MEMORANDUM TO COUNCIL

To: Mayor and City Council Members
From: William Homka, Acting City Manager
Date: April 10, 2023
Re: Summary of Community Support Grant Application Requests

SUMMARY: This year the formula amount of funding available is \$1,439,215 for the City of Unalaska's Community Support Grant & Capital Grant Program (Community Support Program).

Eight (8) organizations submitted applications totaling \$1,501,714, which exceeds the formula amount by \$62,499.

The applications have been reviewed by Staff and are provided to Council for review. Staff does not make recommendations; City Council decides how to fund the requests. To aid in the decision-making process the council packet includes a summary review sheet for each applicant. This material should help communicate the Community Support Program's financial impact on the FY24 budget.

Grant applicants presented their requests to the Council on April 10, 2023. Staff included a funding recommendation table and requested responses in time for this meeting.

PREVIOUS COUNCIL ACTION: Each year from FY06 through FY17 Council established a special committee charged with reviewing and scoring the applications using the Council-approved evaluation tool.

On December 27, 2016 Council passed Resolution 2016-78 eliminating the Grant Review Committee, allowing Staff to do a preliminary review of all applications and then pass the application reviews and other informational documents to Council.

In December 2019 Council passed Resolution 2019-64 to increase the funding percentage from 3.4642% to 3.5% of the city's general fund revenue average for the past five (5) years. The purpose of the increase was to round the percentage up to a simple decimal number. The award amounts have varied over the years from 3.03% to 3.91%.

In February 2023, Council passed Resolution 2023-09 amending the funding formula to include revenue from the tobacco excise tax. The new funding guide is: 3.5% of the average General Fund revenue for the five most recently completed fiscal years; plus the Bed Tax Fund for the most recently completed fiscal year; plus the Tobacco Excise Tax Fund for the most recently completed fiscal year.

BACKGROUND: Eight Community Support Grant applications were received; and no capital requests. All submissions have been reviewed and summarized by Staff. All requests were completed and submitted in a timely manner. All application summaries are included in the Council Packet.

DISCUSSION: The funding amount available to be awarded this year is \$1,439,215 based on the formula adopted by Council:

5-year Average General Fund Revenue	\$1,167,077
Bed Tax	\$115,724
Tobacco Tax	<u>\$156,414</u>
Total:	\$1,439,215

The FY24 total funding request is \$1,501,714 and exceeds the FY24 funding formula amount by \$62,499. The Tobacco Excise Tax funds are dedicated to the Community Support Grant Program for the benefit of public health programs or tobacco education and cessation programs in Unalaska. These funds are appropriate to aid funding to either APIA or IFHS through the grant program.

The following is a list of the amounts requested for FY24. The funding to the Rusting Man Foundation was approved through Resolution 2022-45.

FY24 Community Grant Application Summary Table

Organization	FY24 Request
APIA	\$130,000.00
Iliuliuk Family Health Services	\$180,000.00
Museum of the Aleutians	\$373,058.30
UCB/KUCB	\$115,500.00
Unalaska Senior Citizens	\$69,000.88
Unalaska Visitor’s Bureau	\$210,000.00
USAFV	\$329,855.00
Q-Tribe Culture Camp	\$94,299.40
TOTAL	\$1,501,713.58
Rusting Man Foundation	\$125,000
TOTAL	1,626,713.58

Planned activities for FY24 Community Support Grant funding are briefly listed below.

APIA

1. Offers well-rounded behavioral health services that align with needs of the entire community.
2. Enhance prevention and outreach efforts in topic areas that align with community request (e.g., anti-bullying, suicide prevention, and healthy lifestyle choices such as pro-social activities, nutrition/traditional foods, cultural values and safe partner relationships). These events will comply with local mandates related to COVID-19.
3. Network with community partners in Unalaska to prevent and decrease drug use in the community.
4. Requesting \$10,000 less than FY23.
5. Notes: Some APIA activities may qualify for the funds collected via the Excise Tax on Tobacco established in 2021 via Resolution 2021-02.

