless otherwise noted, contributions of nonfinancial assets did not have donor-imposed restrictions.

Space rent consists of studio and office space provided by local government on behalf of the Corporation. The Corporation estimated fair value on the basis of values that would be received for renting similar space to a renter.

Admin support is composed of miscellaneous items and travel vouchers used for general and administrative activities. The Corporation estimated the fair value on the basis of estimates of wholesale values that would be received for purchasing similar products.

Equipment consists of a transponder that the Corporation was allowed to use in 2021. The Corporation estimated the fair value on the basis of estimates of wholesale values that would be paid to purchase similar services.

UNALASKA COMMUNITY BROADCASTING, INC. NOTES TO THE FINANCIAL STATEMENTS

NOTE 3 – PROPERTY AND EQUIPMENT

Major classifications of property and equipment at June 30, 2022 and 2021 are summarized below:

	2022	2021
Broadcasting, production and programming		
equipment	\$ 337,902	\$ 337,902
Less accumulated depreciation	(277,836)	(260,714)
	\$ 60,066	\$ 77,188

Depreciation expense was \$17,122 and \$16,263 for the years ended June 30, 2022 and 2021, respectively.

NOTE 4 – CONTINGENCIES

Grants and Contracts

Expenditures made pursuant to the grants and contracts may be subject to additional audits by government agencies or their representatives. Certain grant amounts of the Corporation reflected in the financial statements of the Corporation have not been audited by the grantor agencies. Accordingly, adjustments of amounts received from grants and contracts could result if the grants and contracts are audited by such agencies.

Business Disruption

Due to the government mandated restrictions and economic uncertainties created by the Coronavirus pandemic, The Corporation was subject to temporarily reduced operations during the 4th quarter of fiscal year 2020 which resulted in reduced revenues from program service revenue. The Corporation has since resumed normal operations. There is a risk that government mandated restrictions on the Corporation's operational capacity due to the Coronavirus will occur in fiscal year 2023 resulting in reduced revenues. Management believes that this risk is minimal.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors KTOO Music and Arts, LLC

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of KTOO Music and Arts, LLC (KTOO FM), a not-for-profit limited liability company, which comprise the statements of activities as of June 30, 2022, and 2021, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the changes in its net assets for the years ended June 2022 and 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of KTOO FM and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about KTOO FM's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in

accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of
 expressing an opinion on the effectiveness of KTOO FM's internal control. Accordingly,
 no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about KTOO FM's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control—related matters that we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Activity by Member for the years ended June 30, 2022 and 2021, appearing on pages 21-26, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

KTOO MUSIC AND ARTS, LLC

NOTES TO THE FINANCIAL STATEMENTS

Years Ended June 30, 2022 and 2021

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and CoastAlaska, Inc.

KTOO Music and Arts, LLC (the Company) is a not-for-profit Alaskan limited liability company, which operates a noncommercial public FM radio station (KTOO FM in Juneau, Alaska), as described below.

On July 1, 1998 CCBI joined with four other noncommercial public radio stations in Southeast Alaska to form CoastAlaska Inc. (CoastAlaska), a non-profit corporation, that was organized to develop and promote the funding, conduct, and collaboration of public radio broadcasting within Southeast Alaska and to assist and facilitate the administration, business management, marketing and cooperation of its member stations in the most effective and efficient means possible. The current members of CoastAlaska include CoastAlaska (KSTK), Raven Radio Foundation, Inc. (KCAW), Narrows Broadcasting Corporation (KFSK), Rainbird Community Broadcasting (KRBD), Unalaska Community Broadcasting, Inc. (KUCB), and KTOO Music and Arts LLC (KTOO FM). CoastAlaska operates under a Compact Agreement entered into on July 1, 1998.

During fiscal 1999, the members of CoastAlaska, as contemplated under the Compact, contributed all current assets, except certain excluded cash balances, and transferred all current liabilities to CoastAlaska. Each member retained respective ownership of all real and personal property of the stations and continues to remain obligated for any mortgage debt related to that property. In addition, the members retain ownership of their respective Federal Communications Commission (FCC) licenses, permits or other privileges, and maintain responsibility for programming, editorial practices, and local production.

