MEMORANDUM TO COUNCIL

To: Mayor and City Council Members
From: Marjorie Veeder, Acting Planning Director
Through: William Homka, City Manager
Date: September 12, 2023
Re: Ordinance 2023-38: Approving a 20-year land lease agreement between the City of Unalaska and EarthScope Consortium Inc., for a CORS station on a portion of Lot 1, Needle Subdivision, Plat 95-32

SUMMARY: A land lease between the City of Unalaska and EarthScope Consortium Inc., has been drafted and is being processed in accordance with City code and policies. City Council approval is required for the lease because the term is greater than five (5) years. Staff recommends approval.

PREVIOUS COUNCIL ACTION: None.

BACKGROUND: Since 2004, the City of Unalaska's Lot 1, Needle Subdivision on top of haystack has hosted a Continually Operating Reference Station (CORS) in support of the United States Geological Survey. The CORS equipment emits a Real-Time Kinematic Positioning (RTK) data signal that allows surveyors and City officials to accurately locate and reference points on the ground.

DISCUSSION: EarthScope Consortium Inc. applied to renew their lease of approximately 12 square feet of land on Lot 1 of Needle Subdivision, Plat 95-32 (Exhibit A). This parcel is at the top of Haystack Hill and is the hub location for all radio-communications in town. Since 2004, a CORS station has been on this parcel in the same spot. In the past, these have been 5-year leases, but in the best interest of a permanent station, Staff and EarthScope are seeking a longer-term lease.

It is in the City's best interest to maintain this CORS station lease as it is the basis of our 3-dimensional position finding. In town alone, the station impacts locates of property corners, utilities, the GIS system, surveyors, and builders. Beyond the City's interests, geologic research at Makushin and tectonic research in the region on a state, federal, and international level, as part of the Plate Boundary Observatory, and the Network Of The Americas.

Pursuant to UCO 7.12.020, any lease having a term of greater than five years shall first be approved by the City Council. Staff would like to step out of the revolving door of five-year leases for permanent fixtures such as this one.

ALTERNATIVES: If the City Council finds that it is not in the best interest of the City to approve Resolution 2023-38 as is, it may alternatively grant the lease agreement for less than 20 years.

FINANCIAL IMPLICATIONS: The maximum 180 kW electric charge to the City would be \$80 per year, while the data itself is invaluable.

LEGAL: The lease was developed in consultation with the City Attorney.

STAFF RECOMMENDATION: Staff recommends adoption of Resolution 2023-38.

PROPOSED MOTION: I move to adopt Resolution 2023-38.

CITY MANAGER COMMENTS: I support staff's recommendation.

- 6. Alterations and Improvements: Upon receiving written permission from Lessor, Lessee may make alterations, additions and improvements to the Parcel, at Lessee's sole cost and expense. Lessor's consent shall not be unreasonably withheld. Lessee shall remove all improvements and personal property of Lessee from the Parcel at the end of the Lease term and the Parcel shall be restored to the condition prevailing on the effective date of this Lease.
- 7. Title to Improvements: All buildings, structures, fixtures and permanent improvements placed or attached on or about the Parcel by Lessee shall remain the property of Lessee until such time as the expiration or termination of this Agreement.
- 8. Removal of Improvements and Chattels After Termination:
 - a. Lessee shall, within three (3) months after termination of this Agreement, remove all improvements and chattels from the Parcel, provided that Lessor first determines that such removal will not cause injury or damage to the Parcel or seriously impair its redisposal.
 - b. If any improvements or chattels having an appraised value exceeding \$20,000.00 as determined by the Lessor, are not removed from the Parcel within the time allowed, they shall, upon thirty (30) days prior written notice to Lessee, be sold at public auction under the direction of Lessor.

10. Assignment of Lease and Sublease of Parcel: The Lessee may not assign this Lease or sublet the Parcel, without the prior written consent of the Lessor, which shall not be unreasonably withheld. No assignment of this Lease shall be approved until the assignee agrees to be subject to and governed by the provisions of this Lease in the same manner as the original Lessee to the extent that they may be applicable to the sublease except for the payment of Rent and other monetary obligations. No such assignment or sublease will be effective until approved by the Lessor in writing or shall annul the Lessee's obligation to pay the rent herein required for the full term of this Lease. Except as permitted by the Lessor, no subdivision of the Lessee's leasehold interest, including any exposed airspace thereon, shall occur.
11. Denial of Warranty Regarding Conditions: The Lessor makes no warranty, express or implied, nor assumes any liability whatsoever, regarding the natural, social, economic, or environmental conditions of the Parcel, including, without limitation, the soil, water and drainage conditions, natural or artificial hazards, and the profitability or fitness of the Parcel for any use. 14. Easements: Lessor reserves the right to make grants to third parties or reserve to the Lessor easements through, on or above the Parcel for the purpose of providing water, sewer or electric services to the Parcel or to adjacent properties, or for the purpose of providing reasonable public access to public waters, provided that no such easement or may be granted or reserved which unreasonably interferes with the Lessee's use of the Parcel.
15. Access: The Lessor makes no representations or warranty that it will construct or maintain access to the Parcel.
16. Valid Existing Rights: This Lease is entered into and made subject to all valid existing rights, including easements, rights-of-way, reservations, or other interests in land of record on the date of execution of this Lease.
17. Inspection: The Lessor shall have reasonable access to the Parcel for purposes of inspection regarding the faithful performance by the Lessee of the covenants and conditions of this Lease and for the performance of other lawful requirements.