IFHS

1. Continue to respond to all appropriate after hours/emergency calls. This funding request helps offset a portion of the expense incurred by IFHS to provide this access to urgent/emergent care on the island, and is consistent with the FY23 request.
2. Trends in the healthcare system have led to an increase in costs as there are nursing and equipment shortages driving up costs of vital staff and equipment. The IFHS is seeking funds to cover those expanding costs and to provide the necessary equipment and maintenance to continue after-hours and emergency.
3. Requesting the same amount as previous year.
4. Notes: Some IFHS activities may qualify for the funds collected via the Excise Tax on Tobacco established in 2021 via Resolution 2021-02.

MOTA

1. MOTA is seeking an additional \$55,245 this year reflecting: \$8,514.16 cost of living increases (5.12%), and a \$61,586 increase in insurance benefits.
2. It will cover a portion of personnel costs, utility expenses, travel and training for the Board and staff for professional development.
3. Activities for FY24 include Museum Indigenization and Community Building, working toward financial stability, and improvements in the museum's collections.

Q-Tribe

1. The Tribe is requesting \$59,147.40 more than what was awarded in FY23 in order to expand Camp Qungaayux into a year-round culture preservation program.
2. The Camp Director will plan and develop a program for camp and continued craft nights. This will include hiring staff, mentors, and elders for both activities.
3. Supplies for both day camp and culture craft nights will be purchased in bulk whenever possible and will be ordered in ample time to avoid excess shipping costs.

UCB (Unalaska Community Broadcasting)

1. UCB is requested an additional \$2,900 for cost of living and benefits increases; an additional \$2,300 to cover the cost of an increase in premiums and promotion for KUCB's 40th anniversary events; and an additional \$1,300 for an increase in costs of office supplies, postage and board expenses.
2. Build the internal capacity of KUCB operations via some equipment purchases to increase remote capability as a backup studio.
3. More fully engage with our many communities so that more people feel "at home" with KUCB news and arts and culture programming such as the Unangam Tunuu which began in FY23.

USAFV (Unalaskans Against Sexual Abuse and Family Violence)

1. USAFV is requesting an additional \$92,398 over their FY23 request to provide insurance for Full Time staff, spouses and dependents in order to make benefits comparable to City of Unalaska and other employer benefits.
2. Sustain sanctuary efforts and advocacy for adult and minor survivors of domestic violence, sexual assault, stalking, child abuse, elder abuse, incest, other interpersonal violence, other violent crime, homelessness, near-homelessness, food insecurity, and others in crisis.
3. Remain engaged in the community through Interagency Cooperative meetings, providing educational/training materials to professionals who work with victims of domestic violence/sexual assault and make community presentations.
4. Notes: USAFV regularly returns unused grant funds to the City.

USC (Unalaska Senior Center)

1. USC requests the \$4000.88 more than requested and awarded in FY23 due to inflation costs. The bulk of this change is Congregate and Meal Delivery Programming.
2. Work with other community organizations to increase volunteerism and donations to support the goals of providing senior citizens nutritional needs and transportation to community destinations including the US Post Office, grocery and cultural/social events.

UVB (Unalaska Visitors Bureau)

1. UVB requests the same grant amount as FY23.
2. Encourage development of Cultural tourism and benefits and work with community organizations such as Ounalashka Corp, MOTA, APIA, Q-Tribe and KUCB Channel 8.
3. Promote Aleutian Region Cultural Tourism to encourage a Cultural & Indigenous Tourism program within the UVB, community, and region. Print on media, add content to social media.
4. Notes: UVB's grant request increased by \$10,000 back in FY21 to fund a one-time branding project. The project is complete, yet the organization's requested amount has remained the same since that time.

Rusting Man Foundation

In FY23 Council funded \$125,000 as the first of two consecutive annual payments for Rusting Man Foundation. FY24 includes the second \$125,000 payment to meet the Council's agreement to fund a total of \$250,000 for creating a Fishermen Memorial sculpture. Karel and Marie Machalek presented the project concept and funding request to City Council several times during the FY23 grant application cycle and Council expressed support for the project. The City Manager and Planning Director requested the Machaleks apply via the Community Support Grant program so the administration could review the project using a standard process. However, the Council decided not to fund the project with money set aside via the Community Support Grant funding formula. This is provided for informational purposes to Council.