On May 12, 2018, KSTK was acquired by CoastAlaska through the purchase of KSTK's intangible property and the donation of KSTK's net property and equipment was made to CoastAlaska.

On July 1, 2020, CCBI withdrew from the Compact Agreement of CoastAlaska and reorganized under KTOO Public Media for the purpose of operating television programming, production, and broadcasting in Juneau, Alaska. KTOO Music and Arts, LLC was created as a subsidiary of KTOO Public Media, which is treated as a disregarded entity for tax purposes, for the purpose of operating radio programming and production in Juneau, Alaska.

On July 1, 2020, KTOO Music and Arts joined the CoastAlaska compact and contributed all revenue and expenses to CoastAlaska. Effective July 1, 2020, KTOO Music and Arts, LLC is the name of the Juneau based member in the CoastAlaska Compact Agreement.

Annually, the members develop operating budgets for their stations, which are submitted to the CoastAlaska Board of Directors for review and approval. Budgets are prepared to assure the continued vitality of all the member stations. Each stations' budget includes provisions for the maintenance, repair and replacement of real and personal property held by the stations and payment of the stations' obligations under long-term debt agreements.

All operating revenues received or raised are contributed to CoastAlaska. All operating expenses are the responsibility of and are paid by CoastAlaska. CoastAlaska's Board of Directors has an

KTOO MUSIC AND ARTS, LLC

NOTES TO THE FINANCIAL STATEMENTS

Executive Director who is responsible for the administration of the Compact, the stations' budgets, and on-going management of CoastAlaska. However, each member's Board of Directors retains control over all local personnel decisions, including hiring, firing and discipline. CoastAlaska's Executive Director maintains a central office staff which provides the following services to CoastAlaska and its members:

- Financial reporting, budgeting, monitoring, compliance with the budget and other regulatory requirements and all daily accounting functions
- Development of membership and underwriting support, and pledge fulfillment
- Engineering and engineering development
- Payroll and benefits administration
- Personnel and human resources administration
- Other administrative and financial operations

Each member of CoastAlaska has the right to nominate two of CoastAlaska's Board of Directors. A member can withdraw at any time, with six months notice, and the Compact will remain in effect as long as two or more stations remain members.

CoastAlaska also performs support services for other public radio stations, who are not members of CoastAlaska, around the state. Services provided include certain accounting, membership, and grant reporting activities.

Basis Accounting

The financial statement of the Company has been prepared on the accrual basis of accounting.

As discussed above and described in the Compact, all activity of each of the member stations of CoastAlaska, excluding the recording of real and personal property and related debt amounts, is contributed to, and recorded in the financial statements of CoastAlaska.

The Company follows the guidance of FASB ASC 958-605 *Revenue Recognition* to determine whether its federal, state, or other grant programs are contributions or exchange transactions for purposes of presentation in the accompanying financial statements.

Support received from CoastAlaska for the maintenance, repair and replacement of real and personal property held by the stations and payment of the stations' obligations under long-term debt agreements is recorded when the associated costs or payments are incurred or payable. All support and revenue derived from the operation of the Company's radio stations are contributed to and recorded by CoastAlaska.

All expenditures related to grants received from state or federal agencies and associated revenues derived from these grants are recorded in the financial statements are recorded in the Company's financial statements and passed through to, and recorded in, the financial statements of CoastAlaska. The Company remains responsible for the conduct of its federal and state grants in accordance with laws and regulations and the provisions of the grant agreements.

KTOO MUSIC AND ARTS, LLC NOTES TO THE FINANCIAL STATEMENTS

Basis of Presentation

The financial statements of the Company have been prepared in accordance with U.S. generally accepted accounting principles (US GAAP), which require the Company to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions may be expended for any purpose in performing the primary objectives of the Corporation. These net assets may be used at the discretion of the Company's management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Company of by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

Classification of Transactions

All revenues are reported as increases in net assets without donor restrictions in the statements of activities unless the donor specified the use of the related resources for a particular purpose or in a future period. The Company also classifies donor restricted amounts as unrestricted if it satisfied the restriction in the same fiscal year in which the support was received. All expenses and net losses are reported as decreases in net assets without donor restrictions.

