Grant Request Information

6. What is the grant amount you are requesting?

11657.45

7. Supporting Documents

Scanned backup fuel, electric, Airbnb, utilities.pdf

8. Is your nonprofit directed by a board of directors or a local advisory board?

Yes

9. Which IRS certification does your nonprofit hold?

501(c)(3) Charitable organization

10. Briefly describe how your nonprofit's services have been affected.

Alexandria House uses the revenue from renting our Guest Apartment via word of mouth and on Airbnb as a major source of funding for our non-profit. We had cancellations for all of our reservations for the rest of the year from Airbnb. So far, our documented losses are \$2,890. We are also asking for help with funds to pay our heat and utility bills for the second and fourth quarter. Thankfully we have renters for the third quarter who are local. In addition, Cleaning protocols have changed and we would be greatly helped if we had washers and dryers in both the Stranded Facility and the Guest Apartment that have a sanitation cycle, so we are requesting two sets of washers and dryers.

Yes

9. Which IRS certification does your nonprofit hold?

501(c)(3) Charitable organization

10. Briefly describe how your nonprofit's services have been affected.

IFHS has experienced a significant decrease in patient revenues over the past three months as a result of COVID-19 (\$444,254). Though our volumes have been increasing, much of it is related to lower revenue COVID testing visits. One of our biggest challenges at this point is planning for our capital equipment and building updates. We are requesting funding for additional life saving/sustaining equipment and for equipment that increases our team's safety as we care for patients with infectious diseases in the amount of \$74,870 including a Zoll X-Series ECG/Debrillator, Lucas Chest Compression System, Optiflow Nasal Cannula Device, Wall Suction, and a Negative Pressure Unit and Installation (list with estimated prices have been provided to the City of Unalaska). Additional funds to support ongoing operational expenses would also be very helpful in this time. Our needs are not as immediate as some and can hold until the second round of awards if needed.

8. Is your nonprofit directed by a board of directors or a local advisory board?

Yes

9. Which IRS certification does your nonprofit hold?

501(c)(3) Charitable organization

10. Briefly describe how your nonprofit's services have been affected.

The Museum of the Aleutians (MOTA) has been impacted financially by COVID-19 due to the forced closure on March 16th, 2020, at which time we suspended our operations, with the exception of virtual programs. MOTA lost revenue from admissions, daily sales, memberships, events, and gaming revenue. We see the majority of our admission and store sales between May and September from the increase in tourist visitation arriving on cruise ships and the ferry. Based on the cruise ships that were coming to Unalaska this year, bringing 7030 passengers to our island, we could have made \$49,210 in admissions alone, although not all of them would have visited MOTA. These passengers would have contributed to our store sales and purchased special tours, as well. Combined with loss from other tourists, daily sales, memberships, and gaming, I estimate lost revenue to range anywhere from \$40,000 to up to \$130,000. MOTA's incurred expenses related to COVID-19 are \$1763 in supplies and Optimera Cards.

8. Is your nonprofit directed by a board of directors or a local advisory board?

Yes

9. Which IRS certification does your nonprofit hold?

Religious, Non-Profit Organization

10. Briefly describe how your nonprofit's services have been affected.

St. Christopher by the Sea Catholic Church discontinued Masses and gatherings due to State and City Mandates. Monetary contributions are collected during Masses and other gatherings. During the COVID 19 mandatory shutdown in 2020, St. Christopher by the Sea lost \$8,4501 in collections compared to the same time period in 2019.

Yes

9. Which IRS certification does your nonprofit hold?

501(c)(3) Charitable organization

10. Briefly describe how your nonprofit's services have been affected.

Tithing is down, due to members not being able to attend services. Staff housing and the Stranded room as well as the Church Buildings still need to be maintained, so heat and electric are necessary. Based on March-June data we calculated our cost, then multiplied that x3 to obtain an estimated amount we will need to maintain our facilities. We are grateful for any help possible. I will e-mail a cover page with a breakdown of requests.

10. Briefly describe how your nonprofit's services have been affected.

The Unalaska Senior Citizens provides one meal a day to the senior citizens of Unalaska. Since the shut down the program has closed to the public but still provides senior citizens with home delivered meals and now provides weekly grocery shopping for them so they do not have to go to the store and risk being exposed to Covid-19. The closure to the public has impacted our donations from the public and with stay at home measures we have not been able to hold normal fund raising events. These are two very important sources of income to offset our grant funding. As you can see in our profit and loss provided we expended \$21,291.11 from our general funds which left us with \$6,634.19 this year. If we had the same projected expenses starting in July, without fundraising & donations we would have a loss of \$14,660.92.

Yes

9. Which IRS certification does your nonprofit hold?

501(c)(6) Trade or professional organization

10. Briefly describe how your nonprofit's services have been affected.

We had to cancel our annual fundraiser that was scheduled for May 2nd (16th Annual Wine Tasting Extravaganza). This event usually brings in around \$15,000 - \$18,000. For our FY20 City of Unalaska Community Grant Application, we had estimated that we would generate \$16,000 in funds raised at our 2020 Wine Event. All of our summer 2020 Cruise Ships have canceled due to COVID-19 related restrictions and concerns. In our FY21 City Grant Application, we had estimated a revenue amount of \$110,000. Between the the Wine Event and Cruise Ships, we estimate a loss of \$126,000. The remaining \$6,500 of the grant request is to cover some of costs of lost gift shop sales, Unalaska coupon book sales, and membership dues.

Yes

9. Which IRS certification does your nonprofit hold?

501(c)(3) Charitable organization

10. Briefly describe how your nonprofit's services have been affected.

Unalaska United Methodist Church provides important support services to the local community which generates revenue. Our Room for Nonprofits has experienced nearly 100% decline in interest due to Covid-19 travel fear and restriction. Second Blessings reuse and recycle program has not been able to hold sales events. The closing of buildings for services as reduced offerings, while the national economic fallout has reduced pledges of support from people and other churches across the country through a support network known as the United Methodist ADVANCE.

SOUP OFF PROCEEDS FY15 THROUGH FY19.xlsx

8. Is your nonprofit directed by a board of directors or a local advisory board?

Yes

9. Which IRS certification does your nonprofit hold?

501(c)(3) Charitable organization

10. Briefly describe how your nonprofit's services have been affected.

USAFV was forced to cancel our largest annual fundraiser, the SOUP-OFF. We use the unencumbered funds we raise at this event for anything from facilities maintenance to emergency program participant travel to staff training to homeless prevention. USAFV never charges fees for services, so the pandemic lockdown has not impacted us in the same way as it has some other non-profits that rely on fees for operating funds, but the cancellation of the SOUP-OFF does mean that we have less cash available for program needs over the next year.
