

10. Work session: Discussion of the FY25-34 Capital and Major Maintenance Plan (CMMP)

We are in the period of taking new project nomination in getting the first draft of the next CMMP from different City Departments to present in the Council in January.

Comments: Commissioner Hatfield brought up Museum project will be expanding, increase office and storage space bringing up best standard to collections care. As earlier Chairman Swangel mentioned the Skate Park if it will be relocated. He also commented about Police Station on the CMMP that was at Raven Way and mentioned gasifier for the Landfill. Secretary Dean responded on the comment about the gasifier that is still a project that we they are still looking at.

11. Adjournment: Completed the agenda, the meeting was adjourned without objection at 6:36 p.m.