Revenue Recognition

Contributions of Cash and Financial Assets

The Company may receive contributions of cash and financial assets that have conditions (e.g., meeting specific performance-related barriers, revocable features). For conditional contributions, the Company recognizes revenue only after the conditions are substantially met. Should the Company substantially meet the conditions in the same period that the contribution is received, and barring any further donor-imposed restrictions, the Company has elected to recognize the revenue in net assets without donor restrictions.

Contributions of Nonfinancial Assets

Donated services are recognized as contributions of nonfinancial assets in accordance with FASB ASC 958-605-25-16, if the services (a) create or enhance non-financial assets or (b) require specialized skills, are performed by people possessing those skills, and would otherwise be purchased by the Company. Contributed equipment are recorded as a contribution at estimated fair value on the date of donation and are reported as an increase in unrestricted net assets unless the donor has restricted the donated asset to a specific purpose. Assets, if any, donated with explicit restrictions regarding their use are reported as contributions with donor restrictions.

Membership

Membership contributions are considered available for the Company's general operations unless specifically restricted by the donor. The value that individuals receive from their membership contributions is determined to be nominal. Amounts received that are restricted by

KTOO MUSIC AND ARTS, LLC

NOTES TO THE FINANCIAL STATEMENTS

the donor for use in future periods or for specific purposes are reported as restricted support increasing net assets subject to donor restrictions. Contributions received with restrictions that are met in the same reporting period and conditional contributions for which the conditions and restrictions are met in the same period are reported as support increasing net assets free of donor restrictions.

Grant Revenue

Grants or contracts awarded to the Company from government, the Corporation for Public Broadcasting, and other organizations are generally considered nonreciprocal transactions restricted by the awarding agency for certain purposes and are accounted for as conditional contributions. Revenue is recognized when qualified expenditures are incurred and conditions under the grant agreement are met. Grant receivables are recorded for unreimbursed expenses incurred for the purposes specified by the awarding agency. Funding received in advance of incurring allowable expenses are recorded as a refundable advance.

Underwriting Income

Revenue from program underwriting is recognized when the Company satisfies a performance obligation by transferring a promised service for a customer. Revenue from program underwriting is recorded on a pro rata basis for the period covered and is recognized over time when the related program is aired. Payment received in advance of the satisfaction of performance obligations for underwriting revenues are reported as deferred revenue in the statement of financial position. Management evaluates underwriting receivables for collectability on a periodic basis. No allowance for uncollectible accounts has been recorded in the financial statements as management has determined all accounts to be collectible.

Rental, Special Events and Other Income

Revenue from rented radio tower space, special events, and merchandise sales are recorded when earned. Revenue from rentals is recognized over the period of the tenant lease term on a monthly basis and in the amount stipulated by the tenant lease. Special event and other income revenues are recognized at a point in time as the performance obligation of the special event or sales is performed for the amount of the contract. Payments received in advance of the satisfaction of performance obligations for rental, special events, and other income are reported as deferred revenue in the statement of financial position. Management evaluates receivables from rental, special events and other income for collectability on a periodic basis. No allowance for uncollectible accounts has been recorded in the financial statements.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates

Income Taxes

The Company is exempt from federal income taxes under Section 501(c)(3) of the U.S. Internal Revenue Code. However, income from certain activities not directly related to the Company's tax-exempt purpose is subject to taxation as unrelated business income. In addition, the Company qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as a corporation that is not a private foundation under section 509(a)(2). There was no required provision for income taxes for fiscal years ended June 30, 2022. The Company qualifies under a group exemption due to their affiliation with CoastAlaska through the

KTOO MUSIC AND ARTS, LLC

NOTES TO THE FINANCIAL STATEMENTS

Compact Agreement. CoastAlaska follows the provisions of FASB ASC 740 *Income Taxes*, and management believes that it has appropriate support for any tax positions taken. CoastAlaska's federal income tax returns (Form 990) are subject to possible examination by the Internal Revenue Service until the expiration of the related statutes of limitations on those tax returns, which, in general, have a three-year statute of limitations.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities. The Company's expenses are administrative in nature as their expenses are a contribution of revenues passed on to CoastAlaska.