18. Acquisition of Rights or Interests: Any right or interest acquired during the term of this Lease and accruing to the benefit of the Parcel shall remain appurtenant to the Parcel during that term, and shall not be severed or transferred from the Parcel without the prior consent of the Lessor. In the event of termination or forfeiture of this Lease, any such right or interest shall revert to the Lessor along with the Parcel.
19. Environmental Indemnification: If any hazardous substances are released or discharged on or from the Parcel to, on or about the Parcel or other properties, including, but not limited to, the surface or subsurface waters adjacent to the Parcel during the term of this Agreement, Lessee shall indemnify, defend, and hold Lessor harmless from any and all claims, judgments, damages, penalties, fines, costs, liabilities or losses, including, but not limited to, costs incurred in connection with any investigation of site conditions or any cleanup, remediation, removal, or restorative work required by any federal or state agency due to the presence of hazardous substances in the soil or groundwater on or under the Parcel or other affected properties, whether such losses arise during or after the term of this Agreement, but only to the extent that such release or discharge is not caused by the fault of Lessor or its agents, representatives, contractors or employees.
20. Hazardous Substances: Lessor represents and warrants to Lessee that, to the best of its information, knowledge and belief, no hazardous substances have been released, discharged or spilled on the Parcel; however, Lessor does not represent, warrant or guarantee that this is necessarily the case. Otherwise, Lessor has made no express or implied representations or warranties to Lessee with respect to the release, discharge or spillage of any hazardous substances in, on or about the Parcel. Lessee hereby releases and discharges Lessor, its affiliates and all of their respective past, present and future officials, employees, agents, attorneys, insurers and representatives, with prejudice, from any and all claims, obligations or liabilities which have arisen, resulted from or are based upon, or may in the future arise out of, result from or be based upon, in whole or in part, the past release, discharge or spill of any hazardous substances or other environmental pollution in, on or about the Parcel, regardless of whether such claim, obligation or liability, or the type or extent thereof, is now known or foreseeable; provided, however, that such release and discharge shall be inapplicable to claims, obligations and liabilities that are based upon a material breach of the representations and warranties made by Lessor in this Section.
21. Definition of Hazardous Substance: Hazardous substance, as such term is used in this Agreement, includes: (a) (1) crude oil, (2) petroleum, (3) diesel fuel, (4) marine fuel, (5) heating oil, (6) gasoline, (7) motor oil, (8) kerosene, (9) aviation fuel, (10) other petroleum products, additions and derivatives, (11) urea formaldehyde foam insulation, (12) asbestos, and (13) polychlorinated biphenyls; and (b) any other (1) pollutant, (2) contaminant or (3) toxic, flammable, explosive, radioactive, noxious, hazardous, extremely hazardous, dangerous or potentially dangerous waste, material or substance, the response to which or the remediation or removal of which is required, or the manufacture, preparation, production, use, maintenance, treatment, storage, transfer, disposal, handling, processing or ownership of which is restricted, prohibited, regulated or penalized by any federal or state law or regulation as now or hereafter in effect.
22. Erosion Prevention: Lessee shall prevent unwarranted erosion of the Parcel that is caused by Lessee's use or occupancy of the Parcel. Any such erosion shall be repaired in a manner satisfactory to Lessor at Lessee's sole expense.
23. Waiver or Forbearance: The receipt of rent by the Lessor, with or without knowledge of any breach of the Lease by the Lessee, or of any default on the part of the Lessee in the

observance or performance of any of the terms, conditions or covenants of this Lease, shall not be deemed to be a waiver of any provision of this Lease. No failure on the part of the Lessor to enforce a condition or covenant of this Lease, nor the waiver of any right hereunder by the Lessor, unless in writing, shall discharge or invalidate the application of such term or covenant; nor shall any forbearance or written waiver affect the right of the Lessor to enforce any term or covenant in the event of any subsequent breach or default. The receipt by the Lessor of rent or any other sum of money, or the termination in any manner of the Lease, or the giving by the Lessor of any notice hereunder to effect such termination, shall not reinstate, continue, or extend this Lease, nor destroy or in any manner or impair the validity of any such notice of termination which may have been given hereunder by the Lessor to the Lessee prior to the receipt of any such sum of money or other consideration, unless the contrary effect shall be expressed in writing and signed by the Lessor.