ALTERNATIVES: Council may choose to fund the requests as submitted or make changes where it deems necessary. No action requested this evening.

FINANCIAL IMPLICATIONS: Financial implications depend on the amount Council chooses to fund grant requests. No action requested this evening; Council will consider a resolution to fund community support grants at their meeting on April 25.

LEGAL: None

STAFF RECOMMENDATION: Complete the City Council Community Support Grant spreadsheet and return it to the City Clerk by April 17, 2023 (5:00 pm)

PROPOSED MOTION: None; no action requested this evening.

CITY MANAGER COMMENTS: At the last meeting City Council reviewed applications and heard presentations from each grant applicant. All of the applicants stated the importance City grant funds play in providing their services and meeting their organization's goals. These organizations provide services, programs and community needs which would not be available without City support.

Total FY23 Award	\$140,000.00	Total FY24 Request	\$130,000.00

Application Highlights

- **APIA is requesting a total of \$130,000** to meet the staffing needs and targeted activities plan that will have a direct benefit to residents of Unalaska. This is a decrease of \$10,000 from FY23. The difference in cost is the removal of the travel, training, and dues/fees/subscriptions line items.
- Aleutian Pribilof Islands Association, Inc. (APIA) Integrated Health Department, Community Health Services Division provides behavioral health care, community wellness activities, healthy relationship services, youth programs, and eldercare programs services in Unalaska. The most frequently requested services in Unalaska are around substance abuse prevention and treatment, diabetes awareness/access to healthy foods, and services for Elders.
- APIA offers these services at two locations in Unalaska: Oonalaska Wellness Center (OWC) and the APIA Biorka Clinic as well as collaborating with community partners to meet the behavioral health demands in the community.
- A vital part of services in Unalaska includes our behavioral health providers responding to unforeseen crisis situations.
- *Eldercare Program:* Provides an additional resource for local Unalaska Elder residents to remain in their community rather than relocating to a nursing home, thereby reducing psychological and physical distress.
- *Youth Services Program:* With youth-informed programming, we anticipate targeted, peer-driven youth services.
- *Healthy Relationships Program:* The Healthy Relationships Program aims to not duplicate services in Unalaska, rather we want to collaborate with USAFV and enhance outreach and educational efforts to Unalaskans.
- *Administration:* Provides support for and direction of development and expansion of services identified as needed in Unalaska. Harriet Berikoff is the Qawalangin Tribe representative from Unalaska. Our CFO reviews all budget document associated with this award. Also, our Travel Coordinator assists with arranging travel for staff from Unalaska to attend trainings and travel for Anchorage based staff to travel to Unalaska.
- During the FY 2022 grant year, APIA plans to:
 - 1.) Offer well-rounded behavioral health services that align with needs of the entire community.
 - 2.) Enhance prevention and outreach efforts in topic areas that align with community request (e.g., anti-bullying, suicide prevention, and healthy lifestyle choices such as pro-social activities, nutrition/traditional foods, cultural values and safe partner relationships). These events will comply with local mandates related to COVID-19.
 - 3.) Network with community partners in Unalaska to prevent and decrease drug use in the community.