Recently Adopted Accounting Pronouncements

Not-For-Profit Entities (Topic 958)

In September 2020, the FASB issued ASU No. 2020-07, *Not-For-Profit Entities (Topic 958)*. The amendments in this update will supersede much of the existing authoritative guidance for contributed nonfinancial assets. This guidance requires presentation of contributed nonfinancial assets as a separate line item in the statement of activities and additional disclosures regarding the contributed nonfinancial assets. The amendments of the update will be applied on a retrospective basis and are effective for annual periods beginning after June 15, 2021, with early application permitted. The Company adopted ASU 2020-07 in its fiscal year ending June 30, 2022. The adoption of the standard had no impact on net assets for the years ended June 30, 2022 or 2021, respectively.

Upcoming Accounting Pronouncements

Management is evaluating the impact of the recent accounting pronouncements listed below on the Company's financial position, results of operations, or cash flows, the impact of adoption has not been fully determined. Other accounting standards that have been issued or proposed by FASB, or other standards-setting bodies, not listed below, will also be evaluated prior to their effective date.

Leases (Topic 842)

In February 2016, the FASB issued ASU No. 2016-02, *Leases (Topic 842).* The amendments in this update will supersede much of the existing authoritative guidance for leases. This guidance requires lessees to recognize right-of-use assets and liabilities on their balance sheet for all leases with terms longer than twelve months. In June of 2020, FASB issued ASU 2020-05, *Effective Dates for Certain Entities*, that deferred the effective date for the Corporation until annual periods beginning after December 15, 2021, with early application permitted. The Company plans to adopt ASU 2016-02 as amended by 2020-05, in its fiscal year ending June 30, 2023.

Reclassifications

Certain prior year balances have been reclassified to conform to the current year presentation.

Subsequent Events

The Company's management has evaluated subsequent events through the date of the Independent Auditor's Report, which is commensurate with the date the financial statements were available to be issued.

KTOO MUSIC AND ARTS, LLC NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 – CONTRIBUTIONS OF NONFINANCIAL ASSETS

For the years ended June 30, contributions of nonfinancial assets recognized within the statements of activities included:

	2022		 2021	
Advertising	\$	30,926	\$ 36,696	
Admin support		2,015	4,726	
Equipment		-	8,524	
Building repair and maintenance			 780	
	\$	32,941	\$ 50,726	

The Company recognized contributions of nonfinancial assets within revenue, including advertising, admin support, equipment, and building repair and maintenance. Unless otherwise noted, contributions of nonfinancial assets did not have donor-imposed restrictions.

Advertising consists of media sponsorships provided by a local organization on behalf of the Company. The Company estimated fair value on the basis of values that would be received for selling advertising to clients.

Admin support is composed of miscellaneous supplies such as coffee that is used for general and administrative activities. The Company estimated the fair value on the basis of estimates of wholesale values that would be received for selling similar products.

Equipment consists of a transponder that the Company was allowed to use in 2021. The Company estimated the fair value on the basis of estimates of wholesale values that would be paid to purchase similar services.

Building repair and maintenance are various services received from organizations or companies that includes composting services. Services are valued and are reported at the estimated fair value in the financial statements based on current rates for similar services.

NOTE 3 – ADMITTANCE OF KTOO MUSIC AND ARTS, LLC TO THE COMPACT

On July 1, 2020, KTOO Music and Arts, LLC joined the CoastAlaska compact and contributed all revenue and expenses to CoastAlaska. Effective July 1, 2020, KTOO Music and Arts, LLC is the name of the Juneau based member in the CoastAlaska Compact Agreement.

NOTE 4 – CONTINGENT LIABILITIES

Grants and Contracts

Expenditures made pursuant to the grants and contracts may be subject to additional audits by government agencies. Certain grant amounts of the Company reflected in the financial statements of the Company have not been audited by the grantor agencies. Accordingly, adjustments of amounts received from grants and contracts could result if the grants and contracts are audited by such agencies.

KTOO MUSIC AND ARTS, LLC NOTES TO THE FINANCIAL STATEMENTS

Business Disruption
There is a risk that government mandated restrictions on the Company's operational capacity due to the Coronavirus will occur in fiscal year 2023 resulting in reduced revenues. Management believes that this risk is minimal.
