# MEMORANDUM TO COUNCIL

To: Mayor and City Council Members

Through: Scott Brown, Director of Public Works and Bil Homka, City Manager

Date: April 3, 2024

Re: Resolution 2024-11 Authorizing the Sale of Surplus Personal Property

# **SUMMARY**:

To request approval for the semi-annual surplus sale scheduled for May 4, 2024 from 11:00 a.m. to 2:00 p.m. and that the sale be by "public outcry" rather than sealed bids.

## PREVIOUS COUNCIL ACTION:

Council annually authorizes the sale of surplus personal property. For a number of years the public outcry method has been authorized.

### **BACKGROUND**:

Each year the Supply Division is responsible for coordinating, collecting, recording and conducting city-wide surplus sales. With input from all City departments, the Supply Division compiles a list of surplus items. The standard practice has been that the list is then circulated amongst City departments who are allowed to claim items, excluding vehicles, on a 'first come, first served' basis from the list for their department's use. Then, the local non-profits are invited to come and look over the surplus items and are also allowed to claim items, excluding vehicles, on a 'first come, first served' basis for their non-profit's use. Items on the final list, including vehicles, are publicly auctioned off during the Surplus Sale. The reason vehicles are not on the list circulated to non-profits is that vehicles are typically valued much higher and therefore via public auction, the City is able to recoup some of the expense of purchasing and maintaining the vehicles and is considered prudent handling of tax payer's dollars. All Surplus Sale proceeds are transferred to the General Fund or Enterprise Funds.

Unalaska Code of Ordinance is our guide in disposing of City personal property:

### § 7.20.010 DISPOSAL OF PERSONAL PROPERTY.

- (A) The Manager may authorize the abandonment, destruction or recycling of city personal property which has no commercial value or of which the continued care, handling, repair, maintenance, or storage would exceed the proceeds of sale.
- (B) Personal property not authorized for abandonment, destruction, or recycling by the Manager and no longer needed for municipal purposes shall be disposed of in one, or more than one, of the following manners:
  - (1) By public outcry auction to the highest bidder;
  - (2) By public sealed bid auction to the highest bidder;
- (3) To the best qualified proposal who responds to a request for proposal to acquire the property;
- (4) To an educational, religious, charitable or non-profit association or corporation providing service to residents of Unalaska; or
- (5) To the United States, the State of Alaska or an Alaska municipal corporation or any agency or department thereof.

- (C) The City Council shall, by resolution, determine which method or methods specified in this section shall be used to dispose of personal property valued at less than \$25,000.
- (D) The City Council shall, by ordinance, determine which method or methods specified in this section shall be used for disposal of personal property valued at more than \$25,000.
- (E) Personal property not disposed of by the proceeding options will be held for future disposal, or if deemed appropriate, taken to the landfill.

#### DISCUSSION:

We are recommending a "public outcry" type of Surplus Sale. This will entail members of the public orally bidding on items as they come up for auction. This will eliminate the need for staff to open, read and record each bid placed by a citizen and to deal with multiple bids in the same amount. The problems associated with items not being picked up in a timely manner is also eliminated since all items are to be removed from City property by 3:00 pm on the day of the auction. Any items not removed on the day of auction will be disposed of at the landfill, excluding vehicles. Due to the need to transfer titles, vehicles will not be removed until the following Monday. <a href="NOTE">NOTE</a>: All vehicles and pieces of equipment will have a minimum bid established using Kelley Blue Book guidelines.

## **ALTERNATIVES:**

- 1. Approve the semi-annual surplus sale scheduled for May 4, 2024 from 11:00 a.m. to 2:00 p.m. and that the sale be by "public outcry".
- 2. Chose not to have a sale until a later date.

**<u>FINANCIAL IMPLICATIONS</u>**: Revenues from the sale go back into the City's General and Enterprise Funds.

**LEGAL**: None.

**STAFF RECOMMENDATION:** Staff recommends adoption of Resolution 2024-11.

**PROPOSED MOTION:** I move to adopt Resolution 2024-11 Approve the semi-annual surplus sale scheduled for May 4, 2024 from 11:00 a.m. to 2:00 p.m. and that the sale be by "public outcry".

**<u>CITY MANAGER COMMENTS</u>**: I support the staff's recommendation.