Goals and objectives

- **Goal 1**—APIA will offer well-rounded behavioral health services that align with needs of the entire community.
 - *Objective 1:* APIA will retain Behavioral Health staff in Unalaska that will serve as a point of contact in Unalaska for behavioral health services, which includes the intensive outpatient program (IOP). The IOP is a recovery program for individuals and family members struggling with substance misuse that reside in Unalaska.
 - *Objective 2:* APIA BH will continue to host Alcohol and Drug Information School classes quarterly or as needed. The class will support individuals who are either struggling with addiction, interested in services, or family members who have a loved one that is addicted and may be at a loss for how to help them get help.
 - *Objective 3:* Work closely with IFHS and Public Safety to respond to crisis situations that may arise. This includes providing a psychological assessment, screening for suicidality, and assisting with Title 47s to aid in getting an individual to higher level of care (e.g., Alaska Psychiatric Hospital).
- The anticipated outcome is to decrease feelings of psychological stressors such as social isolation and behavioral challenges such as substance misuse among clients, provide educational opportunities, increase access to health services, and offer robust behavioral health services to meet the needs of Unalaskans. These are ongoing activities.
- **Goal 2** – APIA will enhance prevention and outreach efforts to align with relevant community needs (e.g., anti-bullying, suicide prevention, and healthy lifestyles such as prosocial activities, nutrition /traditional foods, cultural values, and safe partner relationships). APIA will follow all COVID-19 mandates, which may impact a planned activity.
 - *Objective 1:* APIA staff will coordinate with the school, Tribe, USAFV, and other community partners to support educational opportunities for the community.
 - *Objective 2:* APIA will collaborate with community partners to host an annual health fair. If it aligns with the community calendar, we plan to hold the health fair in March. Booths will include a number of health promotion and educational materials.
 - The anticipated impact is that youth, adults, and elders in the community will feel better informed and supported to face some of the health and social concerns they are facing.
- **Goal 3** – Network with community partners in Unalaska to prevent and decrease drug use in the community.
 - *Objective 1:* APIA staff will attend ongoing local community interagency meetings and maintain open dialogue with local organizations.
 - *Objective 2:* In partnership, APIA will host (or co-host) local events specific to the topic identified as pressing needs. A recent example of this includes the Community Action Group.
 - These meetings will continue as long as there is community interest. This will occur throughout the calendar year and comply with pandemic precautions. The anticipated outcome for this goal is to work with community partners to invite individuals and families to voice their ideas and have grassroots, localized plans to address substance misuse in the community.

Application Highlights

"To Provide Quality Integrated Health Care and to Promote Health and Well-Being."

- IFHS is the only health care available for the island and surrounding area that provides 24/7 coverage, thus creating huge costs with little return.
- 24/7 staff roles are as follows:
 - Medical Provider (Physician, Nurse Practitioner, or Physician’s Assistant) on-call daily
 - Registered Nurse (RN)/Paramedic/Emergency Medical Technician (EMT)- Level 3 providing assistance with patient care
 - Lab/Radiology Tech to perform lab and x-ray support
- From July through December 2023, IFHS provided 120 after-hours and emergency visits (not including after-hours COVID testing). IFHS also coordinated 56 medivacs in CY2022.
- The target population of IFHS is anyone in need of medical care while visiting, working, or residing in Unalaska/Dutch Harbor, or working in the fishing fleets of the North Pacific Ocean and Bering Sea.
- IFHS consistently seeks support from the local fishing and shipping industries, and while we have received donations through the wall of support, such contributions have decreased significantly in recent years. The facility also receives FQHC funding which does not include funds for after-hours care, as most communities have the support of an emergency room or hospital. In FY24, IFHS will continue to respond to all appropriate after hours/emergency calls, however federal funding is not available to cover the costs of after-hours care.
- This request for funding is to offset a portion of the expense incurred by IFHS to provide this access to urgent/emergent care on the island, and is consistent with the FY23 request.
- Trends in the healthcare system have led to an increase in costs as there are nursing and equipment shortages driving up costs of vital staff and equipment. The IFHS is seeking funds to cover those expanding costs and to provide the necessary equipment and maintenance to continue after-hours and emergency care.

Goals and Objectives

- **Goal 1:** IFHS will continue to provide quality integrated emergency and after-hours health care.
 - **Objective 1.1:** IFHS will respond to all appropriate after house and emergency calls for the residents, visitors, and workers in Unalaska, the Port of Dutch Harbor, and the surrounding region. IFHS’s continued provision of the necessary emergent and after-hours care will save lives and directly improve the health and wellbeing of those living and working in Unalaska and the surrounding areas.