24. Bankruptcy: In the event Lessee becomes insolvent, makes an assignment for the benefit of creditors, becomes the subject of a bankruptcy proceeding, reorganization, arrangement, insolvency, receivership, liquidation, or dissolution proceedings, or in the event of any judicial sale of Lessee's interest under this Lease, Lessor shall have the right to declare this Lease in default.

25. Breach and Remedies:

- a. Time is of the essence of this Lease. If the Lessee shall materially breach any of the terms, covenants, conditions or stipulations contained in this Lease or attached hereto which are applicable to it, and said breach shall not be completely cured within 60 days after written notice of such breach has been served by the Lessor upon the Lessee and each holder of a security interest in the Lessee's interest under this Lease that has notified the Lessor of such security interest, the Lessee shall be subject to such legal rights and remedies as the Lessor shall have available to it under applicable law, including, but not limited to, the termination of this Lease; provided, however, that no improvements now upon the Parcel, or which may be placed thereon during the term of this Lease, may be removed therefrom during any time in which the Lessee may be in material breach of this Lease. In the event that this Lease is terminated by the Lessor for a material breach by the Lessee of this Lease, all rents paid by the Lessee shall be forfeited to and retained by the Lessor, not as a penalty, but as liquidated damages for such breach. The Lessor shall not be liable for any expenditures made by the Lessee or undertaken by the Lessee under this Lease prior to such termination.
- b. If the Lessee fails to completely cure a material breach of this Lease by it within the time allowed in (a) of this paragraph, any holder of a security interest in the Lessee's interest under this Lease who has notified the Lessor such security interest may cure or remedy such breach if the breach can be cured by the payment of money or, if this cannot be done, by performing, or undertaking in writing to perform, the Lessee's obligations which are the subject of such breach that are capable of performance by the holder. The holder shall act within 60 days from the date of receipt of notice under (a) of this paragraph, or within any additional period, which the Lessor may allow for good cause.
- c. personal properties therefrom, either by summary proceedings or by suitable action at law; provided, however, that the words "enter" and "re-enter" as used herein are not restricted to their technical legal meaning. Any entry or re-entry, possession, repossession, or dispossession by the Lessor, whether taken by summary proceedings or otherwise, shall not be deemed to absolve, relieve, release or discharge the Lessee, either in whole or part, for any monetary liability under the Lease.

26. Indemnification: To the fullest extent allowed by law, Lessee shall defend indemnify and hold harmless Lessor from and against all claims and demands for loss or damage, including property damage, personal injury, wrongful death, and wage or employment claims arising out of or in connection with the use or occupancy of the Parcel by Lessee or by any other person holding under Lessee from any accident or fire on the Parcel and from any nuisances made or suffered thereon; and from any failure by Lessee to keep the Parcel in a safe and lawful condition except to the extent that such claims or demands are caused by the fault of Lessor or its agents, representatives, employees or contractors.
27. Surrender of Leasehold: Upon the expiration or sooner termination of this Lease, the Lessee shall quietly and peaceably leave, surrender and yield up unto the Lessor all of the Parcel. In the event that Lessee remains in possession of the Parcel after the expiration of this Agreement with Lessor's permission, Lessee shall be deemed to be occupying the Parcel as a month-to-month tenant, subject to all of the terms and conditions of this Agreement and the law, to the extent that they may be applicable to a month-to-month tenant.

Proof of insurance in the form of certificates of insurance and their endorsements are to be received by the City at the signing of this agreement. The insurance policies must be written by a company or companies that are authorized to conduct business in the State of Alaska with a current A.M. Best's rating of no less than A, A-:VII, unless otherwise acceptable to the City.

- iii. Coverage shall state that the Lessee's insurance shall apply separately to each insured against whom claim is made or suit brought except with the respect to the limits of insurer's liability.
- iv. That, as respects the interests of Lessor, such insurance shall (A) not be invalidated by any action or neglect of any person other than Lessor and (B) insure Lessor regardless of any misrepresentation, breach or non-observance of any warranty, declaration or condition contained in any applications by Lessee for, or policy evidencing, such insurance; and
- v. That no such insurance shall be canceled or materially changed as respects the interests of Lessor on less than thirty days prior written notice to Lessor;