Application Highlights

- MOTA is seeking an additional \$55,245 this year reflecting: \$8,514.16 cost of living increases (5.12%), and a \$61,586 increase in insurance benefits. MOTA anticipates returning up to \$51,568 of the \$91,568 insurance benefits line item if employees maintain the same coverage and rates meet estimates for FY24
- Annually the Museum curates an average of three exhibits, hosts a variety of in-person events, such as the Annual Membership Drive and Auction, as well as our chocolate tasting competition, talks by visiting researchers, community archaeology, and other events.
- The FY24 Community Support request is for \$373,058.30, or 37.19% of our overall budget. It will cover a portion of personnel costs, utility expenses, travel and training for the Board and staff for professional development. Although the MOTA staff has been very successful in securing grants for educational projects, exhibits, collections work, and technological improvements, we rely heavily on the support of the City of Unalaska Community Support program funds for the majority of our operations, because granting agencies typically do not fund museum operational expenses. Without the Community Support Grant assistance, the Museum will have to close

its doors. We are dedicated to providing professional care for our collections and improving the quality of life in our community by providing full access to the Aleutian Islands' history, culture, and art through exhibits, research, and education programs. The services offered to the community by the Museum are unique and are not duplicated by any other organization in the community or region.

- Services offered to the community by MOTA are unique and are not duplicated by any other organization in the community or the region!
- The MOTA staff works in cooperation with the Unalaska City School District (USCD) to expand educational opportunities for students. The Museum offers USCD education programs such as internships, field trips, lectures, hands-on classes, exhibits, and special events. We also offer internship programs and volunteer opportunities in archaeology and museum studies for USCD high school students.
- MOTA collaborates with Unalaska City School District (USCD), Ounalashka Corporation, Qawalangin Tribe, University of Alaska, Fairbanks, US Fish and Wildlife, Alaska Volcano Observatory, Unalaska Community Broadcasting (UCB), Unalaska Visitor's Bureau, Grand Aleutian Hotel, Iliuliuk Family and Health Services, and Aleutian Islands Worlds War II National Monument-Visitor Center.

Goals and Objectives

- **Goal 1.** Museum Indigenization and Community Building. To achieve this goal, in FY24, Staff and Board members will reach out to the stakeholders, community members, and our membership to gauge the interests and needs of the community we serve and will partner with the Qawalangin Tribe, the Ounalashka Corporation and other Native Alaskan tribes and corporations to improve our representation the Unangan people. In FY24, this will include increased engagement through meetings and partnerships and the development of a survey.
- **Goal 2.** Financial Stability and Build Capacity: The Board and MOTA executive director will work toward financial stability through diversification of the MOTA financial portfolio and income streams. This will be achieved through the identification of new revenue streams; the development of endowments and investments, an increase in corporate sponsorships, grants, and fundraising; an increase in earned revenue from tourism, store sales, and memberships.
- **Goal 3.** Collections Improvements and Museum Policies. The Board and MOTA staff continue to work on improving collections care and updating, revising, and/or developing policies to meet standards and best practices in the Museum field. This includes our ongoing full collections inventory project, and digitization of Museum collections, which is a long project but will rehouse collections using the most modern techniques and materials and will improve access to our collections. The Board and staff are drafting the Museums' Institutional Strategic Five-year plan for FY24-28 and continue to develop and update essential documents and policies to meet standards and best practices.

- Q-Tribe is requesting \$59,147.40 more than what was awarded in FY23 in order to expand Camp Qungaayux into a year-round culture preservation program.
- The Qawalangin Tribe of Unalaska is expanding Camp Qungaayux into a year-round culture preservation program with greater community outreach focused on health and wellness as well as Unangan Cultural Programs. Culture nights are open to the entire community of Unalaska.

This includes locating all mentors, and elders, and hiring all necessary camp staff. The Director coordinates all travel and training. In addition, the Camp Director is responsible for working closely with the Finance Department to ensure budgetary compliance for all grants. Tribal Administration provides direct guidance and support in all aspects of Camp. Elders and Mentors are the knowledge holders and are tasked with being Camp leaders and teachers. Each provides a rare opportunity for the community to engage in cultural experiences otherwise not seen to non-indigenous people. Camp Qungaayux does not have permanent structures. These must be built and removed each year. Safety is always the primary consideration when considering camp labor. Camp laborers provide the manpower to setup and tear down camp in a safe and structurally sound manner. Typically, the community rallies together to support these efforts but it is necessary to hire additional staff. Community volunteers and office staff support all aspects of camp.
- Hearth Health and Culture Crafts – This is a new program and, although active, is still in its development phases. The overall premise behind the development of Culture Crafts is to keep Camp Q activities alive throughout the

year. These programs are designed to engage the older teens and adult community, thus providing cultural experiences to a different demographic than that of the day camp.

Twice weekly, community members gather to engage in meaningful cultural and community conversations while constructing traditional Unangan crafts. This program is supported in part by The CDC GHWIC Program. The Tribe is requesting financial support for the balance of this invaluable program. This is being included in the Camp Q Day Camp request, rather than a separate application, because the Tribe considers this program to be an extension of day camp. It fosters community relationships, which provides greater access to mentors and volunteers for the day camp.

- Camp Qungaayux Heart Health and Culture Crafts is managed by the Director of Culture and Wellness and the Culture and Wellness Coordinator (Camp Director). Both are responsible for planning, developing and the implementation of coordinated culturally relevant craft nights.

Advertising is limited to funding. Generally, this information is disseminated through text chains, posted flyers and word of mouth.

Culturally relevant crafts are provided a minimum of 50 times per year (with weeks shutdown during week-long culture camp). Some of the crafts for this year included salmon leathering, beading, and working with furs. Some supplies for these crafts are donated. The rest are purchased. There is no charge for participation in these craft nights. The setup and tear down for these activities are provided by the Culture and Wellness student associates.

- Additional Funding and non-monetary support from:
 - Ounalashka Corporation
 - City of Unalaska, City Public Works, City Parks, Culture, and Recreation
 - KUCB/Channel 8
 - APIA
 - UCSD
 - Museum of the Aleutians
 - Cathedral of Holy Ascension
 - The US Coast Guard
 - Aleut Corporation
 - APICDA

Goals and Objectives

- **Goal 1: Camp Q and Culture Crafts Programming**
 - **Objective 1** - With continued struggles with pandemic outbreaks, providing camp programming is proving challenging. The additional expenses required to maintain a safe and supportive atmosphere for our campers are becoming cost prohibitive. We will continue to seek CDC guidance and make day camp and culture craft night decisions that ensure the health and welfare of the entire community.
The Camp Director will plan and develop a program for camp and continued craft nights. This will include hiring staff, mentors, and elders for both activities. The Camp Director will do this in coordination with the day camp Planning Committee and the Culture and Wellness Director. During this time, the Camp Director will complete a full budget and present it to Finance and the CEO for approval. The Camp Director will use this time to develop the schedules for day camp, order necessary program supplies and maintenance all camp equipment. In addition, the Camp Director will finalize day camp dates.
This time will be used to continue to evaluate the new culture craft curriculum, foster community relationships and schedule off-island mentor travel.
 - **Objective 2** – Camp Director will have a meeting with the Planning Committee and all relevant staff. This meeting will focus on reviewing all camper, and mentor evaluations. During this meeting, the team will focus

on critical issues and are tasked with creation action plans for the upcoming year. This plan is reviewed and approved by Upper Management.

- Goal 2: Expansion of Camp Q
 - **Objective 1** – Currently, we have adequate Camp Q carrying capacity. As a result, we are continuing to offer Culture Craft nights to the entire community.

Supplies for day camp will be ordered year-round to ensure a reduction in shipping costs. A section of the warehouse will be dedicated solely to day camp and crafting supplies. As part of our continued efforts to strive towards expansion and carrying capacity, we will strive to strategize the best ways to optimize funding resources. Supplies for both day camp and culture craft nights will be purchased in bulk whenever possible and will be ordered in ample time to avoid excess shipping costs.

Potential negative impacts due to the pandemic and supply chain issues may cause significant financial burdens on these programs. The Tribe is dedicated to anticipating and mitigating these issues.

FY24 City of Unalaska Community Support Grant Application Review Summary Sheet

Organization Name: Unalaska Community Broadcasting (UCB)

UCB is requesting \$6,500 more than in FY23.

City In kind Contributions: Studio and Office space in Burma Road Chapel

FY23 Award	Amounts	FY24 Request	Amounts
Personnel – Salary & Benefits	\$ 53,100.00	Personnel – Salary & Benefits	\$ 56,000.00

Administration	\$ 31,500.00	Administration	\$ 32,800.00
Total FY23 Award	\$ 109,000.00	Total FY24 Request	\$ 115,500.00

Application Highlights

- Unalaska Community Broadcasting is asking for an additional \$2,900 for cost of living and benefits increases; an additional \$2,300 to cover the cost of an increase in premiums and promotion for KUCB's 40th anniversary events; and an additional \$1,300 for an increase in costs of office supplies, postage and board expenses.
- KUCB has received local grant funding since we split off from the City of Unalaska and became an independent nonprofit in 1984. The City has historically funded us in order to bring crucial news and information to the community. In the coming year, we will continue to rely on City of Unalaska funding.
- Longtime operational grants also include federal funding (through the Corporation for Public Broadcasting) and state funding (through the Alaska Public Broadcasting Commission). Unfortunately, state funding was cut to all public media stations in 2019. Each year since then, funding is added back into the budget by the legislature and vetoed by the governor. We are hopeful that the funding will be restored in the future. In the meantime, KUCB has diversified our funding stream. We have been very successful with new grants to fund reporting positions including ProPublica and Report for America. We have also increased cash income by selling news content and providing production work for hire. We've reduced our broadcasting costs down to the lowest possible levels.
- KUCB has a long history of providing public media in Unalaska. Changes in technology have expanded available platforms for the news and information that our organization provides, and we monitor trends in order to reach our audience wherever they find information. A clear workflow allows us to manage a great deal of content with a small staff and we do as much as we possibly can with the resources available.
 - We are a part of a consortium of public media stations called CoastAlaska. They handle financial work including: accounts payable and receivable, reporting, and payroll. This partnership allows local staff to focus on content.
 - CoastAlaska also provides engineering support. Engineers have remote access to our equipment and they make annual trips to Unalaska.
 - Our reporters provide news and public affairs programming on all of our platforms (TV, radio, and the web). They write and research local news, produce newscasts for broadcast, update our online platforms, bring Unalaska's news to a statewide audience, and provide broadcasts of municipal meetings.
 - Multimedia producers create music and entertainment programming, community event updates, health and wellness information, live sports coverage, the About of the Town section of our website, local public service messages and our community calendar.

- Staff and volunteers fall under the leadership of our General Manager, who also takes the lead on program development, fundraising, radio and television operations, volunteer training, and events.
- KUCB has local DJs on the air seven days a week.
- All staff and board members assist with fundraising and special events

Goals and Objectives:

- **Goal 1:** Build the internal capacity of KUCB operations.
 - **Objective 1.1:** Purchase and install equipment for studio power backup and increased remote connectivity for a backup studio location. We need backup power at the studio end, as well as the ability to broadcast from a secondary location. During FY23 we plan to secure funding for this project through FEMA funds distributed by the Corporation for Public Broadcasting. In FY24 we plan to move forward with the installation phase of this essential project.
 - **Objective 1.2:** Evaluate distribution of KUCB video content and plan for the future of Channel 8 TV. With the arrival of fiber connectivity in Unalaska and the reduced use of cable television, our organization needs to explore new methods of distribution of video content and provide a Channel 8 feed online. We recently launched digital television and we would also like to explore the best way to make use of that signal.
 - **Objective 1.3:** The KUCB board will hold a planning session in order to evaluate and update our organization’s strategic plan. This last took place in 2020, and our organization is due for a strategic plan review, especially given the changes in data and internet speed in our community
- **Goal 2:** More fully engage with our many communities so that more people feel “at home” with KUCB news and arts and culture programming.
 - **Objective 2.1:** Ensure the voices and experiences of community members are reflected in KUCB’s content for the foreseeable future and beyond. In FY22, staff moved forward with a source audit, a report on the make-up of the sources we use for news stories and the guests we have on air. The completion of source audits will be complete by the end of FY23 and this year we are actively working to diversify our sources by including more: Female and non-binary voices, voices from the general public, voices of people who identify as Alaska Native, voices of people who identify as Asian, voices of Black, Latinx, and other underrepresented groups who make up the community. In the coming fiscal year, we want to see continued growth in all of these voices with an increased focus on youth and elder voices so that we are crossing a variety of age groups.
 - **Objective 2.2:** Within a year we will have Unangam Tunuu fully incorporated and heard every day on the radio. In FY23, our goal was to focus on incorporating Unangam Tunuu and other Alaska Native languages in our programming and we did this through the addition of a video and online cooking show produced in collaboration with the Qawalangin Tribe. In FY24 we will build on this by holding language training for our full staff, and working in partnership with the Tribe to build additional language-based programming for KUCB. This objective is grounded in our desire to provide recognition of where are, and to honor the traditional stewards of the land where we are located.
- **Goal 3:** Develop programs that help meet KUCB’s core purpose to inform, educate, entertain, and engage.
 - **Objective 3.1:** Finalize our plan for a 40th anniversary event and multimedia exhibition at the Museum of the Aleutians. This includes securing funding and compiling content. The collaborative exhibit will open in October of 2024. In FY24 we will finalize plans for the event, secure funding, and compile archival and new content for display. The exhibit will allow us additional outreach and awareness locally, and give the community better access to our digital archives.

other local agencies and led the way in establishing the Unalaska Interagency Cooperative (UIC), an informal group that meets for the sole purpose of sharing information, resources and coordinating services to the community.

- USAFV operates as Unalaska's food bank providing hundreds of food boxes to individuals and families every year. When boats or other entities donate large quantities of food, USAFV ensures it is distributed throughout the community to those groups and individuals who need it the most.

Application Highlights

- USC requests the \$4,000.88 more than requested and awarded in FY23 due to inflation costs. The bulk of this change is Congregate and Meal Delivery Programming.
- The Unalaska Senior Citizens (USC) mission is to provide Nutrition, Transportation and Support services; promote the health and well-being of the senior citizens of Unalaska; assist in their ability to live independently and remain active in the community.
- The Unalaska Senior Citizens serves all senior citizens age 60 and over, specifically targeting those socially and economically challenged.

The Congregate Lunch Program is also available to those under the age of 60, at a cost of \$8.00 per meal, to promote interactions with community members of all ages. Meals will be served at the Father Ishmael Gromoff Senior Center at a minimum of 260 days out of the year. Home delivered meals will continue, but the Congregate meal program has re-opened. The meals are prepared and purchased from UniSea Galley at a cost of \$5.00 per meal.
- Unalaska Senior Citizens works closely with other community entities for volunteerism and donations including:
 - **Unalashka Corporation** provides financial support and promotes awareness of the organization and programs available among OC shareholders.

- We predominantly gauge our success through our ability to attain our goals: financial, partnerships (number of memberships, strength of business and industry relationships), event turnout, and variety of what we can offer visitors to the island. We further measure our success through community, business, partner, and visitor feedback or critique.
- UVB's main mission is to encourage tourism in Unalaska through promotion of our region. There is no other organization that works to market Unalaska nor provides the services that UVB provides for the community. UVB serves the residents of Unalaska, 5,000+ transient workers, business travelers, visiting friends and families, cruise ship and ferry passengers, scientific researchers, and other travelers who choose Unalaska as their destination.
- A majority of our marketing targets travelers, but the entire community is able to benefit from our various efforts to promote travel to Unalaska.
